**As Leeds Go Marching On** Jonny Cooper, 2025-08-14 As any Leeds United fan will tell you following the Whites is certainly never boring Almost as famous for their periods of chaos as for their moments of glory over the years supporters have been left exhilarated and exasperated in equal measure whilst remaining one of the most passionate fanbases in the world Now as Leeds celebrate their return to the Premier League renowned Opta statistician and lifelong fan Jonny Cooper digs into the numbers and stats to present an alternative history of the club from the glory of the Revie years right through to lifting the Championship trophy under Daniel Farke via the title win of 92 never ending play off heartbreak a brief visit to League One and of course the Marcelo Bielsa era With a unique blend of stats and analysis quirky insights player records and a view from the terraces this treasure trove of trivia is full of the good the bad and the downright weird from the world of Leeds United A football book unlike any other this is the ultimate celebration of one of England's most historic and unique clubs **INCLUDES THE STORY OF THE 2024/25 PROMOTION SEASON**

**Cantona** Philippe Auclair, 2009-08-21 An artist in my eyes is someone who can lighten up a dark room I have never and will never find difference between the pass from Pele to Carlos Alberto in the final of the World Cup in 1970 and the poetry of the young Rimbaud Eric Cantona Football and art Eric Cantona legend maverick troubled artist or just plain trouble never saw a need to make a distinction between the two For all the heat and noise surrounding his infamous Crystal Palace kung fu kick it is for the sheer exuberant beauty of his play that Eric Cantona is chiefly remembered by English football fans At Leeds United he transformed the team into title contenders but became a true talisman at Manchester United where to this day fans sing of King Eric And yet the effortless style of Cantona's play could not hide a darker side to his temperament In his own words I play with passion and fire I have to accept that sometimes this fire does harm In Cantona **The Rebel Who Would Be King** leading French football journalist Philippe Auclair has interviewed over 200 key protagonists in Cantona's career searching for the man behind the myth Marrying a deep knowledge of Cantona's impact on the pitch with soulful pin sharp insight into the

heart and inner thoughts of this most complex of characters this is nothing less than the definitive biography of a one time rebel of the French game who rose to be the King of Old Trafford I d give all the champagne I ve ever drunk to be playing alongside Cantona in a big European match at Old Trafford George Best      **For The Claret & Blue Mickey**
