Off White Hollywood American Culture And Ethnic Female Stardom:

Off-white Hollywood Diane Negra,2001 Off White Hollywood investigates how the ethnicity of white European American actresses has played a key role in the mythology of American identity and nation building Negra focuses on key stars of the silent Colleen Moore and Pola Negri classical Sonja Henie and Hedy Lamarr and post classical eras Marisa Tomei and Cher to demonstrate how each star illuminates aspects of ethnicity gender consumerism and class at work in American culture *America First* Mandy Merck,2012-11-12 At a time when the expanded projection of US political military economic and cultural power draws intensified global concern understanding how that country understands itself seems more important than ever This collection of new critical essays tackles this old problem in a new way by examining some of the hundreds of US films that announce themselves as titularly American From early travelogues to contemporary comedies national nomination has been an abiding characteristic of American motion pictures heading the work of Porter Guy Blach DeMille Capra Sternberg Vidor Minnelli and Mankiewicz More recently George Lucas Paul Schrader John Landis and Edward James Olmos have made their own contributions to Hollywood s Americana What does this national branding signify Which versions of Americanism are valorized and which marginalized or excluded Out of which social and historical contexts do they emerge and for and by whom are they constructed Edited by Mandy Merck the collection contains detailed analyses of such films as *The Vanishing American* *American Madness* *An American in Paris* *American Graffiti* *American Gigolo* *American Pie* and many more *Idols of Modernity* Patrice Petro,2010 Focusing on stardom during the 1920s this title reveals strong connections dissonances in matters of storytelling performance that can be traced both backwards forwards from the silent era to the emergence of sound **Interrogating Postfeminism** Yvonne Tasker,Diane Negra,2007-11-02 Feminist essays examining postfeminism in American and British popular culture *Race in Mind* Paul Spickard,2015-11-19 These essays analyze how race affects people s lives and relationships in all settings from the United States to Great Britain and from Hawai i to Chinese Central Asia They contemplate the racial positions in various societies of people called Black and people called White of Asians and Pacific Islanders and especially of those people whose racial ancestries and identifications are multiple Here for the first time are Spickard s trenchant analyses of the creation of race in the South Pacific of DNA testing for racial ancestry and of the meaning of multiplicity in the age of Barack Obama *Incongruous Entertainment* Steven Cohan,2005-10-20 A look at the camp cult appeal of MGM musicals of the 1940s and 50s to gay men today along with an historical analysis of the films production histories *"Gypsies" in European Literature and Culture* V. Glajar,D. Radulescu,2008-04-28 This book traces representations of Gypsies that have become prevalent in the European imagination and culture and influenced the perceptions of Roma in Eastern and Western European societies *The Subject of Film and Race* Gerald Sim,2014-07-31 The Subject of Film and Race is the first comprehensive intervention into how film critics and scholars have sought to understand cinema s relationship to racial ideology In attempting to do more than merely identify

harmful stereotypes research on films and race appropriates ideas from post structuralist theory But on those platforms the field takes intellectual and political positions that place its anti racist efforts at an impasse While presenting theoretical ideas in an accessible way Gerald Sim s historical materialist approach uniquely triangulates well known work by Edward Said with the Neo Marxian writing about film by Theodor Adorno and Fredric Jameson The Subject of Film and Race takes on topics such as identity politics multiculturalism multiracial discourse and cyborg theory to force film and media studies into rethinking their approach specifically towards humanism and critical subjectivity The book illustrates theoretical discussions with a diverse set of familiar films by John Ford Michael Mann Todd Solondz Quentin Tarantino Keanu Reeves and others to show that we must always be aware of capitalist history when thinking about race ethnicity and films *Chick Flicks* Suzanne Ferriss, Mallory Young, 2008-03-03 With 11 original essays this edited volume examines chick flicks from *An Affair to Remember* to *Legally Blonde* within the larger context of chick culture as well as women s cinema **Wikipedia , Star Studies** Martin Shingler, 2019-07-25 Martin Shingler presents the mother volume for Palgrave s Film Stars series in three easily navigable chapters in which he provides a summative and instructive account of star studies for today s film student Via a critical evaluation of the work of leading film scholars he provides a convincing argument for how this important area of film studies has evolved Building on this he offers some new directions for star scholarship and ends by offering the film student a useful set of themes and issues for his or her own investigation *Star Studies* is the perfect companion for the student who wishes to foster further research on stardom across a wide range of contexts from national cinemas to mainstream and marginal cinemas to different historical periods and beyond **Welcome Home Mr Swanson** Ann-Kristin Wallengren, 2014-01-10 Between 1840 and 1940 more than one million people emigrated from Sweden to America The fact that so many chose to leave to seek a better life across the Atlantic was a major trauma for the Swedish nation Filmmakers were not slow to pick up on an exodus that proved to be of lasting importance for the Swedes national identity In *Welcome Home Mr Swanson* film studies scholar Ann Kristin Wallengren analyzes the ways in which Swedish emigrants and Swedish American returnees are depicted in Swedish film between 1910 and 1950 continuing on to recent films and television shows Were Sweden s emigrants seen as national traitors or as brave trailblazers who might return home with modern ideas Many of the Swedish films were distributed to the United States and Wallengren discusses the notions of Sweden and Swedishness that circulated there as a result She also considers the image of Swedish immigrant women in American films a representation that bore little resemblance to the Swedes idealized view Wallengren shows how ideologies of nationality had a prominent place in the films narratives resulting in movies that project enduring perceptions of Swedish national identity and the American way of life **Some Liked It Hot** Kristin A. McGee, 2011-07-21 Women have been involved with jazz since its inception but all too often their achievements were not as well known as those of their male counterparts *Some Liked It Hot* looks at all girl bands and jazz women from the 1920s through the 1950s and how they fit into the nascent mass culture

