Appropriating Shakespeare Brian Vickers, 1994-01-01 During the last two decades new critical schools of Shakespeare scholarship have emerged each with its own ideology each convinced that all other approaches are deficient This controversial book argues that in attempting to appropriate Shakespeare for their own purposes these schools omit and misrepresent Shakespeare's text and thus distort it Brian Vickers describes the iconoclastic attitudes emerging in French criticism of the 1960s that continue to influence literary theory that language cannot reliably represent reality that literature cannot represent life that since no definitive reading is possible all interpretation is misinterpretation Vickers shows that these positions have been refuted and he brings together work in philosophy linguistics and literary theory to rehabilitate language and literature He then surveys the main conflicting schools in Shakespearean and other current literary criticism deconstructionism feminism new historicism cultural materialism and psychoanalytic Marxist and Christian interpretations describing the theoretical basis of each school both in its own words and in those of its critics Evaluating the resulting interpretations of Shakespeare he shows that each is biased and fragmentary in its own way The epilogue considers two related issues the attempt of current literary theory to present itself as a coherent system while at the same time wishing to evade accountability and the way in which different schools demonize their rivals thus adding an intolerant tone to much recent criticism

**Othello** Philip Kolin, 2013-01-11 Including twenty one groundbreaking chapters that examine one of Shakespeare's most complex tragedies *Othello* Critical Essays explores issues of friendship and fealty love and betrayal race and gender issues and much more

**The Globe Guide to Shakespeare** Andrew Dickson, 2016-09-06 With full coverage of the thirty nine Shakespearean plays including a synopsis full character list

stage history and a critical essay for each this comprehensive guide is both a quick reference and an in depth background guide for theatre goers students film buffs and lovers of literature Along with an exploration of the Bard s sonnets and narrative poems The Globe Guide to Shakespeare features fascinating accounts of Shakespeare s life and the Globe Theater itself with colorful details about each play s original performance This comprehensive guide includes up to date reviews of the best films and audio recordings of each play from Laurence Olivier to Baz Luhrmann Kozintsev to Kurosawa The Globe Guide to Shakespeare is the quintessential celebration of all things Shakespearian The Rough Guide to Shakespeare Andrew Dickson,2005 Featuring full coverage of all 38 plays this guide to the works of William Shakespeare includes a synopsis character list stage history and full critical essay for each play It also includes a brief summary of Shakespeare s life as well as an account of how each play was originally performed **Shakespearean Tragedy** A. C. Bradley,2021-01-01 These lectures are based on a selection from materials used in teaching at Liverpool Glasgow and Oxford and I have for the most part preserved the lecture form The point of view taken in them is explained in the Introduction I should of course wish them to be read in their order and a knowledge of the first two is assumed in the remainder but readers who may prefer to enter at once on the discussion of the several plays can do so by beginning at page 89 Any one who writes on Shakespeare must owe much to his predecessors Where I was conscious of a particular obligation I have acknowledged it but most of my reading of Shakespearean criticism was done many years ago and I can only hope that I have not often reproduced as my own what belongs to another Preface **Shakespearean Criticism** Lynn M. Zott,2002-08 The plays theme or focus of this volume includes King John Othello The Winter s Tale Revenge **Shakespeare and the Poetics and Politics of Relevance** Dymphna Callaghan,Sophie Chiari,2024-11-09 Four years on from George Floyd s murder this volume asks if and how Shakespeare might be relevant whether in performance in the classroom or in scholarship to the pressing issues of social and climate justice This question however is accompanied by the acute and uncomfortable recognition that there have been other consequences to the awakening of the world since Floyd s death including the call to cancel Shakespeare altogether This volume however is not an apology for Shakespeare but rather an engagement with him From the perspective of the scholars who contribute here questions about Shakespeare in our current context are not only deeply enmeshed with issues about his historical geographical and performance context and its attendant alterity but crucially also to the specifically literary forms and structures with which he worked Even as these essays resist the idea of a timeless universalist Shakespeare they insist upon the poetics the creative framework the specifically literary dimensions of the plays that cannot be reduced to any paraphrasable content These are precisely the features that facilitate and enable the relevance of Shakespeare s works even across the chasm of the centuries since he composed them *Shakespeare and Immigration* Ruben Espinosa,2016-04-01 Shakespeare and Immigration critically examines the vital role of immigrants and aliens in Shakespeare s drama and culture On the one hand the essays in this collection interrogate how the massive influx of

immigrants during the reign of Queen Elizabeth I influenced perceptions of English identity and gave rise to anxieties about homeland security in early modern England On the other they shed light on how our current concerns surrounding immigration shape our perception of the role of the alien in Shakespeare s work and expand the texts in new and relevant directions for a contemporary audience The essays consider the immigrant experience strangers and strangeness values of hospitality in relationship to the foreigner the idea of a host society religious refuge and refugees legal views of inclusion and exclusion structures of xenophobia and early modern homeland security In doing so this volume offers a variety of perspectives on the immigrant experience in Shakespearean drama and how the influential nature of the foreigner affects perceptions of community and identity and collection questions what is at stake in staging the anxieties and opportunities associated with foreigners Ultimately Shakespeare and Immigration offers the first sustained study of the significance of the immigrant and alien experience to our understanding of Shakespeare s work By presenting a compilation of views that address Shakespeare s attention to the role of the foreigner the volume constitutes a timely and relevant addition to studies of race ethics and identity in Shakespeare

