Olalla Spanish Robert L Stevenson:

Robert Louis Stevenson Paul Maixner, 2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling students and researchers to read the material themselves

Dracula and the Gothic in Literature, Pop Culture and the Arts, 2015-10-14 This volume brings together fourteen articles that reappraise the productivity of Stoker's *Dracula* and the strong influence it still exerts on today's generations The volume explores various multimodal and multimedia adaptations of the book by critically examining its literary cinematic theatrical televised and artistic versions In so doing it reassesses the origins evolution imagery mythology theory and criticism of Gothic fiction and of the Gothic sub culture The volume is innovative in that it congregates various angles to the Gothic phenomenon providing an overview of the interdisciplinary relationships between different cultural artistic and creative reworkings of the Gothic in general and of Stoker's legacy in particular

European Stevenson Richard Ambrosini, Richard Dury, 2009-10-02 Edinburgh late 1860s Two young gentlemen their heads buzzing with ideas and artistic ambitions hang over North Bridge watching the trains start southward and longing to start too the Walter Scott Monument a short way behind them but their eyes fixed on the tracks leading South to London and the Continent In their Introduction the editors see this scene with his painter cousin as symbolically significant for Robert Louis Stevenson's writing career Through his connection with Europe and especially France he participated in an international exchange of ideas on art which led him in the 1870s to reinvent his relationship with his national literary tradition by exploring a variety of essayistic forms He would eventually confront the shadow of the Scott Monument when he turned to novel writing in the 80s but the nature of his innovations as a novelist cannot be understood without taking into account the lessons he learned in France The papers that follow first explore the way Stevenson's world view and cultural background interacted with European landscape literature and painting in that key early decade Later chapters examine the influence of Stevenson on European writers Proust Cocteau Brecht and Calvino and on other creative artists The volume aims to show how European culture contributed to Stevenson's greatest achievements and then to explain why with Stevenson ignored by Anglo American critics for most of the twentieth century he still remained an admired model for Europeans

Robert Louis Stevenson Robert Louis Stevenson, 1912

Robert Louis Stevenson, Science, and the Fin de Siècle J. Reid, 2006-06-28 In this fascinating book Reid examines Robert Louis Stevenson's writings in the context of late Victorian evolutionist thought arguing that an interest in primitive life is at the heart of his work She investigates a wide range of Stevenson's writing including *Dr Jekyll and Mr Hyde* and *Treasure Island* as well as previously unpublished material from the Stevenson archive at Yale Reid's interpretation offers a new way of understanding the relationship between his Scottish and South Seas work Her analysis of Stevenson's engagement with anthropological and psychological debate also illuminates the dynamic intersections between literature and science at the fin de siècle

The Treasure of Franchard

Robert Louis Stevenson, 2022-08-10 In *The Treasure of Franchard* Robert Louis Stevenson crafts a captivating tale that intertwines elements of adventure and moral ambiguity reflective of his signature literary style Drawing upon his keen understanding of human nature and the complexities of friendship the narrative follows the journey of two unlikely companions a young boy and a venturesome adult as they navigate the treacherous terrain of insecurity and greed set against the backdrop of the French countryside Stevenson's prose is richly descriptive immersing readers in the landscapes that shape his characters' destinies while simultaneously unraveling themes of loyalty and the quest for identity amid external conflict Stevenson renowned for his exploration of adventure and existential inquiry penned this work during a notably prolific period in his career when he combined personal experiences with a desire to explore the duality of man His own wanderlust and encounters with various cultures profoundly influenced his storytelling particularly in emphasizing the tension between morality and ambition in pursuit of treasure a metaphor resonates through his literary canon *The Treasure of Franchard* is a must read for enthusiasts of adventure literature and anyone intrigued by the psychological depth of Stevenson's characters With its blend of thrilling escapades and introspective themes this novella invites readers to reflect on the nature of treasure both tangible and intangible while providing a delightful exploration of friendship and loyalty
