Moonheart Forests of the Heart and The Onion Girl have earned him a devoted following and critical acclaim as a master of contemporary magical realism At the heart of his work is the ongoing Newford series of which this is the latest volume The city of Newford could be any contemporary North American city except that magic lurks in its music in its art in the shadows of its grittiest streets where mythic beings walk disguised And its people are like you and me each looking for a bit of magic to shape their lives and transform their fate In this volume we meet a bluesman hiding from the devil a Buffalo Man at the edge of death a murderous ghost looking for revenge a wolf man on his first blind date and many more We re reunited with Jilly Geordie Sophie the Crow Girls and other characters whose lives have become part of the great Newford myth And De Lint takes us beyond Newford s streets to the pastoral hills north of the city where magic and music have a flavor different but powerful still Gracefully told and filled with unforgettable and convincing characters Library Journal **Quill & Quire**,2002 **The Year's Best Fantasy and Horror Seventh Annual Collection** ,1994 **Sequels** Janet G. **Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites *The Year's Best Fantasy and Horror*, 2002
