Of Spirits And Madness An American Psychiatrist In Africa:

Of Spirits and Madness: An American Psychiatrist in Africa Paul Linde, 2002-09 Emergency room psychiatrist Dr Paul Linde came to Zimbabwe to take the helm at the Harare Central Hospital where dozens of patients present new challenges every day From a case of factitious disorder in which a young man treats his own leg like a pin cushion to a woman suffering from kufungisisa the strange ailment of thinking too much Linde tells of his patients demons and their difficulties in a vivid portrait of a world where witchcraft still reigns and psychosis is stigmatized as a contagious illness Linde presents a wry and inspiring tale of medicine at the crossroads of two cultures Book jacket [Clinical Manual of Cultural Psychiatry](#) Russell F. Lim, 2015-04-01 The interaction of culture and mental illness is the focus of the Clinical Manual of Cultural Psychiatry which is designed to help mental health clinicians become culturally competent and skilled in the treatment of patients from diverse backgrounds The product of nearly two decades of seminar experience the book teaches clinicians when it is appropriate to ask Is what I am seeing in this patient typical behavior in his or her culture The ability to see someone else s worldview is essential for working with ethnic minority and culturally diverse patients and the author who designed the course that was this handbook s precursor has expanded the second edition to take into account shifting demographics and the changing culture of mental health treatment The content of the new edition has been completely updated expanded to include new material and enhanced by innovative features that will prove helpful for mental health clinicians as they encounter diverse patient populations The new chapter on women reflects the fact that mental health disparities extend beyond ethnic minorities Women have significantly higher rates of posttraumatic stress disorder and affective disorders for example yet research on women has been limited largely to the relationship between reproductive functioning and mental health Two new chapters address the alarming number of unmet mental health needs that lesbian gay bisexual and transgender patients suffer from These chapters emphasize the need for mental health providers and policy makers to remedy these disparities A new chapter has been added to help clinicians determine the role religious and spiritual beliefs play in psychological functioning because religious and spiritual beliefs have been found to have both positive and negative effects on mental health The newly introduced DSM 5 Cultural Formulation Interview CFI is addressed in the book s introduction and is included in its entirety along with an informant module 12 supplementary modules and guidelines for their use in a psychiatric assessment In addition the reader has access to videotaped examples using simulated patients to illustrate practical application of the DSM 5 Outline for Cultural Formulation and CFI Extensive information on ethnopsychopharmacology reviewing clinical reports of ethnic variation with several different classes of psychotropic medications and examining the relationship of pharmacogenetics ethnicity and environmental factors to pharmacologic treatment of minorities The book updates coverage of African American Asian American Latino Hispanic and Native American Alaskan Native cultures as they relate to mental health issues while retaining the nuanced approach that was so

effective in the first edition Course tested and DSM 5 compatible throughout the Clinical Manual of Cultural Psychiatry is a must read for clinicians in our diverse era

Shamans Among Us: Schizophrenia, Shamanism and the Evolutionary Origins of Religion Joseph Polimeni, 2012-12-01 Schizophrenia is one of the most enigmatic human experiences While it can cause terrible distress it doesn't fit the mold of a classic medical disease In *Shamans Among Us* Joseph Polimeni shows that today's schizophrenia patients are no less than the modern manifestation of tribal shamans people vital to the success of early human cultures Spanning human history and including discussions of evolution the definition of disease and the nature of psychosis *Shamans Among Us* is the most detailed and comprehensive evolutionary theory yet assembled to explain a specific psychiatric diagnosis Joseph Polimeni's scholarly book challenges several traditional concepts of both evolutionary biology and medicine I strongly recommend it to all those who dare to think outside the box

Mind, Modernity, Madness Liah Greenfeld, 2013-04-01 A leading interpreter of modernity argues that our culture of limitless self fulfillment is making millions mentally ill Training her analytic eye on manic depression and schizophrenia Liah Greenfeld in the culminating volume of her trilogy on nationalism traces these dysfunctions to society's overburdening demands for self realization

Sociology of Mental Disorder William C. Cockerham, 2016-10-04 The tenth edition of *Sociology of Mental Disorder* presents the major issues and research findings on the influence of race social class gender and age on the incidence and prevalence of mental disorder The text also examines the institutions that help those with mental disorders mental health law and public policy Many important updates are new to this edition More first person accounts of individuals who suffer from mental illness are included The new DSM 5 is now thoroughly covered along with the controversy surrounding it A new section on social class and its components Updated assessment of the relationship between mental health and gender A revised and in depth discussion of mental health and race New material on public policy mental disorder and the Affordable Health Care Act Updates of research and citations throughout

Gaiser, 2010-10-01 In the midst of an ongoing debate about health care what does the Bible say about healing Here a respected scholar reads biblical texts on health and healing with care and imagination engaging the reader in lively conversations with the text and with questions of contemporary theological and pastoral concern Gaiser offers close readings of fifteen key Old and New Testament passages considering their significance for the church's understanding of healing and its ministry today The book examines such significant matters as God's role in healing the relation between sickness and sin healing and prayer God's healing and medical science and healing under the sign of the cross offering fresh insights for anyone interested in Christian views on healing **WITCHES, WESTERNERS, AND HIV** Alexander Rödlach, 2006-10-15 A witch's curse an imperialist conspiracy a racist plot Alexander Rödlach draws on a decade of research and work in Zimbabwe to compare local beliefs about the cause of the HIV/AIDS epidemic in Africa and the impact of these beliefs on public health and advocacy programs **Danger to Self** Paul Linde, 2010-01-07 The psychiatric emergency room a fast paced combat zone with pressure to match thrusts its medical providers into the outland of human experience where they must respond rapidly and decisively in spite of uncertainty and very often danger In this lively first person narrative Paul R Linde takes readers behind the scenes at an urban psychiatric emergency room with all its chaos and pathos where we witness mental health professionals doing their best to alleviate suffering and repair shattered lives As he and his colleagues encounter patients who are hallucinating drunk catatonic aggressive suicidal high on drugs paranoid and physically sick Linde examines the many ethical legal moral and medical issues that confront today's psychiatric providers He describes a profession under siege from the outside health insurance companies the pharmaceutical industry government regulators and even patients rights advocates and from the inside biomedical and academic psychiatrists who have forgotten to care for the patient and

have instead become checklist marking pill peddlers While lifting the veil on a crucial area of psychiatry that is as real as it gets *Danger to Self* also injects a healthy dose of compassion into the practice of medicine and psychiatry **My Mysterious Son** Dick Russell, 2018-01-02 What does a father do when hope is gone that his only son can ever lead anything close to a normal life That's the question that haunted Dick Russell in the fall of 2011 when his son Franklin was thirty two At the age of seventeen Franklin had been diagnosed with schizophrenia For years he spent time in and out of various hospitals and even went through periods of adamantly denying that Dick was actually his father A mixed race child Franklin was handsome intelligent and sensitive until his mental illness suddenly took control After spending the ensuing years trying to build some semblance of a normal father son relationship Dick was invited with his son out of the blue to witness the annual wildlife migration on Africa's Serengeti Plain Seizing this potential opportunity to repair the damage that both had struggled with after going through two perilous nights together in Tanzania ultimately the two week trip changed both of their lives Desperately seeking an alternative to the medical model's medication regimen the author introduces Franklin to a West African shaman in Jamaica Dick discovers Franklin's psychic capabilities behind the seemingly delusional thought patterns as well as his artistic talents Theirs becomes an ancestral quest the journey finally taking them to the sacred lands of New Mexico and an indigenous healer For those who understand the pain of mental illness as well the bond between a parent and a child *My Mysterious Son* shares the intimate and beautiful story of a father who will do everything in his power to repair his relationship with a young man damaged by mental illness **A Heart for the Work** Claire L. Wendland, 2010-09-15 Burnout is common among doctors in the West so one might assume that a medical career in Malawi one of the poorest countries in the world would place far greater strain on the idealism that drives many doctors But as *A Heart for the Work* makes clear Malawian medical students learn to confront poverty creatively experiencing fatigue and frustration but also joy and commitment on their way to becoming physicians The first ethnography of medical training in the global South Claire L Wendland's book is a moving and perceptive look at medicine in a world where the transnational movement of people and ideas creates both devastation and possibility Wendland a physician anthropologist conducted extensive interviews and worked in wards clinics and operating theaters alongside the student doctors whose stories she relates From the relative calm of Malawi's College of Medicine to the turbulence of training at hospitals with gravely ill patients and dramatically inadequate supplies staff and technology Wendland's work reveals the way these young doctors engage the contradictions of their circumstances shedding new light on debates about the effects of medical training the impact of traditional healing and the purposes of medicine **Demons on the Couch** Michael J. Sersch, 2019-01-03 Belief in possession including from demonic forces has ancient roots and continues into the modern world especially among certain communities This has been shown in books movies places of worship and in the therapy office This book traces the global history of possession and looks at ways contemporary mental health professionals can help a person who believes themselves to be possessed Written

