Money, Possessions, and Eternity Randy Alcorn, 2011-11-15 Who wants to settle for fleeting treasures on earth when God offers everlasting treasures in heaven It s time to rethink our perspectives on money and possessions In this thoroughly researched classic Randy Alcorn shows us how to view these things accurately

as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices.

God and Money Gregory Baumer, John Cortines, 2016-02-25

Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research, and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. 100% of the author royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need. John and Greg realize what everyone should know: that middle-class Americans are among the richest people in world history. It's time for Christ followers to understand that God has bigger purposes than increasing our standard of living. He wants us to increase our standard of giving.

Randy Alcorn, from the Foreword of *God and Money*

John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking, "How much should I give?" and started asking, "How much do I need to keep?" With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America, and many Christian commentators. Cortines and Baumer show not only how to radically give but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to:

- Easily set budgets for spending
- Wisely steward your money
- Prepare and save for your future home ownership
- retirement
- higher education, etc.

Know what the Bible says about money, tithing, and faith. Discern when to give and when not to give. Featuring lessons from the Bible, modern-day case studies, and practical ways to apply biblical principles, no matter what situation you're in, *God and Money* provides an incredible look into what the Bible says about tithing and Christian giving.

Wealth and stewardship
Faith and generosity
Love of money
And so much more

From the parables of the Rich Young Ruler to the Widow's Mite, the Bible shows us that how we manage our money is critical to our relationship with God. *God and Money* uses these parables and more to teach you to save, spend, and steward your money in a biblical way by planting God's purposes at the heart of your practices.
