

OECD Economic Surveys CHINA

MARCH 2015

Oecd Economic Surveys China 2015 Edition 2015

Volume 2015

The logo consists of a light blue horizontal bar with a rounded right end. To the right of the bar is a red semi-circular shape with a gradient, resembling a stylized sun or a lens flare.

OECD

Oecd Economic Surveys China 2015 Edition 2015 Volume 2015:

OECD Economic Surveys: China 2017 OECD,2017-03-21 This 2017 OECD Economic Survey of China examines recent economic developments policies and prospects The special chapters cover boosting firm performance and entrepreneurship enhancing inclusiveness

OECD Economic Outlook, Volume 2015 Issue 1 OECD,2015-06-19 The OECD Economic Outlook is the OECD s twice yearly analysis of the major economic trends and prospects for the next two years

OECD Economic Outlook, Volume 2015 Issue 2 OECD,2015-12-02 This OECD Economic Outlook analyses the current economic situation and examines the economic policies required to foster a sustained recovery in member countries The present issue covers the outlook to end 2017 for both OECD countries and selected non OECD economies

OECD Economic Surveys: China 2019 OECD,2019-05-16 The Economic Survey of China assesses the country s recent macroeconomic performance and proposes policy measures to promote higher quality growth Policy recommendations relate to how to integrate product and labour markets and enhance inclusiveness

OECD Economic Surveys: India 2017 OECD,2017-02-28 This 2017 OECD Economic Survey of India examines recent economic developments policies and prospects The special chapters cover tax reform and regional development

OECD Economic Surveys: Brazil 2018 OECD,2018-02-28 Strong growth and remarkable social progress over the past two decades have made Brazil one of the world s leading economies despite the deep recession that the economy is now emerging from However inequality remains high and fiscal accounts have deteriorated substantially calling for

OECD Economic Outlook, Volume 2017 Issue 2 OECD,2017-12-19 The OECD Economic Outlook is the OECD s twice yearly analysis of the major economic trends and prospects for the next two years The Outlook puts forward a consistent set of projections for output employment prices fiscal and current account balances

OECD Economic Surveys: China 2022 OECD,2022-03-18 China s economy has strongly rebounded from the deep dive following the COVID 19 outbreak and has returned to its gradually slowing path Rebalancing from investment to consumption from manufacturing to services and rural people s moving to cities have been set back by the pandemic but need to restart to make growth sustainable and inclusive

Food Consumption in the City Marlyne Sahakian,Czarina Saloma,Suren Erkman,2016-10-04 Food consumption patterns and practices are rapidly changing in Asia and the Pacific and nowhere are these changes more striking than in urban areas This book brings together scholars from anthropology sociology environmental studies tourism architecture and development studies to provide a comprehensive examination of food consumption trends in the cities of Asia and the Pacific including household food consumption eating out and food waste The chapters cover different scales of analysis from household research to national data and combine different methodologies and approaches from quantifiable data that show how much people consume to qualitative findings that reveal how and why consumption takes place in urban settings Detailed case studies are included from China India Japan Malaysia Philippines South Korea and Vietnam as well as Hawai i and Australia The book makes a timely contribution to current

debates on the challenges and opportunities for socially just and environmentally sound food consumption in urbanizing Asia and the Pacific Chapter 3 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 3.0 https://s3.amazonaws.com/tandfbis-rt/files/docs/OpenAccessChapters/9781138120617_oachapter3.pdf **OECD Economic Surveys: Austria 2017** OECD,2017-07-17 Austria is a stable and wealthy economy and growth has picked up following the 2016 tax reform and the recovery of export demand Employment has expanded driven by rising participation of women and elderly and by immigration although hours worked per worker have declined **Fiscal Underpinnings for Sustainable Development in China** Ehtisham Ahmad,Meili Niu,Kezhou Xiao,2017-12-28 This book collects high quality papers on issues related to the rebalancing strategy in China new clean cities as hubs liability management and involving the private sector including through PPPs with specific examples from Guangdong Guangdong has been at the forefront of economic reforms in China since the advent of the Responsibility System in the late 1970s and its successes and challenges reflect those of China as a whole The need for rebalancing towards a more inclusive and sustainable path is also critical in Guangdong just as it is in China Strengthening the fiscal underpinnings and the next stages of tax reforms are critical drivers to accomplishing the requisite structural changes

