When Tomorrow Starts Without Me Lori Plegge, 2013-12-11 Most people who have lost a child write books about how to cope with the child's death Author Lori Plegge has taken a different perspective on losing a child Instead of writing about how to cope with the death of a child she has decided to write a story about her son's life When Tomorrow Starts Without Me is about the life and death of a young man named Anthony Lori Anthony's mother is writing this book because she wants to share her son's story with others She hopes her story will help other parents who have lost a child

realize they are not going through this alone No matter how hard Lori tried to raise Anthony right he made some bad choices in his life and those bad choices led to his death Children are not supposed to die before their parents because children are our future therefore when a child dies so does our future Throughout the book Lori Plegge tells about all the emotions shock helplessness numbness denial and anger she experienced and how she coped with each of them No matter how much Lori wants to shut herself away from the rest of the world she must continue living She has two other sons to raise and she has to be strong for them Lori tells how she has overcome the loss of her son and lives each day to the fullest She describes the loss of a child as an indescribable pain a pain that makes it difficult to move on with life She says Neugeboren best describes this pain in a quote A wife who loses a husband is called a widow A husband who loses a wife is called a widower A child who loses his parents is called an orphan But there is no word for a parent who loses a child that s how awful the loss is Neugeboren 1976 154 Lori Plegge says if When Tomorrow Starts Without Me helps just one parent realize the emotions they are going through are normal or stops just one child from making the same mistakes her son did then her story has served its purpose **My Life Without Me** Jaclyn Aurore,2014-08-04 My name is Jamie and I am brilliant Or at least I was Now I don t know what s what anymore Living in a swirling fog of absent memories Jamie struggles every day to remember who she is and where she s going While her classmates are discussing the latest book craze she is tracking her own life in a journal Each day brings new challenges especially when Callum McKenzie appears bringing with him a brief glimpse of clarity Whenever the exchange student from Scotland is near Jamie s unusual amnesia recedes allowing her to experience university life with ease Unfortunately Callum s presence in her life is as unstable as the fog that threatens her He knows more about Jamie s life than she does but he never sticks around long enough for her to figure anything out It s only a matter of time before she forgets everything altogether *C++ All-in-One For Dummies* John Paul Mueller,Jeffrey M. Morelli has perfected a plan to get revenge on his runaway wife confronting her at the opening gala for her father's hotel. What he didn't plan on was the flaring of emotions the moment he sees her again. Jasmine Anderson has no memories of her husband. Her only link to him is the wedding rings she wears. Luciano storms back into her life announcing he is her husband demanding she join him on a business trip or see her father's livelihood crumble. Passion reignites as they rediscover what first drew them together. But more than just memories are lost. Can their bond be rebuilt or will secrets infect their already shattered trust.

Bound By His Desire From Nicole Flockton author of *Bound by her Ring* the last thing he wants is an emotional attachment to his new assistant but it might be the only thing he truly needs. Nick Rhodes has been burned before so when he hires a new assistant he has one rule no emotional attachments. On either side Pamela Bishop is everything he needs in a professional colleague and comes with an ironclad guarantee she absolutely will not fall in love with him. Pamela Bishop has only one goal in her new job getting on top of the mountain of debts incurred through her mother's medical expenses. Jeopardising this chance by falling in love with her arrogant if handsome employer is the last thing she would ever do. But as the lure and romance of New York City surrounds them and Pamela and Nick find themselves spending more and more time together they can no longer ignore the attraction flaring between them. Nick has always lived by his own rules can he learn to break them in time to grab this one chance at happiness.

Bound By Their Love From Nicole Flockton comes the intense emotional conclusion of her bestselling *Bound* trilogy. Reclusive, exclusive and world renowned Jeffrey Courteux might get a lot of attention for his exquisite jewellery but he keeps his personal life under tight wraps. His solitary life fuels his creativity and keeps him sane and he's not willing to give it up until a pair of sexy legs in killer heels makes hiding away less appealing than it used to be. Smart driven and ambitious Greta Adamas knows she's the only suitable candidate for vice president of her family's advertising firm. Landing the Jeffrey Courteux account for his new line of jewellery will only catapult her to the upper echelons of the advertising world and nothing will keep her from achieving her dreams not even the overwhelmingly attractive designer who won't leave her thoughts. Mixing business with pleasure is always a potent cocktail but one with consequences. What happens when two people who know what they want suddenly want something completely different and completely out of their reach.
