Nice Book New Asceticism Sarah Coakley:

The New Asceticism Sarah Coakley, 2015-11-05 Sarah Coakley draws both liberal and conservative camps into a new and serious reflection on ascetical theology. Each chapter of *The New Asceticism* concentrates on a contentious issue in contemporary theology: the role of women in the churches, homosexuality and the priesthood, celibacy and the future of Christian asceticism in an original thesis about the nature of desire which may start to heal many contemporary wounds. Professor Coakley is as familiar with the Bible and the Early Fathers as she is with the writings of Freud and Jung and she draws heavily on Gregory of Nyssa's theology of desire in what she proposes. She points the way through the false modern alternatives of repression and libertinism, agape and eros, recovering a way in which desire can be freed from associations with promiscuity and disorder and forging a new ascetical vision founded in the disciplines of prayer and attention.

Aquinas's Eschatological Ethics and the Virtue of Temperance Matthew Levering, 2019-11-15 Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars. In *Aquinas's Eschatological Ethics and the Virtue of Temperance* Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit. Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities. He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing. Without the context of the inaugurated kingdom, Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance, the focus of Levering's book. After an opening chapter on the eschatological biblical character of Catholic ethics, the ensuing chapters engage Aquinas's theology of temperance in the *Summa theologiae* which identifies and examines a number of virtues associated with temperance. Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature. The book develops new vistas for scholars and students interested in moral theology.

Theology Alister E. McGrath, 2017-09-12 This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates, and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an interconnected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms. *Moral Passion and Christian Ethics*

Robin Gill,2017-03-06 Using a range of disciplines this book explores the relationship between moral passion and rational ethical deliberation *Consecrated Celibacy* Christine Barnabas,2022-08-15 A unique and engaging resource for all who feel drawn to explore a calling to consecrated celibacy and know that life in a traditional religious order is not for them

Ascetic Practices in Japanese Religion Tullio Federico Lobetti,2013-09-11 Ascetic practices are a common feature of religion in Japan practiced by different religious traditions This book looks at these ascetic practices in an inter sectarian and inter doctrinal fashion in order to highlight the underlying themes common to all forms of asceticism It does so by employing a multidisciplinary methodology which integrates participant fieldwork the author himself engaged extensively in ascetic practices with a hermeneutical interpretation of the body as the primary locus of transmission of the ascetic embodied tradition By unlocking this bodily data the book unveils the human body as the main tool and text of ascetic practice This book includes discussion of the many extraordinary rituals practiced by Japanese ascetics The Transcendence of Desire

Tom James,David True,2023-11-28 The secular age is not a smooth untroubled process of accumulation and advance but an uneven and unpredictable series of clashes of interest Charles Taylor s immanent frame cannot be construed merely as a phenomenon within religion and culture but urgently needs to be understood in political and economic terms i e as a class project The failure of the secular vividly displayed in the crumbling legitimacy of global institutions and in the spectacle of police violence both calls for and makes possible a renewal of political agency Tom James and David True argue that a theology of the cross has a distinctive potential today it can pierce the sacred aura of normalcy around the consensual anti politics of the neoliberal order so that a vision of a world beyond today s racialized capitalism can emerge But they contend that we don t need to forsake the emancipatory aims of modernity nor retreat to local communities As an alternative to these weak strategies theyoffer a constructive and cruciform account of political agency that includes both prophetic resistance and practical wisdom each embedded in contemporary struggles for freedom that they argue embody divine desire for a common world **The Goldilocks God** Guy Collins,2022-08-22 The Goldilocks God Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism Can Christianity be intellectually credible Why do our past failures and breakages offer comfort and hope How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the mystery of God **Pursuing Perfection** Maja Whitaker,2025-03-28 The pursuit of bodily

perfection is a cultural impetus persistent throughout history which has become a dominating force in modern Western culture where the image you present to the world on social media counts for everything A new generation of theologians are