especially for clinicians but interesting to a wide variety of readers this book uses a variety of disciplines including cultural studies psychology and personal experiences to try and understand the phenomenon from as wide a perspective as possible including interviews with exorcists from various backgrounds Both believers and sceptics will find this to be a fascinating study of a controversial topic *Satisfying* **Zambian Hunger for Culture** Mwizenge S. Tembo, 2012-09-17 The Southern African country of Zambia with 72 tribes has experienced tremendous social turmoil during the last 48 years The 13 million citizens migrated into the cities and professionals immigrated and scattered abroad in a growing Diaspora The diversity of the Zambian society and globalization has created a cultural crisis *Satisfying* **Zambian Hunger for Culture** discusses social and political history gender rites of passage food religion witchcraft and recommendations for contemporary life in the 21st century The 17 chapter book puts the diverse Zambian African tribal customs culture and technology into the modern digital age **Caring for Red** Mindy Fried, 2016-09-13 Eric Hoffer Book Award Finalist 2018 *Caring for Red* is Mindy Fried's moving and colorful account of caring for her ninety seven year old father Manny an actor writer and labor organizer in the final year of his life This memoir chronicles the actions of two sisters as they discover concentric circles of support for their father and attempt to provide him with an experience of engaged aging in an assisted living facility The story is also that of a daughter of a powerful and outspoken man who took risks throughout his life and whose political beliefs had an enduring impact on his family After Manny was called before the House Un American Activities Committee he was blacklisted and his family was shunned As an actor Manny was affiliated with Elia Kazan's Group Theatre and the Federal Theatre Project He did Shakespeare Chekhov and Ibsen and played everything from the tormented father in Arthur Miller's *All My Sons* to an infant in a baby carriage in Thornton Wilder's *Infancy* from the Rabbi in *Fiddler on the Roof* to poignantly for this book the role of Morrie in *Tuesdays with Morrie* As she devotes herself to caring for her dying father Mindy grapples anew with the complexity of their relationship She questions whether she can be there for him and how to assert her own voice as her father's caregiver in his last days **The American Journal of Psychiatry**, 2002-07 *In Search of Cultural Competence in Evaluation Toward Principles and Practices* Rodney Hopson, 2004-08-03 This volume focuses on culturally competent evaluation The chapters address a number of questions How does culture matter in evaluation theory and practice How does attention to cultural issues make for better evaluation practice How does attention to cultural issues make for better evaluation practice What is the value addedness of cultural competence in evaluation How do the complexities challenges and politics of diversity issue affect evaluation The first chapter is an overview of culture cultural competence and culturally competent evaluation the other chapters provide case studies on the implementation of culturally competent evaluation in a variety of settings and with several populations The volume contributors also present lessons learned from their experiences and recommendations for implementing cultural competent evaluations in general This volume is part of an important discussion of race culture and diversity in evaluation striving to shape and advance culturally competent evaluation and in

tandem evaluation of culturally competent services This is the 102nd issue of the quarterly journal New Directions for Evaluation **G.K.
