*The Every-day Book and Table Book* William Hone, 1830      **The Every-day Book, Or** William Hone, 1827      **My Autobiography the Prequel: Volume 1, the Conception of "thy Death Valley House" for Beatty, Nevada** Martin J. Blahnik, MD, the Desert Doc, 2024-07-24 This is the first of a three volume memoir in the author's provocative tell all journey to feature the artistic side of the human condition. As such, there are matters that go well beyond Dr. Blahnik's professional career as a physician and scientist. Yet they are the unbreakable rules of the Scientific Method that guide our deep understanding of the Darwinian evolution of the human mind, the DNA-driven emergence of the psychotic mental illnesses, and what we call human creativity. In this first volume, the lively narrative quickly connects us to the author's True Love for the American desert lands; indeed, the desert is his mistress in particular, Death Valley National Park. Then the whimsical adventure travels to Europe to Paris and Berlin, but also elsewhere along the way, always with a keen interest and focus on thought-provoking matters of history. All three books have the words in their titles: thy Death Valley House for Beatty, Nevada. It is the artist's legacy objective to build this house in the small historic mining town certified as the Gateway to Death Valley, called Beatty. Given the author's decades of experience in Death Valley as a professional landscape photographer, his very long Chapter Six dramatically profiling the 1960s Charles Manson hippie cult in Death Valley Country is something whereby Dr. Blahnik has been duly authorized to make the claim with confidence. No one can tell this story of Charles Manson in Death Valley in the manner that I have. Furthermore, it is decidedly engaging and indeed surprising to observe the extent to which the history of some members of the cult serves as a foil to the author's character. Horror writer Jericho Sands has had a hell of a month. He's endured a bitter breakup with his punk rocker girlfriend, learned that his lungs are blacker than a coal mine, and served time in county jail for throwing a United States Congressman in a dumpster. He's heartbroken, sleep-deprived, and suffering from a debilitating case of writer's block. Life is about to get much worse. Somebody from Jericho's past has left a decapitated body on his doorstep. The similarity to methods used in his books, his lack of an alibi, and his proximity to the victim all lead the detectives handling the case to quickly identify Jericho as the primary suspect. But being framed for murder is the least of Jericho's problems, because this killer is only getting started. The mysterious executioner known as The River City Slasher has made it clear that more innocent people will be killed before Jericho himself is the final victim. Unable to trust the cops, Jericho is forced to examine the darkest parts of his own psyche to catch a killer, save innocent lives, and free himself from his own guilt. When Jericho

finally learns the identity of the killer terrorizing the city it shocks him in ways he was unprepared for causing him to doubt all he holds to be true including his own judgment and motivations The first book in the Jericho Sands series Jericho s Razor heralds the debut of a phenomenal new thriller writer in Casey Doran     The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1904     The Publishers' Circular ,1837     The Leader ,1855     *New Pictorial Review* *Fashion Book* ,1919     **New Zealand Farmer Weekly** ,1927     **The Jewelers' Circular** ,1926     The Saturday Evening Post ,1904     **Boys' Life** ,1978-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting     **The Athenaeum** ,1841     *McClure's Magazine ...* ,1917     **New-Church Messenger** ,1885     *The London Chronicle* ,1759     **The Christian Advocate** ,1910     The Illustrated London News ,1844
