now Seeing Jesus doesn't just speak with prophetic hope for what your future will eventually mean; it actually identifies your present hang-up points and gives clear actions/solutions that empower you to step into your future now. Seeing Jesus is full of fresh insights, revelatory passages and scriptural exposition of authentic fivefold ministry that creates a pathway to the radical, now a place of unadulterated discipleship and unimpeded church life. With a strong biblical foundation and straightforward sense of your world, pastor and author Ron Larson pinpoints the mission and condition of the Church, ignites your God-given passion for truth and releases the Body of Christ into its intended destiny. Easy to digest yet thought-provoking, direct yet sensitive to the ministry of grace, Seeing Jesus is a manual for revolution, one that insists on seeing Christ's fullness immediately in the Church. It is a blueprint for restoring the shine of God's design to individuals and churches, one that gives clarity to leaders, unleashes the prophetic heart and restores wounded shepherds and sheep.

The Moody Handbook of Messianic Prophecy Michael Rydelnik, Edwin Blum, 2019-10-10

What does the Old Testament say about Jesus? Most of us hear an occasional messianic prophecy during Advent; we see Old Testament verses cited by New Testament authors and applied to Jesus, but we don't really know what passages in the Old Testament can be considered messianic, much less how to interpret some of the confusing ones. *The Moody Handbook of Messianic Prophecy* is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus. A collection of essays from Old Testament scholars, this work enables believers to understand the messianic nature of the Hebrew Bible like never before. You'll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages. Enjoy the delight of discovery as you look at familiar passages in a new light. Dig into the messianic prophecy today.

Prophets and the Prophetic Movement Dr. Bill Hamon, 1990-10-16

It's Time to Know And Understand. There is no doubt God is restoring the prophet today and that we are in the midst of a crucial prophetic movement. Therefore, there is a desperate need for apostolic wisdom, prophetic perspective and pastoral counsel to bring clarity, balance and understanding to these needed truths and ministries in the Church.

His Touch on the Mouths Seock-Tae Sohn, 2018-11-19

At Pentecost, there was no fire. The divided tongues like fire came down to each one of the disciples, and they spoke different languages so that all the people there could understand what they said without translators. In the OT times, God appointed his prophets by touching their mouths and putting his word into their mouths so that they might declare it to his people. Therefore, a prophet was the spokesman of God and is usually called the mouth of the Lord. Jesus called the Word, as well as God, came into this world as the great prophet for the ministry of the word. He taught the kingdom of God to his people and trained his disciples to be prophets after his departure. The risen Christ appointed his disciples to be prophets, giving them the ministerial task of the word and asking the Father to seal them as his prophets. Thus, the baptism of the Holy Spirit was the installation ceremony for the disciples to be the new covenant prophets, as it was for the prophets of OT times. The disciples were to go out to the ends of the earth to proclaim his word. Those baptized by water are simultaneously baptized by the Holy Spirit and

are given the office of the new covenant prophet *Prophetic Community* Kim M. Maas, 2019-08-20 All God's people have been given the ability not only to hear his voice but to speak his words Yet some still believe that the gift of prophecy ceased with the death of the New Testament apostles Others believe that gifts are reserved only for those specially anointed and appointed Grounded in Scripture international speaker and author Kim Maas will help you understand the history of the modern prophetic movement key misunderstandings and misconceptions about prophecy where prophetic community fits into God's kingdom plan When the body of Christ recognizes that we are called to be a prophetic community the voice of God will be released with fresh power in the church and the family in the halls of justice and of education in places of business and of leisure and in the streets of every neighborhood city and nation Lives will be changed Communities will be transformed Culture will be influenced And history will be made **Almost a Mormon** Adam Dommeyer, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and you'll soon realize your own story is about to unfold before your very eyes You're about to meet and encounter the One True God *The Prophets* Brian Simmons, 2025-04-01 The books of the Prophets abound with vivid prophecies astounding visions and comforting assurances of God's faithful love Isaiah foretells our Savior Jeremiah and Lamentations chronicle and mourn the fall of Jerusalem Ezekiel details glorious visions and Daniel shares stories of heroic faith and wisdom Joel Amos and Zephaniah proclaim the judgment and blessing of the day of Yahweh Hosea illustrates God's unconditional unceasing love and Jonah shows God's eagerness to forgive Obadiah Micah Nahum and Habakkuk vividly warn of Yahweh's wrath on injustice and economic exploitation while Haggai Zechariah and Malachi share hope from the postexilic era See God's eternal passion for justice and his heart of mercy watch his spectacular plan unfold and be empowered to live righteously today Yahweh is slow to anger and so rich in extravagant love for you Joel 2:13 *The Permanent Revolution* Alan Hirsch, Tim Catchim, 2012-01-06 A new brand of apostolic ministry for today's world *The Permanent Revolution* is a work of theological re imagination and re construction that draws from biblical studies theology organizational theory leadership studies and key social sciences The book elaborates on the apostolic role rooted in the five fold ministry from Ephesians 4 apostles prophets evangelists shepherds and teacher and its significance for the missional movement It explores how the apostolic ministry facilitates ongoing renewal in the life of the church and focuses on leadership in relation to missional innovation and entrepreneurship The authors examine the nature of organization as reframed through the lens of apostolic ministry Shows how to view the world through a biblical perspective and continue the permanent revolution that Jesus started Outlines the essential characteristics of apostolic movement and how to restructure the church and ministry to be more consistent with them Alan Hirsch is a leading voice in the missional movement of the Christian West This

