2. Willard, age 13, comes from a family well known in the community for its members' involvement with drugs and alcohol. Willard's two brothers and his mother, though employed in marginal jobs have serious drug and alcohol problems. His father died from cirrhosis of the liver associated with massive alcohol abuse. Willard is in school, seems well cared for, and has been doing well, but he has recently started to cut classes. In planning a social work intervention with Willard, the social worker will need to consider

- A) How to help Willard's mother encourage him to continue to work hard.
- B) How to intervene with the entire family to help them manage their substance problems.
- C) That family substance abuse is a major factor in becoming a substance abuser and that Willard will need special help to avoid following in the family path.
- D) That an abuse report should be filed -