wrestling with these issues in their everyday lives and their areas of scholarship There is they argue a real need for an interdisciplinary work that is academically robust and practically meaningful to our cultural moment **Sisters, Mothers, Daughters: Pentecostal Perspectives on Violence against Women** ,2022-06-13 This volume explores issues and themes related to violence against women It is distinctive in two ways First the editors have convened an international cohort of contributing scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from their pneumatology their theology of the Holy Spirit Second this book represents quite simply the first sustained effort to bring together in one volume Pentecostal voices from a variety of academic disciplines ecclesial traditions and cultural situations to address the urgent issues associated with violence toward women **Hope for the Oppressor** Patrick Oden,2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg J rgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community *Exhortation to the Monks by Hyperechios* ,2024-07-23 Hyperechios sayings deserve to be known better and making them available in English translation makes them fully accessible to scholars readers of all abilities Greg Peters American Benedictine Review S tellar scholarship a marvel This volume is a great basis for lectiodivina for a retreat for a class in the spiritual life and its vision and tools Michael Plekon Cistercian Studies Quarterly Hyperechios s Exhortation to the Monks for the first time in English translation Hyperechios is a little known monk of the fourth to fifth centuries who is thought to have lived in Roman Palestine possibly coastal Sinai He wrote the Exhortation to the Monks 160 short sayings much like the apophthegmata or sayings of the desert fathers and mothers but also structurally very different most of the sayings are two lines of poetry that offer instruction The Exhortation and early Christian monastic writings in general teach that a spiritual life requires a life of training and practice individually and as a neighbor and friend within one s community This volume studies Hyperechios s Exhortation to better understand the moral and spiritual values in a fourth to fifth century Christian monastic community while reflecting also on how these are contemporary with the modern day Drawing on modern works by scholars and placing the Exhortation in conversation with contemporary writers on the spiritual life Tim Vivian

begins with an introduction about Hyperechios his location the text then a lengthy reflection on spiritual matters He follows this with an English language translation of the Exhortation and the Greek text both accompanied by footnotes that offer biblical and patristic cross references Exhortation to the Monks by Hyperechios will be of interest to scholars and general readers of early Christianity early monasticism and Christian spirituality both ancient and contemporary *Christian Flesh* Paul J Griffiths, 2018-09-25 A brilliant and provocative work demonstrating the centrality of the flesh to the mysteries and doctrines of the Christian faith Carol Zaleski Smith College A sustained and systematic theological reflection on the idea that being a Christian is first and last a matter of the flesh *Christian Flesh* shows us what being a Christian means for fleshly existence Depicting and analyzing what the Christian tradition has to say about the flesh of Christians in relation to that of Christ the book shows that some kinds of fleshly activity conform well to being a Christian while others are in tension with it But to lead a Christian life is to be unconstrained by ordinary ethical norms Arguing that no particular case of fleshly activity is forbidden Paul J Griffiths illustrates his message through extended case studies of what it is for Christians to eat to clothe themselves and to engage in physical intimacy In this trenchant and careful theological treatment of our embodiment Paul Griffiths puts the stress exactly where it should be put on the possibility of transfigured touch By focusing on the varieties of touch he is able to untangle several unfortunate arguments between liberals and conservatives in a most refreshing way John Milbank University of Nottingham Very few theologians can boast a comparable combination of profound questioning and precise reasoning This is a book worthy of the most serious reflection debate and admiration David Bentley Hart Notre Dame Institute for Advanced Study Supremely lucid and beautifully austere Evan Sandmark *Modern Theology* A model of well reasoned stimulating and enduring theology R David Nelson *International Journal of Systematic Theology* *It Works* Philip John Halstead, Angelika Halstead, 2025-07-17 Do you feel stuck on your journey toward spiritual and psychological growth Do you desire to deepen your insights from God's word develop a more intimate prayer life and relate to your Creator in a more meaningful way Then this book is for you It offers a wide ranging creative and practical map of spiritual practices that will help you to understand yourself draw closer to God and encourage psycho spiritual transformation Readers of this book will learn how to listen with their minds and hearts to Scripture to awaken to the sacredness and beauty found in nature and to receive and return God's loving gaze As readers make their way through this book and adopt some of these practices to their own lives they will discover that every moment of life holds possibilities for spiritual vitality and further growth They will expand their understanding of how to engage with the Divine in a way that leads to deeply satisfying communion

Singleness and Marriage after Christendom Lina Toth, 2021-07-28 Momentous change is taking place in Western societies and churches Singleness is on the rise along with growing interest in different pathways to human happiness However we still largely consider coupledness as the norm and a symbol of the good life This is especially true in the Christian context where the decline of traditional marriage and family patterns is often presented as an erosion of the Christian way of

living Yet when the church was very young the world was also very concerned with the demise of traditional family ways but the culprits accused of destroying family values were none other than Christians A considerable number of them willingly chose to forego marriage embracing Jesus's vision of a new kind of a family the church This book follows the changes in the practice of marriage and singleness from those early days of the Christian movement to our modern preoccupation with romance and coupledness as essential ingredients of a happy fulfilled life It argues that the current surge in the number of single people is actually an opportunity for us to reconsider both singleness and marriage in the larger context of a community of faith