groundbreaking book integrates theology sociology and leadership to further define the apostolic movement **Born to Prophecy** Hakeem Collins, 2013-11-08 Often Christians have trouble hearing the voice of God and question whether prophecy is still a valid gift in today's world As a result they are likely to experience discouragement fear doubt and frustration Born to Prophecy gives you a clear understanding of the role function and purpose of modern day prophets prophecy and prophetic ministry that is so desperately needed In addition it offers practical teaching to those who are called to speak as God's ambassadorial voice with authority love and confidence in Christ Combining foundational biblical truth with examples from the Old and New Testaments Hakeem Collins helps you Understand the biblical importance of the role and function of modern day prophets prophetic ministry and the supernatural gift of prophecy Discover your own prophetic voice gifts calling identity and potential so you can operate in the incredible power of the Holy Spirit that God has available for you Understand the responsibilities of the modern day prophet as well as the danger zones of false prophets and prophecy God still speaks today as He does in every generation and He wants to use your unique personality and voice to empower comfort edify encourage and bless your friends family church and the world **The Doctrine of the Holy Spirit** Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha *Faith and Order* Herbert Newell Bate, 1927 Is Paul also among the Prophets? Jeffrey W. Aernie, 2012-05-03 Aernie examines the prophetic material in the Old Testament and its relationship with the prophetic material in Second Temple Judaism Hellenism and the early Christian movement The subsequent analysis of 1 Corinthians constitutes an investigation of the effect of the Old Testament prophetic tradition on Paul's self presentation in 1 Cor 9 15 18 and rhetorical framework in 1 Cor 14 20 25 as a methodological foundation for the exegetical analysis of 2 Corinthians Aernie explores the influence of the Old Testament prophetic tradition on Paul's apostolic

self presentation and rhetoric in 2 Corinthians The analysis of Paul s self presentation examines the apostle s relationship with Moses the Isaianic servant and Jeremiah in order to define Paul s position with regard to the preceding prophetic tradition Aernie analyses Paul s argument in 2 Cor 2 14 16 4 1 6 6 14 7 1 12 1 10 then seeks to examine the influence of the Old Testament prophetic tradition on the formation of Paul s rhetorical framework Aernie s intention is to provide support for the notion that the particularly prophetic nature of Paul s apostolic persona affects both his self presentation and rhetorical agenda in 2 Corinthians

The Books of The Minor Prophets Brian Simmons,2024-11-05 The books of the Minor Prophets resound with fierce condemnations of injustice and stunning examples of Yahweh s persistent mercy Centuries old prophecies come to pass justice is served to corrupt leaders and the oppressed are delivered The book of Hosea presents an intimate allegory of God s love The books of Joel Amos and Zephaniah proclaim the judgment and blessing of the coming day of Yahweh The book of Jonah shows God s eagerness to forgive The books of Obadiah Micah and Nahum vividly warn of Yahweh s wrath on economic exploitation and the enemies of his people The book of Habakkuk discusses why evil sometimes prospers The books of Haggai Zechariah and Malachi share prophecies of encouragement from when God s people rebuilt the temple and reclaimed hope after decades in exile These twelve books balance justice and mercy inspiring us to live uprightly as we await the universal spiritual renewal and righting of wrongs Yahweh will bring one day I will keep watching for Yahweh to break through and I know my God will hear my cry Micah 7 7

Born from Lament Katongole, Emmanuel,2017 There is no more urgent theological task than to provide an account of hope in Africa given its endless cycles of violence war poverty and displacement So claims Emmanuel Katongole an innovative theological voice from Africa In the midst of suffering Katongole says hope takes the form of arguing and wrestling with God Such lament is not merely a cry of pain it is a way of mourning protesting and appealing to God As he unpacks the rich theological and social dimensions of the practice of lament in Africa Katongole tells the stories of courageous Christian activists working for change in East Africa and invites readers to enter into lament along with them

Monday Morning Preacher Roger Loomis,2022-04-14 Both pastors and local churches in today s America are facing unprecedented challenges Church attendance continues to decline with the average evangelical church now at 80 The reasons are multi faceted COVID 19 a growing anti Christian sentiment and of course Satan who is the Church s most

formidable enemy However many leave local churches due to in house issues that often go unidentified and overlooked Monday Morning Preacher discusses forty potential reasons most of them not talked about in Bible schools or seminaries Pastors are often left to navigate troubled waters alone and unsure Churches in general need a heads up regarding the many potentially problematic issues that surface and that precipitate back door exits Like Monday morning quarterbacks who review their post game strategies pastors need to revisit their Sunday morning service on Monday to celebrate their wins and to identify potential in house issues that need wise and righteous attention To identify and righteously confront these issues will mean healthier churches where perpetuity is assured Every pastor inexperienced or seasoned can benefit from Monday Morning Preacher and hopefully avoid some of the pitfalls that confront all pastors at some time during their ministry The chapters are brief and insightful all followed by questions that provide additional food for thought Pertinent observations and solutions are based on churches of less than two hundred However all pastors other church leaders and congregants can benefit from these insights that follow forty three years of pastoral ministry The evangelical world needs to read Monday Morning Preacher