particularly film and television to uncover some of the historical motivations for excluding women from the now firmly established jazz canon This well illustrated book chronicles who appeared where and when in over 80 performances captured in both popular Hollywood productions and in relatively unknown films and television shows As McGee shows these performances reflected complex racial attitudes emerging in American culture during the first half of the twentieth century Her analysis illuminates the heavily mediated representational strategies that jazz women adopted highlighting the role that race played in constituting public performances of various styles of jazz from swing to hot and sweet The International Sweethearts of Rhythm Hazel Scott the Ingenues Peggy Lee and Paul Whiteman are just a few of the performers covered in the book which also includes a detailed filmography

Schwarzenegger Gábor Gergely, 2022-10-05 This book analyses the uses of Arnold Schwarzenegger as a foreign star in Hollywood through a film philosophical de westernizing and sonic critical framework It offers very close readings of the film texts of the roles Schwarzenegger performs and the rhetorical strategies he adopts outside his film performances to show that in spite of attempts to occupy the position of an emblematic member of the U S national body Schwarzenegger remains irrevocably outside as an accented migrant body continuously accumulating markers of belonging that by their very necessity attest to their insufficiency The book s central project is to trace back from the uses to which a migrant star such as Schwarzenegger is put on the screen the construction of a sense or idea of a U S national community through the cinema Given that the appeal to the American myth of an immigrant nation that promises to erase difference is fundamental to the Schwarzenegger star persona the central aim of this book is to explore the uses of his stardom as an embodiment of the promise of America and its contradictions and exclusions

Natalie Wood Rebecca Sullivan, 2019-07-25 Throughout her career Natalie Wood teetered precariously on the edge of greatness Trained in the classical Hollywood studio style but best mentored by Method directors Wood was the ideal actress for roles depicting shifting perceptions of American womanhood Nonetheless while many of her films are considered classics of mid twentieth century American cinema she is less remembered for her acting than she is for her mysterious and tragic death Rebecca Sullivan s lucid and engaging study of Natalie Wood s career sheds new light on her enormous albeit uneven contributions to American cinema This persuasive text argues for renewed appreciation of Natalie Wood by situating her enigmatic performances in the context of a transforming star industry and revolutionary post war sexual politics

Performances Jeanne Scheper, 2016-12-13 Fabulous yet fierce imperious yet impetuous boss yet bitchy divas are figures of paradox Their place in culture is equally contradictory as they are simultaneously venerated and marginalized hailed as timeless but then frequently forgotten or exhumed as cult icons by future generations Focusing on four early twentieth century divas Aida Overton Walker Lorraine Fuller Libby Holman and Josephine Baker who were icons in their own time *Moving Performances* considers what their past and current reception reveals about changing ideas of race and gender Jeanne Scheper examines how iconicity can actually work to the diva's detriment reducing her to a fetish object a grotesque or a figure of nostalgia Yet she also locates more productive modes of reception that reach to revive the diva's moving performances imbuing her with an affective afterlife As it offers innovative theorizations of performance reception and affect *Moving Performances* also introduces readers to four remarkable women who worked as both cultural producers and critics deftly subverting the tropes of exoticism orientalism and primitivism commonly used to dismiss women of color Rejecting iconic depictions of these divas as frozen in a past moment Scheper vividly demonstrates how their performances continue to inspire ongoing movements
