optionsXpress.com I traded in the OEX pit for almost twenty years and I can't believe how well George and Tom nailed the core strategies and trading intricacies of index products. Nice job Tom Sosnoff CEO thinkorswim Inc. Education has been a major factor in the explosive growth in the options markets. Once again Fontanills and Gentile have delivered as leaders in options education with The Index Trading Course and The Index Trading Course Workbook. These books provide a disciplined approach to trading index and ETF options through risk management. Christopher Larkin Vice President U.S. Retail Brokerage E-TRADE Securities LLC www.etrade.com options I found The Index Trading Course and The Index Trading Course Workbook to be filled with useful and practical information on options, ETFs, the market, and trading in general. They explain the unique characteristics of these instruments in understandable terms and should provide a good foundation to those interested in trading index options and options on ETFs. The quizzes and media assignments in the Workbook are wonderful learning tools that help reinforce the information and concepts presented in the main book.
