Hammer,2025-03-03 In this series opener Hammer s prose evokes the romantic diction and mythological complexity of the high fantasy genre sometimes to an eye rolling extent Kirkus Reviews the author gets things started with an admirable economy It s a 93 page novella and readers will meet most of the major players by Page 6 so far the pacing is brisk and the world if not completely unique is quite fun Kirkus Reviews This story may not prove to be a crossover hit like some of the books that inspired it but readers who love the fantasy genre will find much here to enjoy Kirkus Reviews A derivative but skillfully executed and engaging fantasy Kirkus Reviews Hammer writes with energy the characters rush from one danger to another always with high stakes and mysterious artifacts involved Kirkus Reviews The author s narrative technique of rapidly shifting viewpoints from chapter to chapter echoes a similar tactic by some of the bestselling writers in the fantasy genre and for good reason It keeps the story hurrying along in a compulsively readable way Hammer is likewise skillful at changing tones one chapter can be filled with high stakes sorcerous tension and the next can be equally convincingly lighthearted Kirkus Reviews Readers encounter a very inventive world one that features everything from Jinns to Greek mythology to Shaolin monks to the Monkey King and in which the legions of Caesar can easily end up fighting hordes of vampires Readers already up to speed on the many ongoing plot threads will find this volume a tense and fast paced addition to Hammer s engaging fantasy world Kirkus Reviews Hammer does a good job of orchestrating the book s suspenseful ending which leads readers right on to the next installment Kirkus Reviews A colorful and hyperactive section of a larger multicultural fantasy epic Kirkus Reviews The Late Age of Print Ted Striplhas,2011 Here the author assesses our modern book culture by focusing on five key elements including the explosion of retail bookstores like Barnes Noble and Borders and the formation of the Oprah Book Club

This is Not a Self-Help Book Mark Mehigan,2024-03-14 Much of Mark Mehigan s twenties read like a how to manual How to get very drunk without raising people s suspicions you might be an alcoholic Outwardly successful inside he was drowning Nearing 30 he was hurtling towards a nervous breakdown and using payday loans to fund a burgeoning cocaine habit His only choice was to finally relinquish control and ask for help In doing so he discovered a life beyond his wildest dreams This new way of life embraced letting stuff go Giving things up He discovered the power of rigorous honesty how to live without relying on destructive behavioural patterns and the joy of letting people in instead of keeping them out Mark s story is one of recovery and sobriety It brilliantly articulates the societal pressures that can leave people feeling isolated and lost and offers a path to finding your own sense of good enough Perhaps Mark s story can be the spark that ignites that journey for you or at the very least a guide on how not to mess up your life Either way it s definitely not a self help book
