*Lift up Your Eyes* Mabel Olu,2020-12-09 Lift up your eyes is a phrase urging believers to get into the habit of looking up to God God have proved himself When God wants us to make a U turn and see a turnaround he s going to ask us to lift up our eyes This calling can come in form of a dream or a small still voice in prayer or by the constant visiting of an Angels in supernatural or humanly forms Anytime God asked his servant to lift up their eyes something spectacular was about to come to pass God is asking us to lift up our eyes to reach for Heavenly things Jesus came for us in person so that we might lift up our eyes and focus on extraordinary promise of God

**Senses and Your Abilities** Ed Hardy,Sean Hardy,2008-03 There are many books on the market for the exercise of the body and quite a few on mental exercises This book offers the first everyday exploration on sensory training With trained senses new worlds open up to the reader Colors become brighter Sounds become sweeter Different tastes form on the palette In essence not only will the user of this book enjoy their reading experience but will gain tangible results from it Senses and Your Abilities is book written in a simple and fluid but highly readable style The guiding principle was that the book be easy to read and a pleasure to read The authors believe this book will be of greatest benefit to anyone unaware of much of the untapped power within their senses This book will help them to unlock those abilities The book will especially appeal to seniors With our increasing lifespans more people are becoming familiar with the tragic consequences on an inactive mind late in life By keeping one s mind alert and constantly busy with new exercises these things may be staved off A wondrous world of sight and sound will unfurl before the more mature readers of this book exciting the brain and the senses on a daily basis Senses and Your Abilities challenges to reader to get off their couch and explore the world around them Whether it is inhaling the scents of homemade

brews of tea or paying attention to the shades of colors of parked cars these are exercises that everyone and anyone can perform Most importantly these exercises are simple enough that most can be done in a few minutes so the reader will never get frustrated at lack of results Indeed this book aims to open up the minds of its readers to the amazing processes going on throughout their bodies every time they sniff their coffee or run a hand across a silk shirt This book is up to date and makes use of the latest scientific knowledge on the workings of our brains and senses Senses and Your Abilities is both educational and motivational

**The Light, the Truth and the Way** Sandy Acharjee,2011-02 About the Book The author was born and raised in an orthodox Hindu family Like most of us he was busy with his family career and day to day activities Then suddenly out of the blue in the ICU room of a modern hospital he had a Code Blue experience when he unexpectedly departed this world for a period of three days This book and his earlier book Code Blue 99 are written per God s instructions whom he met during the traumatic period of his life This is a miraculous true story and the author is a living testimony of what truly transpires after our physical death here on earth There should be no doubt for anyone that both the Heaven and the Hell exist in our after life The author has witnessed both of them Based on his afterlife experience he has found that it is very easy to enter into the Hell But it is extremely difficult to enter into the Heaven as he witnessed the one and the only narrow entrance door This book solidifies the Truth by unfolding the blindfolds of our life tells who we really are the real purpose of our life here on earth and what is expected of us in order to enter into the Heavenly Kingdom It is all based on the author s firsthand experience and personal encounter with the Divine Light It also details the two opposite worlds that exist both here on earth and beyond this life Finally it reiterates his face to face conversation with the Lord who sent him back to the earth to share His Instructions for everyone whether they be believers or non believers This book is a Must Read for everyone It uncovers The Light The Truth and The Way the only Way

**Home Healing with Nature's Medicines** Shamim Ahmed,2013-12-17 Long before the advancement of science and the development of pharmaceutical products people relied on using natural things like leaves of trees shrubs and plants to cure the common ailments They also used nuts seeds and roots of many plants herbs and spices Even some fruits are used to treat certain conditions All these things are pure and natural with no harmful chemicals in them There are no side effects to worry about There is no harm in using these different things for common ailments before going to a physician If they help you Praise to Almighty God If these remedies will not help at least they will not harm you Most of the things are found either in your kitchen or at any supermarket Fruits are commonly available Some herbs and spices you might have to look for at Chinese stores or Indian supermarkets Not all fruits vegetables herbs and spices are covered in this book There is lot of information for the seeker on internet in libraries and book stores But if someone wants a quick reference for very common ailments and the edibles that are good to maintain one s health then this book will serve the purpose Now a day there s actual scientific research that backs up some of these home treatments Some of them ease tension forestall headaches and ease pain Some of them work wonders on minor problems

Some of them are good to maintain good health and give you immediate results but some of them should be used for a longer period of time to take care of the problem Even more some of the herbs are approved by FDA as safe to use Try to save your trip to the physician Save your money and time I am not giving any diet plan to anyone It s all about keeping up with good health and before any ailment or disease becomes chronic try these home remedies They may be beneficial for your ailment These are not a 100 percent sure treatment But most of these remedies are tested by many people and they say they work One of them might work for you This book is intended to be a quick reference book more like a handbook that can be consulted easily It s not like a heavy hard cover library edition that stays most of the time on the shelf You will also find some recipes of meals with or without meat salads and soups at the end of this book Keep up with Healthy Living