OECD Economic Surveys: Lithuania 2016 Economic Assessment OECD,2016-03-15 This 2016 OECD Economic Survey of Lithuania examines recent economic developments policies and prospects The special chapters cover Productivity convergence and Inclusive growth **African Bargaining Power with China** Christina Seyfried,2023-06-26 This book provides a detailed account of the political economy around investment deal negotiations between African governments and private Chinese investors The book draws on evidence from experiments and hundreds of interviews with policy makers and Chinese investors across Nigeria South Africa Kenya Ethiopia and Tanzania It shows that governments of authoritarian or one party dominant states which are among the top receivers of Chinese investments are able to easily and successfully act collectively to impose human capital and technology transfer requirements The book argues that rather than treating African countries as price takers in the face of increasing Chinese influence in the continent we should instead recognise the significant bargaining leverage that many African governments have to influence deal conditions especially with smaller private Chinese companies It demonstrates that several African governments can instead act as price setters and that the success of the rising Chinese presence in Africa and whether this leads to positive or negative development outcomes fundamentally depends on the development strategies that individual African governments decide on In the context of an often polarised debate the original research presented in this book has important implications for the future economic development strategies of African countries As such it will be of interest to researchers working on Chinese and African investment politics institutions business economics and international relations **Latin American Economic Outlook 2017 Youth, Skills and Entrepreneurship** OECD,CAF Development Bank of Latin America,Economic Commission for Latin America

and the Caribbean,2016-10-29 The 2017 edition of the Latin American Economic Outlook explores youth skills and entrepreneurship Young Latin Americans embody the region s promise and perils They stand at the crossroads of a region whose once promising economy and social progress is now undergoing a slowdown **OECD Economic Outlook, Volume 2018 Issue 1** OECD,2018-06-21 The OECD Economic Outlook is the OECD s twice yearly analysis of the major economic trends and prospects for the next two years The Outlook puts forward a consistent set of projections for output employment prices fiscal and current account balances Coverage is provided for all OECD member *Second International Handbook of Urban Education* William T. Pink,George W. Noblit,2017-01-06 This second handbook offers all new content in which readers will find a thoughtful and measured interrogation of significant contemporary thinking and practice in urban education Each chapter reflects contemporary cutting edge issues in urban education as defined by their local context One important theme that runs throughout this handbook is how urban is defined and under what conditions the marginalized are served by the schools they attend Schooling continues to hold a special place both as a means to achieve social mobility and as a mechanism for supporting the economy of nations This second handbook focuses on factors such as social stratification segmentation segregation racialization urbanization class formation and maintenance and patriarchy The central concern is to explore how equity plays out for those traditionally marginalized in urban schools in different locations around the globe Researchers will find an analysis framework that will make the current practice and outcomes of urban education and their alternatives more transparent and in turn this will lead to solutions that can help improve the life options for students historically underserved by urban schools The Chinese Economy and its Challenges Charles C.L. Kwong,2019-12-09 The remarkable transformation of the Chinese economy in terms of its structure and growth has drawn unprecedented attention from academics policy makers and businessmen alike In the past four decades China swiftly transformed from a centrally planned to a market oriented economy with an economic size just behind the US and ahead of Japan Amid commendations for China s economic success offering valuable reform and growth lessons to other developing countries underlying challenges have been emerging which constitute long term risks in shaking China s sustainable success These challenges encompass a wide range of sectors and issues such as the rural urban divide state monopoly policy loans in the banking sector lack of skilled and sophisticated workers environmental degradation etc This book unveils the risks and challenges embedded in China s spectacular economic success and demonstrates that effective handling of these challenges is vital for China to avoid falling into the middle income trap It is elucidated that feasible solutions are available to accommodate these risks and the clue of success lies on the willingness and ability of China s central leaders to implement further reforms This book is a valuable reference for undergraduate and postgraduate students academics and public and business policy makers who are concerned about the current status and future development of the Chinese economy OECD Food and Agricultural Reviews Innovation, Agricultural Productivity and Sustainability in China OECD,2018-10-04 The expansion of agricultural

production in China has been remarkable but at the expense of the sustainable use of its natural resources To counter this as well as to face problems due to rising labour costs and a rapidly ageing rural population agricultural production must concentrate on a Red Flags George Magnus,2018-10-23 A trusted economic commentator provides a penetrating account of the threats to China's continued economic rise Under President Xi Jinping China has become a large and confident power both at home and abroad but the country also faces serious challenges In this critical take on China's future economist George Magnus explores four key traps that China must confront and overcome in order to thrive debt middle income the Renminbi and an aging population Looking at the political direction President Xi Jinping is taking Magnus argues that Xi's authoritarian and repressive philosophy is ultimately not compatible with the country's economic aspirations Thorough and well researched the book also investigates the potential for conflicts over trade China's evolving relationship with Trump and the country's attempt to win influence and control in Eurasia through the Belt and Road initiative **Standardization**

Strategies in China and India Joachim Freimuth,Siglinde Kaiser,Monika Schädler,2025-01-27 In today's digital era the significance of standards in modernization and innovation cannot be overstated Often overlooked as purely technical aspects they today reveal their profound economic and political impact Focusing on India and China this book sheds light onto the standardization approaches of these two dynamic nations With insights from both academic and practical perspectives this book shows how China's centralized planning and structured institutions contrast with India's emerging hybrid model which reflects its rich diversity Both countries possess untapped technological potential that is poised to reshape the global standardization landscape What do these developments mean for the German and European economies Find out in the concluding chapters as the authors explore the implications of these standardization trends on a global scale This book is essential reading for professionals navigating the ever evolving intersection of modernization innovation and global standards as well as for researchers interested in a better understanding of standardization strategies
