Nice Book Field Guide American Houses Revised:

A Field Guide to American Houses (Revised) Virginia Savage McAlester, 2015-11-10 The fully expanded updated and freshly designed second edition of the most comprehensive and widely acclaimed guide to domestic architecture in print since its original publication in 1984 and acknowledged everywhere as the unmatched essential guide to American houses This revised edition includes a section on neighborhoods expanded and completely new categories of house styles with photos and descriptions of each an appendix on Approaches to Construction in the 20th and 21st Centuries an expanded bibliography and 600 new photographs and line drawings *Southern Homes and Plan Books* Sarah J. Boykin, Susan M. Hunter, 2018-08-01 *Southern Homes and Plan Books* showcases the architectural legacy and design philosophy of Leila Ross Wilburn 1885 1967 a legacy that includes hundreds of houses in a variety of popular house styles from bungalows to ranch houses built using Wilburn's plan books during the first six decades of the twentieth century Wilburn opened her own firm in Atlanta in 1908 and practiced until her death in 1967 She published nine plan books that offered mail order house designs to contractors builders and prospective homeowners and allowed them the ease of choosing a preconceived design and construction plan Sarah J. Boykin and Susan M. Hunter provide a survey of the southern homes built from Wilburn's plan books examining Wilburn's architectural legacy and her achievements as a plan book architect The book provides beautiful photographs of houses built from her plans along with illustrations from the plan books themselves and other related documents from the time Readers can thus see how her designs were realized as individual houses and also how they influenced the development of some of the Atlanta area's beloved historical neighborhoods most notably Druid Hills Morningside Virginia Highland and Candler Park as well as the McDonough Adams Kings Highway MAK Historic District in Decatur Today Wilburn's houses are enjoyed as appealing historic homes and represent some of the richest examples of southern vernacular architecture to emerge from the plan book tradition *The House with Sixteen Handmade Doors: A Tale of Architectural Choice and Craftsmanship* Henry Petroski, 2014-05-05 An architectural whodunit that unlocks the secrets of a hand built home When Henry Petroski and his wife Catherine bought a charming but modest six decades old island retreat in coastal Maine Petroski couldn't help but admire its unusual construction An eminent expert on engineering history and design he began wondering about the place's origins and evolution Who built it and how What needs materials technologies historical developments and laws shaped it How had it fared through the years with its various inhabitants Sleuthing around dimly lit closets knotty pine wall panels and even a secret passage but never removing so much as a nail Petroski zooms in on the details but also steps back to examine the structure in the context of its time and place Catherine Petroski's beautiful photographs capture the clues and the atmosphere A vibrant cast of neighbors and past residents most notably the house's masterful creator an engineer turned folk architect become key characters in the story As the mystery unfolds revealing an extraordinary house and its environs this ode to loving design will leave readers enchanted and inspired
