Healing Waters - Women's Bible Study Leader Guide

Melody Carlson, 2012-08-01 It is impossible to pass through life without experiencing some kind of hurt or loss. We all need healing at different points in our lives and often the path to healing is paved in some form of forgiveness and grace. In *Healing Waters*, the first study in the new Faith and Fiction Bible study series, popular Christian fiction author Melody Carlson draws upon her novels in the *Inn at Shining Waters* trilogy to invite women on an exciting journey toward healing. Using the stories, themes, and characters of the novels as a backdrop, this eight-week study explores the need for forgiveness and mercy in our lives and the role that second chances and new beginnings play in healing our spirits and our relationships. Through careful study of Psalm 103 and other selected Scriptures, women will gain new understanding and appreciation for God as the Lord who heals, recognize that God makes the journey with them, inviting them to experience divine love and mercy every step of the way, walk the roads of forgiveness and grace, learning how to embrace these gifts for themselves and their relationships, learn how to restore broken relationships and live in life-giving community, celebrate the God who loves second chances and who is devoted to transforming and blessing us with surprises and new beginnings. The Leader Guide provides leader helps and step-by-step session plan outlines for leading eight group sessions.

Someone To Tell It To: Sharing

Life's Journey Michael Gingerich & Tom Kaden, 2014-06-25 This is the account of two men who believe that we are created for deep, meaningful, and emotionally intimate relationships. The authors have found these relationships with their wives, and they are models for their children. They experience this kind of relationship with each other. They share how vital these relationships are through their non-profit *Someone To Tell It To*. They create safe environments for people to share the stories of their lives openly and unashamedly. They encourage others to find safe people in their lives to foster relationships that provide true support, unconditional love, and grace. This book shares the authors' stories and the stories of others who are seeking meaning and purpose in their lives, especially when faced with challenges and questions. *Someone To Tell It To* may remind us that we are not alone in our fears or in our feelings of inadequacy and uncertainty. Readers may be motivated to create more vital connections in their lives, connections that can be life-giving and soul-enriching, that can bring peace in the dark seasons of our lives. Having someone to tell it to, as author Miles Franklin writes, is one of the fundamental needs of human beings.

Odyssey of an Airhead Malgorzata Duszak, 2010-05-19 The book is written as a journal by a naive Catholic girl from Poland as she is thrown into the world where she discovers herself in the spiritual maze of beliefs and concepts She goes through life as it presents her with new experiences and she makes her way through them in the incessant longing to know and understand more She doesn't offer dry facts of what she discovers and believes she doesn't attempt to tell the readers what the truth is or what reality is all about She innocently and eagerly asks questions but not necessarily always gives the answers She is not anyone's teacher but through her personal odyssey spanning a period of about eight years she compels the casual reader to think just a little less casually The embracement of all human encounters philosophies and ways of living remains her key to the higher understanding of the experience of life Although perceived as an airhead by some she enthusiastically takes us through simple but large ideas the religious and spiritual concepts the humanity developed to explain the inexplicable Through her philosophical and esoteric growth the reader feels accompanied on their own inner search Being a part of life's journey toward the Absolute and going at the same time through the ordinary human experience full of pain and emotions qualifies anyone to talk about what unfolds along their way This time the journey is hers and she invites everyone to join
