Our Home Is Over Jordan:

Heaven Our Home William Branks,1862 Heaven our Home. We have no Saviour but Jesus, and no home but Heaven. By W. Branks ,1861 **Heaven our home [by W. Branks].** William Branks,1861 *Our Home is in God* John Townroe,2025-03-04 This book is about finding our spiritual home in God and how that helps us to lead a life of honesty and genuine love towards the rest of humanity and the planet that sustains our physical lives A person comes home to God by learning how to walk by faith instead of being driven by fear by finding freedom of spirit through accepting whatever yoke of discipline fits their situation In this way a person comes not only to themselves but to God to a living knowledge of God Through this understanding we reach the realization of God as our true home someone who is always there when we turn to Him who welcomes us back no matter how far we stray or for how long Our true home our safe haven the place where we are fully loved is in God Drawing on Townroe s retreat talks these essays span many decades but the universal truths on which they are founded resonate through time and through the shifts and changes of our increasingly complex society **Hymn Book of the Methodist Episcopal Church, South** Methodist Episcopal Church, South,1892 **Heaven Our Home** George Washington Quinby,1890 The Lifegiving Collection: The Lifegiving Home / The Lifegiving Table / The Lifegiving Parent Sally Clarkson,Clay Clarkson,Sarah Clarkson,2019-01-08 This collection of lifegiving titles offers a great value and includes three books The Lifegiving Home by Sally and Sarah Clarkson The Lifegiving Table by Sally Clarkson and The Lifegiving Parent by Clay and Sally Clarkson The Lifegiving Home Every day of your family s life can be as special and important to you as it already is to God In this unique book designed to help your family enjoy and celebrate every month of the year you ll discover the secrets of a life giving home from a mother who created one and her daughter who was raised in it The Lifegiving Table In The Lifegiving Table Sally shares her own family stories favorite recipes and practical ideas to help you get closer to the people you love and to help you grow in faith together The Lifegiving Parent The key to shaping a heart begins at home as you foster a deep and thoughtful God infused relationship with each child Filled with biblical insight and classic Clarkson stories The Lifegiving Parent will equip you with the tools and wisdom you need to give your children much more than just a good Christian life You ll give them the life of Christ A Spiritual Life Allan Hugh Cole Jr.,2011-04-19 This revealing collection presents a selection of twenty poets prophets and preachers who share their understandings of what makes a good spiritual life They draw on their professional experiences and as important grace us with their personal thoughts The result is essentially a textbook for spirituality courses exposing readers to the spiritual lives of a wonderfully diverse group of people with a wide range of Christian experiences Every reader is sure to find a perspective with which he or she can identify **The Rabbi, the Goddess, and Jung** Naomi Ruth Lowinsky,2016-11-01 A sanctuary for the soul In The Rabbi the Goddess and Jung Naomi Ruth Lowinsky shows us how to create a sacred space by cultivating one s inner life Admitting that this is not an easy practice in our hectic fearful times she demonstrates how the word from within orients

whether it comes as gift or disturbance guest or ghost riddle or revelation It may force a confrontation with one's worst fears It may visit in nightmare images such as the enormous spider with hairy legs and eight baleful eyes that appeared in a dream come to warn it would seem of the perils facing human nature and Mother Nature It is essential especially in difficult times to make space for what the Kabbalah calls the beyond that lies within the still small voice of the Self the long view of the wisdom traditions In this collection of poetic visionary essays Lowinsky tells stories of the Lady Tree who showed up when she was six and has wandered in and out of her life revealing her Goddess nature Active imagination enables her to work out unfinished business with ancestors including her father and Jung Dreams introduce her to her spirit guides and to a dancing rabbi who insists she study Kabbalah And that scary spider turns out to be Grandmother Spider a creator goddess who has the power if we recognize Her to help us reweave our relationship with earth

Brown, 2014-01-02 From disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts *Lady Parts* Kathryn D. Blanchard, Jane S. Webster, 2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler's controversial play *The Vagina Monologues* This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters

whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls
