verifying the identity of people who sign a variety of documents ranging from wills to deeds to releases of claims to powers of attorney Secondly there are times in the course of human interactions where sworn statements are important History has made certain human frailties clear One such human frailty is lying People lie People exaggerate People embellish However sometimes telling the truth is essential in order for society to be able to rely upon business transactions legal rights and so forth For this reason the practice of requiring that certain statements be made under oath or affirmation is used to signify the importance telling the truth under specific circumstances Ultimately the importance of the notary public today is reliance Many people and businesses of all kinds daily rely upon a notary public s certification that a particular person signed a particular document or that a particular statement was made under oath
