**27 Men Out** Michael Coffey,2010-05-11 The first in depth look at baseball s nirvana a lyrical history of pitching perfection There have been only fourteen perfect games pitched in the modern era of baseball the great Cy Young fittingly hurled the first in 1904 and David Cone pitched the most recent in 1999 In between some great pitchers Sandy Koufax Catfish Hunter Jim Bunning and Don Larsen in the World Series performed the feat as did some mediocre ones like Len Barker and the little known Charlie Robertson Fourteen in 150 000 games The odds are staggering When it does happen however the whole baseball world marvels at the combination of luck and skill and the pitcher himself gains a kind of

baseball immortality Five years ago Michael Coffey witnessed such an event at Yankee Stadium and the experience prompted this expansive look at the history of these unsurpassable pitching performances He brings his skills as a popular historian and poet to an appraisal of both the games themselves and of the wider sport of baseball and the lives of the players in it The careers of each of the fourteen perfect game pitchers are assessed not only as to their on the field performances but with a regard for their struggles to persevere in an extremely competitive sport in which more often than not the men and women who run the game from the owners boxes are their most formidable adversaries Along the way Michael Coffey brings us right into the ballparks with a play by play account of how these games unfolded and relates a host of fascinating stories such as Sandy Koufax's controversial holdout with Don Drysdale and its chilling effect on baseball's owners Mike Witt's victimization by the baseball commissioner and Dennis Martinez s long struggle up from an impoverished Nicaraguan childhood Combining history baseball and a sweeping look at the changing face of labor relations 27 Men Out is a new benchmark in We Got to Play Baseball Greg Olson, Ocean Palmer, 2012-03-01 We Got to Play Baseball is a remarkable collection of favorite memories from 60 Hall of Famers All Stars veteran ballplayers managers coaches umpires and others directly involved in Major League Baseball Their stories range from the 1950s to current day As a teammate Gregg was a terrific story teller and always fun to be around Baseball is filled with wonderful stories and Otter has done a great job of pulling them together into one place He asked his many friends in the game to contribute their story and the result is a fun enjoyable book that provides us with insights into the world of the big leaguers that aren t often shared Cal Ripken Jr Hall of Famer With this collection of stories Gregg has brought back a lot of fantastic memories and reminded me how much fun a major league clubhouse can be Jim Abbott Major League pitching star There is nothing like a good baseball story and nothing like hearing a good baseball story from an actual player who was there Gregg Olson knew even in his playing days that the clubhouse culture was unique and he has given fans a true inside look with We Got to Play Baseball gathering his own stories and the stories of many others Fans will love reading about players pranks travel high jinks and much more Ken Rosenthal Baseball Players of the 1950s Rich Marazzi, Len Fiorito, 2015-06-08 The playing and post playing careers FOX SportsT of all 1 560 players who appeared in a major league box score between 1950 and 1959 the golden age many say are profiled in this exhaustive work From Aaron to Zuverink this treasure trove of anecdotes many gathered from personal interviews is full of historical facts controversy and trivia Readers will be reminded that Milwaukee Braves pitcher Humberto Robinson was asked by a gambler to fix a game against the Phillies he refused Joe Adcock chased Giants pitcher Ruben Gomez around the field with a bat Bob Turley reached the top of the corporate ladder after his playing days Casey Wise became an orthodontist Bobby Brown became a heart surgeon and president of the AL and that Chuck Conners became an actor All of this and much more can be found here The New Baseball Bible Dan Schlossberg, 2017-03-07 For fans of baseball trivia this updated version of The New Baseball Bible first published as The Baseball Catalog in 1980 and selected as a Book of the
