Why Reading Books Still

Matters Martha C. Pennington, Robert P. Waxler, 2017-08-29 Bringing together strands of public discourse about valuing personal achievement at the expense of social values and the impacts of global capitalism mass media and digital culture on the lives of children this book challenges the potential of science and business to solve the world's problems without a complementary emphasis on social values The selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change The book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work

Lit Up David Denby, 2016-02-02 Denby sat in on a tenth grade English class in a demanding New York public school for an entire academic year and visited other schools He read all the stories poems plays and novels that the kids were reading and creates an impassioned portrait of charismatic teachers at work classroom dramas large and small and fresh and inspiring encounters with the books themselves Lit Up is a dramatic narrative that traces awkward and baffled beginnings but also exciting breakthroughs and the emergence of pleasure in reading Denby reaffirms the power of great teachers and the importance and inspiration of great books

[American Audacity: In Defense of Literary Daring](#) William Giraldi, 2018-08-21 One of the most gifted literary essayists of his generation defends stylistic boldness and intellectual

daring in American letters Over the last decade William Giraldi has established himself as a charismatic and uncompromising literary essayist a literature besotted Midas of prose Cynthia Ozick Now American Audacity gathers a selection of his most powerful considerations of American writers and themes a gorgeous fury of language and sensibility Walter Kirn including an introductory call to arms for twenty first century American literature and a new appreciation of James Baldwin s genius for nonfiction With potent insights into the storied tradition of American letters and written with a commitment to the dynamism and dimensions of language American Audacity considers giants from the past Herman Melville Edgar Allan Poe Harper Lee Denis Johnson some of our most well known living critics and novelists Harold Bloom Stanley Fish Katie Roiphe Cormac McCarthy Allan Gurganus Elizabeth Spencer as well as those cultural literary themes that have concerned Giraldi as an American novelist bestsellers the problem of Catholic fiction the art of hate mail and his viral essay on bibliophilia Demanding that literature be audacious and urgent in its convictions American Audacity is itself an act of intellectual daring a compendium shot through with Giraldi s emboldened and emboldening critical voice Sven Birkerts At a time when literature is threatened by ceaseless electronic bombardment Giraldi argues that literature must do what literature has always done facilitate those silent spaces remain steadfastly itself in its employment of slowness interiority grace and in its marshaling of aesthetic sophistication and complexity American Audacity is ultimately an assertion of intelligence and discernment from a maker of perfectly paced prose The New Yorker a book that reaffirms the pleasure and wisdom of the deepest literary values

Cineaste on Film Criticism, Programming, and Preservation in the New Millennium Cynthia Lucia,Rahul Hamid,2017-11-01 Digital technology and the Internet have revolutionized film criticism programming and preservation in deeply paradoxical ways The Internet allows almost everyone to participate in critical discourse but many print publications and salaried positions for professional film critics have been eliminated Digital technologies have broadened access to filmmaking capabilities as well as making thousands of older films available on DVD and electronically At the same time however fewer older films can be viewed in their original celluloid format and newer digitally produced films that have no material prototype are threatened by ever changing servers that render them obsolete and inaccessible Cineaste one of the oldest and most influential publications focusing on film has investigated these trends through a series of symposia with the top film critics programmers and preservationists in the United States and beyond This volume compiles several of these symposia Film Criticism in America Today 2000 International Film Criticism Today 2005 Film Criticism in the Age of the Internet 2008 Film Criticism The Next Generation 2013 The Art of Repertory Film Exhibition and Digital Age Challenges 2010 and Film Preservation in the Digital Age 2011 It also includes interviews with the late celebrated New Yorker film critic Pauline Kael and the critic John Bloom Joe Bob Briggs as well as interviews with the programmers curators Peter von Bagh and Mark Cousins and with the film preservationist George Feltenstein This authoritative collection of primary source documents will be essential reading for scholars students and film enthusiasts

Teens Choosing to Read

Gay Ivey, Peter Johnston, 2023 In a sea of troubling reporting about education teaching reading and the wellbeing of teens Ivey and Johnston bring some good news that shows what happens when we stop underestimating young people This accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers These youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives This amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so These students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process This illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature The text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship Book Features Links young adults reading engagement with socio emotional and intellectual development Provides nuanced descriptions of teaching practices that facilitate student agency in learning Features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances Connects student perspectives on reading with positive outcomes of reading to research from other disciplines Illuminates the breadth and depth of the responsibilities of teaching English language arts