Indian Asceticism Carl Olson, 2015 Throughout the history of Indian religions the ascetic figure is most closely identified with power A byproduct of the ascetic path power is displayed in the ability to fly walk on water or through dense objects read minds discern the former lives of others see into the future harm others or simply levitate one's body These tales give rise to questions about how power and violence are related to the phenomenon of play Indian Asceticism focuses on the powers exhibited by ascetics of India from ancient to modern time Carl Olson discusses the erotic the demonic the comic and the miraculous forms of play and their connections to power and violence He focuses on Hinduism but evidence is also presented from Buddhism and Jainism suggesting that the subject matter of this book pervades India's major indigenous religious traditions The book includes a look at the extent to which findings in cognitive science can add to our understanding of these various powers Olson argues that violence is built into the practice of the ascetic Indian Asceticism culminates with an attempt to rethink the nature of power in a way that does justice to the literary evidence from Hindu Buddhist and Jain sources

Religious Intimacies Mary Dunn, Brenna Moore, 2020-11-03 An essay collection that demonstrates how emotional ties and intimate affiliations remain critical to the dimensions of modern Christianity Scholars of religion have come a long way since William James famously made of religion a matter between man and his maker For decades now they have been attentive to the ways in which religion takes shape as the product of broad social forces focusing on the dynamics of power and culture as heuristics for understanding religious phenomena and experience What however might they be missing by moving too quickly from one interpretative extreme to the other and what might we learn about religion by staying in the interstitial space between the individual in her solitude and society as a whole Religious Intimacies edited by Mary Dunn and Brenna Moore brings together nine scholars of modern Christianity to probe this in between space In essays that range from treatments of Jesuit indigenous relations in early modern Canada to the erotics of contemporary black theology each contributor makes the case for the study of the presence and power of affective ties and relational dynamics between friends lovers and intimate others even things as vital to the understanding of religion These thoughtful and probing essays convincingly show that ties built upon affect family and shared convictions have continued to inform lived religious experience in modern times and shape western Christianity in significant sometimes surprising ways

Jodi Bilinkoff University of North Carolina at Greensboro A rich collection of essays that use intimate relationships to chart a

course between solitude and society Tamsin Jones Trinity College *The Broken Body* Sarah Coakley, 2024-05-06 A fascinating collection of essays exploring a fresh contemporary approach to the person and doctrine of Jesus Christ How should Christians think about the person of Jesus Christ today In this volume Sarah Coakley argues that this question has to be broken open in new and unexpected ways by an awareness of the deep spiritual demands of the christological task and its strikingly apophatic dimensions by a probing of the paradoxical ways in which Judaism and Christianity are drawn together in Christ even by those issues which seem to break them most decisively apart and by an exploration of the mode of Christ's presence in the eucharist with its intensification breaking and re-gathering of human desires In this sequel to her celebrated earlier volume of essays *Powers and Submissions* Coakley returns to its unifying theme of divine power and contemplative submission and weaves a new web of christological outcomes which remain replete with controversial implications for gender spirituality and ethics *The Broken Body* will be of interest to those working in the fields of systematic theology philosophy of religion early Christian studies Jewish Christian relations and feminist and gender theory Fusing biblical and patristic theology analytic philosophy and spiritual tradition Sarah Coakley has produced a fascinating inspiring and compelling account of Christ's identity and its importance for questions of life Professor Mark Wynn University of Oxford Coakley argues that good Christology arises only from intellectual and spiritual postures learnt by encountering Christ openly This volume subtly and powerfully facilitates such encounter with God and in him with our neighbours especially the Jewish people Professor Judith Wolfe University of St Andrews Everything we have come to expect from Sarah Coakley is here in this extraordinary collection wonderful clarity startling and fruitful comparisons within and beyond the theological canon a brisk defiance of feminist conventions that in turn sharpens and deepens feminist analysis a resistance to cheap theological certainties and an abiding faithfulness anchored in Christ borne aloft by the Spirit Christology is here shown to embrace abjection and jouissance to advocate sacrifice that is itself the end of patriarchal violence and to demand a eucharistic sharing that is incomplete without solidarity to the outcast and the poor themselves the face of the living Christ In these essays Coakley exemplifies the semiotic richness of priest and scholar a breaking open of theological reserves that will transgress startle renew instruct This is sacrifice re-made Professor Katherine Sonderegger Virginia Theological Seminary

Knowing and Being Known Erin F. Moniz, 2025-05-06 I can live without sex but I can't live without intimacy In today's landscape of digital interactions many people long for deeper connections We have a desire to move from being lonely and disconnected in our relationships to be seen known and wholly loved From friendships to romantic relationships meaningful and genuine personal connections remain our heart's desire College chaplain Rev Erin Moniz is deeply attuned to the questions and concerns of today's emerging adults In *Knowing and Being Known* she explores the essential elements of healthy relationships addresses the complexities of intimacy and shines a light on the barriers that can impede genuine connection With her compelling storytelling and expert insights from her research with emerging adults she emphasizes the
