Our Farm By The Animals Of Farm Sanctuary:

Our Farm Maya Gottfried, 2013-04-24 Maya the cow J D the piglet Hilda the sheep and a dozen more animals all speak directly to the reader showing off their unique personalities in this wonderful collection of poems Master watercolorist Robert Rahway Zakanitch provides a portrait that perfectly captures the essence of each creature Together the poems and paintings add up to a picture of life on the friendliest farm around Maya Gottfried based her poems on real animals from Farm Sanctuary a safe haven for injured or abused farm animals with locations in New York and California

Our Farm Maya Gottfried, 2010 A collection of poems written from the prospective of past and present animal residents of Farm Sanctuary

Farm Sanctuary Gene Baur, 2008-11-04 Written by one of the foremost experts on animal rights Farm Sanctuary is an insightful thought provoking examination of the ethical questions involved in the breeding of animals for food

Living the Farm Sanctuary Life Gene Baur, Gene Stone, 2015-04-07 Gene Baur the cofounder and president of Farm Sanctuary the nation's leading farm animal protection organization knows that the key to happiness lies in aligning your beliefs with your actions In this definitive vegan and animal friendly lifestyle guide he and Gene Stone author of *Forks Over Knives* explore the deeply transformative experience of visiting the sanctuary and its profound effects on people's lives The book covers the basic tenets of Farm Sanctuary life such as eating in harmony with your values connecting with nature wherever you are and reducing stress and offers readers simple ways to incorporate these principles into their lives *Living the Farm Sanctuary Life* also teaches readers how to cook and eat the Farm Sanctuary way with 100 extraordinarily delicious recipes selected by some of the organization's greatest fans chefs and celebrities such as Chef AJ Chloe Coscarelli Emily Deschanel and Moby Coupled with heartwarming stories of the animals that Farm Sanctuary has saved over the years as well as advice and ideas from some of the organization's biggest supporters *Living the Farm Sanctuary Life* is an inspiring practical book for readers looking to improve their whole lives and the lives of those around them both two and four legged

Farm Sanctuary Gene Baur, 2008-03-04 Leading animal rights activist Gene Baur examines the real cost of the meat on our plates for both humans and animals alike in this provocative and thorough examination of the modern farm industry Many people picture cows sheep pigs and chickens as friendly creatures who live happily within the confines of a peaceful family farm arriving as food for humans only at the end of their sun drenched lives That's what Gene Baur had been told but when he first visited a stockyard he realized that this rosy depiction couldn't be more inaccurate Amid the stench noise and filth his attention was drawn in particular to one sheep who had been cast aside for dead But as Baur walked by the sheep raised her head and looked right at him She was still alive and the one thing Baur knew for sure that day was that he had to get her to safety Hilda as she was later named was nursed back to health and soon became the first resident of Farm Sanctuary an organization dedicated to the rescue care and protection of farm animals The truth is that farm production does not depend on the family farmer with a small herd of animals but instead resembles a large assembly line factory Animals

raised for human consumption are confined for the entirety of their lives and often live without companionship fresh air or even adequate food and water Viewed as production units rather than living beings with feelings ten billion farm animals are exploited specifically for food in the United States every year In Farm Sanctuary Baur provides a thoughtprovoking investigation of the ethical questions involved in the production of beef poultry pork milk and eggs and what each of us can do to stop the mistreatment of farm animals and promote compassion He details the triumphs and the disappointments of more than twenty years on the front lines of the animal protection movement And he introduces sanctuary us to some of the special creatures who live at Farm Sanctuary from Maya the cow to Marmalade the chicken all of whom escaped horrible circumstances to live happier more peaceful lives Farm Sanctuary shows how all of us have an opportunity and a responsibility to consume a kinder plate making a better life for ourselves and animals as well You will certainly never think of a hamburger or chicken breast the same way after reading this book *Raising Vegan Kids* Eric C. Lindstrom, 2022-04-05