Othello William Shakespeare,James Anthony,2023-09-27 Tackling Othello Easily understand every line and quickly master Shakespeare s daunting text Does Shakespeare s 400 year old language often leave you confused Do you wish there was an easier way to get to the heart of the story without tedious cross referencing Award winning Shakespearean author James Anthony unlocks each line of Othello via a modern versified retelling alongside the brilliant original empowering you to excel at this formidable text In this book you ll discover What each line of the complete original text means via a retelling printed directly below it The precise meaning of each character motive plot twist convoluted phrase and befuddling reference The rhythm and pacing Shakespeare uses to drive this classic story forward How to form your own views by understanding the hidden subtleties of Shakespeare s verse How to sail through exams by quickly and easily transforming your knowledge of the text Buy this Shakespeare Retold book today and enjoy Hamlet as you quickly learn this timeless masterpiece PRAISE FOR SHAKESPEARE RETOLD Schools and colleges will stamp and cheer with unrestrained gratitude and delight STEPHEN FRY Tackling Hamlet for The Royal Shakespeare Company is arguably the most daunting role for any actor For me learning the words was the easy part interpreting the nuances of the language and breathing life into the performance was brutally tough James Anthony s Shakespeare Retold would have helped me immensely For every line I d have had a lyrically identical modern day translation that I precisely understood helping reveal the emphasis and punch of each moment of my stage performance Every actor would benefit from this compelling translation PAAPA ESSIEDU

*The Life, Loves and Achievements of Christopher Marlowe, Alias Shakespeare* William Honey,1982 *Visions of Venice in Shakespeare* Laura Tosi,Shaul Bassi,2016-03-03 Despite the growing critical relevance of Shakespeare s two Venetian plays and a burgeoning bibliography on both The Merchant of Venice and Othello few books have dealt extensively with the relationship between Shakespeare and Venice Setting out to

offer new perspectives to a traditional topic this timely collection fills a gap in the literature addressing the new historical political and economic questions that have been raised in the last few years The essays in this volume consider Venice a real as well as symbolic landscape that needs to be explored in its multiple resonances both in Shakespeare's historical context and in the later tradition of reconfiguring one of the most represented cities in Western culture Shylock and Othello are there to remind us of the dark sides of the myth of Venice and of the inescapable fact that the issues raised in the Venetian plays are tremendously topical we are still haunted by these theatrical casualties of early modern multiculturalism

**The Oxford Companion to Shakespeare**, The Shakespearean World Jill L Levenson, Robert Ormsby, 2017-03-27 The Shakespearean World takes a global view of Shakespeare and his works especially their afterlives Constantly changing the Shakespeare central to this volume has acquired an array of meanings over the past four centuries Shakespeare signifies the historical person as well as the plays and verse attributed to him It also signifies the attitudes towards both author and works determined by their receptions Throughout the book specialists aim to situate Shakespeare's world and what the world is because of him In adopting a global perspective the volume arranges thirty six chapters in five parts Shakespeare on stage internationally since the late seventeenth century Shakespeare on film throughout the world Shakespeare in the arts beyond drama and performance Shakespeare in everyday life Shakespeare and critical practice Through its coverage The Shakespearean World offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance adaptation criticism and citation While each chapter is a freshly conceived introduction to a significant topic all of the chapters move beyond the level of survey suggesting new directions in Shakespeare studies such as ecology tourism and new media and making substantial contributions to the field This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists

William Shakespeare Harold Bloom, 2009 Presents a collection of critical essays on the works of William Shakespeare

Shakespeare Survey Allardyce Nicoll, 1996 An annual survey of Shakespearian study and production

Shakespeare, Italy, and Transnational Exchange Enza De Francisci, Chris Stamatakis, 2017-05-12 This interdisciplinary transhistorical collection brings together international scholars from English literature Italian studies performance history and comparative literature to offer new perspectives on the vibrant engagements between Shakespeare and Italian theatre literary culture and politics from the sixteenth to the twenty first century Chapters address the intricate two way exchange between Shakespeare and Italy how the artistic and intellectual culture of Renaissance Italy shaped Shakespeare's drama in his own time and how the afterlife of Shakespeare's work and reputation in Italy since the eighteenth century has permeated Italian drama poetry opera novels and film Responding to exciting recent scholarship on Shakespeare and Italy as well as transnational theatre this volume moves beyond conventional source study and familiar questions about influence location and adaptation to propose instead a new evolving paradigm of cultural interchange Essays in this volume ranging in

methodology from archival research to repertory study are unified by an interest in how Shakespeare's works represent and enact exchanges across the linguistic cultural and political boundaries separating England and Italy Arranged chronologically chapters address historically contingent cultural negotiations from networks intertextual dialogues and exchanges of ideas and people in the early modern period to questions of authenticity and formations of Italian cultural and national identity in the eighteenth and nineteenth century They also explore problems of originality and ownership in twentieth and twenty first century translations of Shakespeare's works and new settings and new media in highly personalized revisions that often make a paradoxical return to earlier origins This book captures defines and explains these lively shifting currents of cultural interchange

*Picturing Shakespeare* Jean-Louis CLARET, 2024-05-07 This study investigates the capacity of Shakespeare's texts obviously destined for stage performances to generate images and mental colours in the readers and in the spectators minds Such notions as *Ut pictura poesis* and the *paragone* are discussed in the first part of this book along with the function and nature of colours After considering the sets of correspondences and the major differences between texts and images the author presents and analyzes some of his own illustrations of Shakespearean characters Jean Louis Claret both a university professor specialized in Shakespeare's theatre and an illustrator proposes to shed light on the process that led him from the perusal of the written text to the visualization of visages The voice of poets is unconventionally called upon to shed light on the complex mechanisms he describes
