War on My Belly: How to Work Out a Workout While Working David Chen, Nora Mousas, 2015-04-07 David Chen and Nora Mousas work just like you so they know how hard it is to stay healthy when you're putting in forty fifty or sixty hours a week. In this guidebook to staying fit in the workplace they share tips on staying healthy while earning the money you need to survive and not by quitting your job to work at a gym. The most critical thing you can do is to simply stand up at work. It's much easier to be a stander than a vegetarian and it will provide you with immediate returns. The authors also make the case that companies should promote ways to incorporate exercise into the workday as it wouldn't just help employees be healthy and more productive but it would also lessen health care costs. Whether you're a manager or rank and file employee you'll learn easy and practical ways to make exercise a routine part of your day. Stay healthy and happy with the easy to apply advice in War on My Belly.

Before You Work Out, Exercise Nadirah Aqueelah Shakir, 2010-03 While working in the fitness industry for 12 years the author has witnessed women achieve the body of their dreams just to have it dissipate in half the time it took for them to achieve it. She then began to examine her own life and the lives of some of her closest friends and clients with the intention to find out just why the body of their dreams would elude them so quickly. She discovered that they all had one thing in common. That commonality was the fact that they allowed external transformation to precede sorting through internal discord. This led her to undergo a 40 day process of self evaluation which manifested into this book. Before You Work Out Exercise. In this book you will find daily insights as well as affirmative prescriptions that will empower you to get ready to manifest the life and body of your dreams.
