South Asian Pornographies Darshana Sreedhar Mini, Anirban K. Baishya, 2024-06-21 South Asian Pornographies is the first consolidated volume that explores the relationships between pornography obscenity law and desire in South Asia. Focusing on case studies from India Sri Lanka and Bangladesh while gesturing towards other countries in South Asia the authors of this volume come from fields as varied as history literature media and communication and the visual arts. The book proposes that as a geo political location South Asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms finding reflection in various modes of popular and sometimes underground culture bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural identities rather than identity this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies Cultural Studies Film Studies History Sociology and Social and Cultural Anthropology. The chapters in this book were originally published in the journal Porn Studies.

Pornistan Aditya Gautam, 2018-07-20 Do you know what porn does to you? We all know what it does to our body but what about our mind? Internet porn: endless variety of hardcore sexual videos streaming at the click of a button. We have all seen it. Our intimate partners have seen it. Most kids by the time they are eleven have seen it too. Why do we humans watch porn in the first place? What role is porn playing in the Indian sexual revolution? Is porn spicing up or ruining our relationships? Should parents let their kids watch porn? Can watching porn make us promiscuous or affect a man's libido? Should we ban porn? Is internet porn hindering or facilitating the sexual liberation of Indian women? Pornistan answers these and tells you everything else you absolutely must know in today's porn-induced sexual culture. Interviews with India's leading experts, latest studies and experiments from around the world, statements from world famous porn stars, scientists and doctors, some incredibly relatable short stories and some amazing illustrations. Pornistan will entertain you, shock you, inform you and leave you with a deeper understanding of how human sexuality works. Pornistan: the sex education you didn't receive at school.
