New Directions In Special Education Eliminating Ableism In Policy And Practice:

New Directions in Special Education Thomas Hehir, 2005-11-01 A comprehensive study that is also practical and realistic New Directions in Special Education outlines principles for decisionmaking about special education at every level from the family to the classroom school and district and for state and federal policy With this volume leading scholar and disability advocate Thomas Hehir opens a new round of debate on the future of special education Extending the conceptual framework developed in his seminal 2002 article in the Harvard Educational Review Eliminating Ableism in Education Hehir examines the ways that cultural attitudes about disability systematically distort the education of children with special needs and uses this analysis to lay out a fresh approach to special education policy and practice Hehir traces the roots of ableism the pervasive devaluation of people with disabilities and shows how negative attitudes continue to shape debates in the field He assesses recent trends in special education policy particularly the shift of emphasis from compliance to outcomes and discusses in depth the successes and limitations of the inclusion movement He also investigates the impact of standards based reforms on children with disabilities and critically examines the promise of Universal Design for Learning *Kids in the Middle* Marshall Strax, Carol Strax, Bruce S. Cooper, 2012-03-08 Children with disabilities their parents teachers administrators advocates attorneys and adult educators all have a key role to play in the micro politics of special education The children in the middle are pivotal in the growing special education saga This book brings together people with disabilities and others who advocate for their cause with expertise in special education law administration severe and profound disabilities ethics foundations finance teaching disability rights and culture All these people work together to develop an awareness that beyond the administrative aspects of special education and the Individuals with Disabilities Education Act IDEA are micro political issues that affect how children with disabilities are educated R sum de l diteur

Handbook of Effective Inclusive Schools James McLeskey, Fred Spooner, Bob Algozzine, Nancy, L. Waldron, 2014-05-16 Over the last decade the educational context for students with disabilities has significantly changed primarily as a result of mandates contained in NCLB and IDEA The purpose of this book is to summarize the research literature regarding how students might be provided classrooms and schools that are both inclusive and effective Inclusive schools are defined as places where students with disabilities are valued and active participants in academic and social activities and are given supports that help them succeed Effectiveness is addressed within the current movement toward multi tiered systems of support and evidence based practices that meet the demands of high stakes accountability **Exploring Education** Alan R. Reading Upside Down Deborah L. Wolter, 2015-06-26 *Reading Upside Down* offers a paradigm shift from achievement gaps to opportunity gaps in literacy instruction Drawing on the author's rich experiences working one on one with challenged readers this book presents case studies illustrating the complexities of student learning experiences and the unique circumstances that shaped their acquisition of literacy Wolter explores eight key factors that contribute to reading challenges in developing readers including school readiness the use of prescribed phonics based programs physical hurdles unfamiliarity with English and special education labeling With a focus on the differences that educators can make for individual students the text suggests ways to identify and address early opportunity gaps that can impact students throughout their entire educational career *Reading Upside Down* will help educators to Shift from identifying deficit based achievement gaps among students to addressing

opportunity gaps in literacy instruction Move beyond student labels categories or placements to provide true opportunities for children to explore and develop literacy Take a strength based view that students are in multiple places of exploration of language and literacies and all children can succeed in becoming readers Develop a strong sense of ownership and expertise in order to foster inclusion and assure authentic and engaged reading within their classrooms The book not only challenges the status quo but offers a rational alternative that would benefit every struggling reader I hope Reading Upside Down initiates a widespread movement to undo so much of what we have done in the name of helping children who struggle with learning to read Richard L Allington University of Tennessee Reading Upside Down is a powerful tool an eye opener a call to arms and a plan for action Wolter does a superb job not only identifying and addressing opportunity gaps in literacy instruction but also providing ways to begin fixing them Patricia A Edwards Ph D professor of teacher education Michigan State University and past president International Literacy Association **Education and Incarceration** Erica R.

