A Culture of Second Chances David M. Newman, 2019-12-12 This book examines the iconic presence of second chances in everyday life David Newman explores its various iterations in popular culture commercial marketplaces religion intimate relationships education criminal justice and human bodies He analyzes how this concept as a cultural aspiration driver of policy and lived personal experience has become part and parcel of our individual sense of self and our collective national identity While the rhetoric of redemption is familiar and ubiquitous Newman uncovers the costs and constraints of second chances paying particular attention to the factors that affect judgments of deservedness Informed by an array of data sources including personal interviews mission statements of nonprofit recovery agencies images in popular culture stories from the news plot summaries of novels and scriptural texts Newman frames the second chance experience as the quintessential cultural paradox a concept that simultaneously represents the pinnacle of our shared hopes for renewal and our deepest suspicions about the intransigence of human nature

Batos, Bolillos, Pochos, and Pelados Chad Richardson, Michael J. Pisani, 2017-07-18 This updated edition of the classic study examines life on the Texas Mexico border including the effects of NAFTA drug violence and immigration crises Batos Bolillos Pochos and Pelados offers an authoritative portrait of the people of the South Texas Northern Mexico borderlands First published in 1999 the book is now extensively revised and updated to cover developments since 2000 including undocumented immigration the drug wars race relations growing social inequality and the socioeconomic gap between Latinos and the rest of American

society issues of vital and continuing national importance An outgrowth of the Borderlife Research Project conducted at the University of Texas Rio Grande Valley Batos Bolillos Pochos and Pelados uses the voices of several hundred Valley residents collected by embedded student researchers and backed by the findings of sociological surveys to describe the lives of migrant farmworkers colonia residents undocumented domestic servants maquiladora workers and Mexican street children This wide ranging study explores social racial and ethnic relations in South Texas among groups such as Latinos Mexican immigrants wealthy Mexican visitors Anglo residents or tourists and Asian and African American residents With extensive firsthand material the book addresses the future integration of Latinos into the United States *HR Magazine Society* 6/2016 Voll.14 No.162 June 2016 □□□□□□□□□□, HR Digital *Adaptive Health Management Information Systems: Concepts, Cases, and Practical Applications* Joseph Tan, 2019-09-17 Adaptive Health Management Information Systems Fourth Edition is a thorough resource for a broad range of healthcare professionals from informaticians physicians and nurses to pharmacists public health and allied health professionals who need to keep pace the digital transformation of health care Wholly revised updated and expanded in scope the fourth edition covers the latest developments in the field of health management information systems HMIS including big data analytics and machine learning in health care precision medicine digital health commercialization supply chain management informatics for pharmacy and public health digital health leadership cybersecurity and social media analytics *Holding Together* John Shattuck, Sushma Raman, Mathias Risse, 2022-05-31 A bold new assessment of the multipronged attack on rights in the United States and how to push back An overwhelming majority of Americans agree that rights are essential to their freedom and that rights today are severely threatened The promise of rights has been reimagined at pivotal moments in American history from the American Revolution to the Civil War to the Civil Rights Movement Can today become another time of transformation *Holding Together* is about the promise of rights as a source of American identity the struggle to realize rights by countless Americans to whom the promise has been denied or not fulfilled the hijacking of rights by politicians who seek power by dividing and polarizing and the way forward in which rights can bring Americans together instead of tearing them apart Drawing on a series of town hall meetings with representative groups of citizens across the country discussing their concerns over rights new national opinion polls from all demographic groups and political perspectives conducted in 2020 and 2021 and extensive research *Holding Together* is a road map for an American rights revival John Shattuck Sushma Raman and Mathias Risse present a comprehensive account of the current state of rights in the United States and concrete recommendations to policy makers and citizens on how to reclaim them *The Remarkable Rise of Transgender Rights* Jami Kathleen Taylor, Donald P. Haider-Markel, Daniel Clay Lewis, 2018-10-17 While medical identification and treatment of gender dysphoria have existed for decades the development of transgender as a collective political identity is a recent construct Over the past twenty five years the transgender movement has gained statutory nondiscrimination protections at the state and local levels hate crimes

protections in a number of states inclusion in a federal law against hate crimes legal victories in the courts and increasingly favorable policies in bureaucracies at all levels It has achieved these victories despite the relatively small number of trans people and despite the widespread discrimination poverty and violence experienced by many in the transgender community This is a remarkable achievement in a political system where public policy often favors those with important resources that the transgender community lacks access money and voters The Remarkable Rise of Transgender Rights explains the growth of the transgender rights movement despite its marginalized status within the current political opportunity structure

Inside the Schoolhouse John Gratto, 2021-05-22 The issues addressed in this easy to read book address the most common issues faced by new or veteran principals such as attributes of successful principals leading instructional improvement crafting a school improvement plan overcoming resistance from naysayers leading effective teams creating conditions for the success of teachers motivating unmotivated staff increasing the attendance of students handling disciplinary issues to help students become self managed communication strategies to build respect for the school maximizing the use of time and handling conflict productively It also contains a chapter entitled Friendly Advice with prudent advice for school leaders in any stage of their career The proven strategies in each chapter are based upon bedrock principles unassailable values that will help principals ground their actions in student centered achievement oriented relationship filled leadership In short Inside the Schoolhouse is a compendium of dozens of practical proven strategies to enable principals to flourish in their highly important roles
