James Comper Gray

Orion Desk Manual:

The Orion Protocol Steve Strickland, 2010-12 As operative Daniel Stryker impresses CIA with his efficiency yet again he is roped into the most top secret mission of all time The Orion Protocol Despite his painful past and desire to retire he is bound by duty flag and honor to see his assignment to the end but little does he know the strings of that assignment are being pulled by another FBI Director Charles Landon is intimidating at best and threatening at worst but then again everything he has worked for rides on the success of The Orion Protocol The question is will it actually succeed this time If Landon's asset follows his orders it will Adam Sinyard doesn't exist at least not to the highest intelligence agencies in the world and if they don't know you're alive who does This ex CIA operative knows the benefit of invisibility It's opened more doors for him than CIA ever could have but when he unwittingly uncovers an insidious plot of world dominion he must re-evaluate his motives and choose a side The lives of these three men are intricately woven and have been for years They just don't know it yet Now they knot together in The Orion Protocol a clandestine society plotting a coup to establish world peace But when the wrong man is given too much power what begins as a noble cause quickly turns into a diabolical mission littered with deception and death a collision course that will shake the foundations of the Judeo Christian world
