The Hidden History of Coined Words Ralph Keyes, 2021 Written by one of the country's most experienced and entertaining etymological detectives The Hidden History of Coined Words provides a delightful excavation into the process by which words became minted Not only does Ralph Keyes give us the who what where of it all but delights in stories that reveal the mysteries of successful coinage

The Language Wars Henry Hitchings, 2025-06-25 The English language is a battlefield Since the age of Shakespeare arguments over correct usage have been bitter and have always really been about contesting values morality politics and class The Language Wars examines the present state of the conflict its history and its future Above all it uses the past as a way of illuminating the present Moving chronologically the book explores the most persistent issues to do with English and unpacks the history of proper usage Where did these ideas spring from Who has been on the front lines in the language wars The Language Wars examines grammar rules regional accents swearing spelling dictionaries political correctness and the role of electronic media in reshaping language It also takes a look at such details as the split infinitive elocution and text messaging Peopled with intriguing characters such as Jonathan Swift Lewis Carroll and Lenny Bruce The Language Wars is an essential volume for anyone interested in the state of the English language today or its future

Myth-Busting in Science and Religion Jim Slagle, 2025-07-14 Science and religion is one of those subjects where everyone knows a lot of things that just ain't so This is because of the numerous urban legends about how the two fields have interacted historically and how they do so today These false beliefs are ubiquitous in Western civilization especially in academia prompting many people to oversimplify the issues This book corrects many of these urban legends and confusions involving premodern cosmology the alleged persecution or even martyrdom of scientists for discoveries that challenged the religious status quo the history and nature of biological evolution the potential discovery of rational extraterrestrial life and whether miracles would somehow conflict with the laws that science has discovered As one might expect reality turns out to be much more complex than the stories suggest

In a Manner of Speaking Colin McNairn, 2015-04-28 What do the whole kit and caboodle the whole shebang the whole megillah the whole enchilada the whole nine yards the whole box and dice and the full Monty have in common They're all expressions that mean the entire quantity and they're all examples of the breadth and depth of the English speaking world's vocabulary From the multitude of words and phrases in daily use the author of this delightful exploration into what we say and why we say it zeroes in on those expressions and sayings and their variations that are funny quirky just plain folksy or playfully dressed up in rhyme or alliteration Some may have become clichés that as it's said with tongue in cheek should be avoided like the plague Others have been distorted deemed politically incorrect or shrouded in mystery and must bear some explanation Among the topics the author delves into are expressions that shouldn't be taken literally dressed to kill and kick

the bucket foreign expressions that crept into English *carte blanche* *carpe diem* and *que sera sera* phrases borrowed from print ads and TV commercials where there s life there s Bud and where the rubber meets the road animal images a barrel of monkeys and chasing your tail and food and drink cast your bread upon the water chew the fat bottom s up and drink as a lord Here s a book for everyone who delights in the mysteries of language and the perfect gift for all the wordies in your life

Language and Metadrama in Major Barbara and Pygmalion Jean Reynolds, 2022-02-28 This book focuses on two important topics in Shaw s Major Barbara and Pygmalion that have received little attention from critics language and metadrama If we look beyond the social political and economic issues that Shaw explored in these two plays we discover that the stories of the two Shavian sisters Barbara Undershaft and Eliza Doolittle are deeply concerned with performance and what Jacques Derrida calls the problem of language Nearly every character in Major Barbara produces directs or acts in at least one miniature play In Pygmalion Henry Higgins is Eliza s acting coach and phonetics teacher as well as the star of an impromptu open air phonetics show The language content in these two plays is just as intriguing Did Eliza Doolittle have to learn Standard English to become a complete human being Should we worry about the bad grammar we hear at Barbara Undershaft s Salvation Army shelter Is English losing its precision and purity Meanwhile in the background Shaw keeps reminding us that language and theatre are always present in our everyday lives sometimes serving as stabilizing forces and sometimes working to undo them

Failure to Communicate Roger Kreuz, 2023-04-10 Why didn t they understand me I was as clear as I could be Everyone has had this thought at one time or another Research from the fields of psychology and cognitive science can provide concrete answers to these questions In Failing to Communicate Dr Roger Kreuz explores the answers to these questions We are exposed to the dangers of miscommunication early in life As children we play the Telephone Game and learn an important lesson about the fragility of long communication chains And as adults we are constantly on the lookout for misunderstanding People interrupt each other on average about every ninety seconds in order to check their understanding Despite such vigilance however a great deal of what is said and written is not understood as intended Miscommunication has led to military defeats the loss of spacecraft and even more tragically accidents that cost human lives It plays a role in road rage and social media feuds It haunts the courtroom the boardroom and the singles bar Failing to Communicate includes dozens of such examples and explains them in light of what researchers have discovered about how communication works and why it so often fails Research from psychology and cognitive science has revealed a host of specific factors that

contribute to misunderstanding Some of these have to do with how our minds make sense of what we hear and read while others are the result of cognitive social and cultural factors The very structure of a given language can be problematic as well In short there is no one reason for miscommunication there are a host of underlying causes Issues of misunderstanding have only multiplied as new mediums for communication have arisen Emails texts and social media posts are even more problematic because they are impoverished modes of communication Without facial cues tone of voice gestures and even the creative use of silence our intentions in these text only mediums are even more likely to go awry Failing to Communicate is intended to appeal from beginning to end to the general reader who wants to know more about why our attempts at communication fail so often **Holy Sh*t** Melissa Mohr,2013-05-30 A humorous trenchant and fascinating examination of how Western culture s taboo words have evolved over the millennia **Woe Is I** Patricia T. O'Conner,2010-07-27 Former New York Times Book Review editor and linguistic expert O Conner updates her bestselling guide to grammar an invigorating and entertaining dissection of our ever evolving language Publishers Weekly In this new edition of Woe Is I Patricia T O Conner unties the knottiest grammar tangles and displays the same lively humor that has charmed and enlightened grateful readers for years With new chapters on spelling and punctuation and fresh insights into the rights wrongs and maybes of English grammar and usage Woe Is I offers down to earth explanations and plain English solutions to the language mysteries that bedevil all of us The New York Times Practical Guide to Practically Everything, Second Edition Amy D. Bernstein,Peter W. Bernstein,2009-11-24 All the wisdom of The New York Times experts in every field is packed into one comprehensive volume that has been completely revised and updated Illustrations throughout Story Structure: The Key to Successful Fiction William Bernhardt,2020-05-26 Writing is structure William Goldman said but too often aspiring writers plunge into their work without grasping this fundamental principle Story structure is one of the most important concepts for a writer to understand and ironically one of the least frequently taught In this book New York Times bestselling author William Bernhardt explains the elements that make stories work using examples spanning from Gilgamesh to The Hunger Games In each chapter he introduces essential concepts in a direct and easily comprehended manner Most importantly Bernhardt demonstrates how you can apply these ideas to improve your own writing William Bernhardt is the author of more than fifty books including the blockbuster Ben Kincaid series of legal thrillers and The Last Chance Lawyer Bernhardt is also one of the most sought after writing instructors in the nation His programs have educated many authors now published by major houses He is the only person to have received the Southern Writers Gold Medal Award the Arrell Gibson Lifetime Achievement Award the Royden B Davis Distinguished Author Award U Penn and the H Louise Cobb Distinguished Author Award OSU which is given in recognition of an outstanding body of work that has profoundly influenced the way in which we understand ourselves and American society at large The Red Sneaker Writing Center is dedicated to helping writers achieve their literary goals What is a red sneaker writer A committed writer seeking useful instruction and

guidance rather than obfuscation and attitude Red sneakers get the job done and so do red sneaker writers by paying close attention to their art and craft committing to hard work and never quitting Are you a red sneaker writer If so this book is for you Sizzling Style: Every Word Matters William Bernhardt,2014-04-16 Sizzling Style is what distinguishes a spellbinding book from an ordinary one The writer who understands the fundamentals of fictional writing style knows how to capture readers and never let them go Too often aspiring writers are frustrated by rejection not realizing that the problem is not the story but the way they are telling it In this book bestselling author William Bernhardt brings his down to earth approach to the subject of style revealing everything you need to know to write with the art and craft of a seasoned professional Bernhardt goes beyond memorizing rules to a fresh approach a philosophy of writing that will transform your work and take it to a higher level Because as William Goldman famously said No one really knows what will be commercial but everyone knows good writing from bad writing The book also includes exercises designed to help writers apply this approach to their own writing What Writers Need to Know: Essential Topics William Bernhardt,2020-01-21 In this volume William Bernhardt tackles essential topics that while smaller in scope are nonetheless necessary to a contemporary author s survival How do you create a memorable series character Should you write in the first person What does Show don t tell really mean How do you add suspense Bernhardt also discusses legal issues confronting writers and marketing concerns such as the all important book description for online sales pages Bernhardt tackles these eleven topics with his usual direct no nonsense style telling writers what they need to know without wasting their time Thinking Theme: The Heart of the Matter William Bernhardt,2017-11-14 Why do some books linger in memory long after they are read Why are some books reread recommended shared in the classroom How can you add your book to this distinguished company The key is theme giving your story a dynamic idea that lends it power and purpose William Bernhardt explains what theme is how it is best revealed and how to find the theme that handled correctly will distinguish your book from all the others Plus in the final chapter Bernhardt explains how your book can have a positive impact on the world in which you live
