humble beginnings in the nineteenth century Seventh day Adventism has remarkably grown to become one of America's largest home grown faiths numbering nearly nineteen million members worldwide Yet Adventism harbors dark secrets within its history This is the true story of how one Adventist pastor and university and seminary professor discovered these dark secrets and learned through painful personal experience that neither the denomination nor its doctrine could be trusted As his odyssey takes him from pastoral assignments in rural and urban congregations and finally into teaching religion at an Adventist university he suddenly finds himself caught up in the maelstrom of a church's greatest theological crisis For him the denomination's theology and practice agonizingly unravel forcing him to choose between loyalty to his church his vocation and his personal integrity Rich in anecdotes and personal experiences Out of Adventism guides readers interested in religious history cults and sects through the ins and outs of a religious community in crisis Along the way the reader not only gets an insider's view of Adventism but also discovers a careful critique of the peculiar teachings of Seventh day Adventism

As James Brandon read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on Psalms forty two to seventy two the Exodus Book of the Psalms which encompasses restoration and redemption from bondage They are songs that teach salvation the doctrines of the faith and how to take care of your soul The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord
