trained writer but this memoir reveals a natural talent for writing about what is most important in life via an approach that is inviting gentle and authentically warm and loving She asks that you place your hand in hers as she takes you on a virtual journey back in time to her farm and a childhood replete with memories told in an unpretentious style that can be humorous charming and at times assertive and life affirming She promises that Harvesting Memories will inspire and inform you in ways you might find surprising Linda currently lives in the verdant countryside outside of Towanda Pennsylvania with Mark her husband of 52 plus years They live on a 22 acre piece of land which they share with deer various wild critters and their 17 year old cat Sydney