Meiners, Maisha T. Winn, 2014-07-16 The United States of America is in possession of the largest prison population in the world with 2.3 million people currently behind bars This number is predominantly and disproportionately made up of communities of colour and poverty Between 1987 and 2007 the U S prison population tripled the direct result of various tough on crime public policies Organizers and scholars use the term prison industrial complex PIC to name the structure that encompasses the expanding economic and political contexts of the detention and corrections industry in the USA The PIC is a network that sutures capital communities and the State to a permanent punishment economy The term the PIC aims to capture the range of material and ideological forces that shape the growth of detention the political and lobbying power of the corrections officers unions the framing of prisons and jails as a growth industry in the context of deindustrialization the production and sales of technology and security required to maintain and expand the state of incarceration and the naturalization of isolation as a logical response to harm Education and Incarceration highlights the significance of centering agency and autonomy and documents scholars who work to be accountable to justice movements and communities not simply to academic disciplines or to research Additionally as emerging scholars committed to challenging the PIC these authors struggle to build multi layered analytic and material tools for resistance within and beyond the walls of schools jails and prisons This book provides snapshots of practices in motion activist scholars working to engage to be accountable to families communities and larger justice movements and to build abolition democracies This book was originally published as a special issue of Race Ethnicity and Education **Critical Readings in Interdisciplinary Disability Studies** Linda

Ware, 2020-03-13 This edited volume includes chapters on disability studies organized around three themes Theory Philosophy and Critique Informed by a range of scholars who may or may not fashion their work beneath the banner of disability studies in explicit terms it draws connections across a range of identities knowledges histories and struggles that may on the face of the text seem unrelated The chapters are cross categorical and interdisciplinary for purposes of

complicating disability studies across international contexts and multiple locations that consider practice oriented and intersectional approaches for analysis and advocacy This integrative approach heralds more powerful ways to imagine disability and the conversation on disability

Diversity's Promise for Higher Education Daryl G. Smith, 2015-06-01

Daryl G Smith has devoted her career to studying and fostering diversity in higher education She has witnessed and encouraged the evolution of diversity from an issue addressed sporadically on college campuses to a reality of the modern university experience In *Diversity's Promise for Higher Education* Smith brings together scholarly and field research relevant to the next generation of diversity work The book argues that achieving excellence in a diverse society requires increasing the institutional capacity for diversity while simultaneously working to understand how diversity is tied to better leadership positive change research in virtually every field student success accountability and more equitable hiring practices To become more relevant to society the nation and the world while remaining true to their core missions colleges and universities must continue to see diversity like technology as central not parallel to their work In *Diversity's Promise for Higher Education* Smith proposes a set of clear and realistic practices that will help colleges and universities locate diversity as a strategic imperative and pursue diversity efforts that are inclusive of the varied and growing issues apparent on campuses without losing focus on the critical unfinished business of the past In this edition which is aimed at administrators faculty researchers and students of higher education Smith emphasizes a transdisciplinary approach to the topic of diversity drawing on an updated list of sources from a wealth of literatures and fields The tables have been refreshed to include data on faculty diversity over a twenty year period and the book includes new information about gender identity stereotype threat student success the growing role of chief diversity officers the international emergence of diversity issues faculty hiring and implicit bias

Because of Race Mica Pollock, 2010-11-14

In *Because of Race* Mica Pollock tackles a long standing and fraught debate over racial inequalities in America's schools Which denials of opportunity experienced by students of color should be remedied Pollock exposes raw real time arguments over what inequalities of opportunity based on race in our schools look like today and what if anything various Americans should do about it Pollock encountered these debates while working at the U S Department of Education's Office for Civil Rights in 1999 2001 For more than two years she listened to hundreds of parents advocates educators and federal employees talk about the educational treatment of children and youth in specific schools and districts People debated how children were spoken to disciplined and ignored in both segregated and desegregated districts and how children were afforded or denied basic resources and opportunities to learn Pollock discusses four rebuttals that greeted demands for everyday justice for students of color inside schools and districts She explores how debates over daily opportunity provision exposed conflicting analyses of opportunity denial and harm worth remedying *Because of Race* lays bare our habits of argument and offers concrete suggestions for arguing more successfully toward equal opportunity
