family relics a marriage license a letter a visa petition a photograph And just as often they are built on the questions that can no longer be answered Dear Memory is not a transcription but a process of simultaneously shaping and being shaped knowing that when a writer dips their pen into history what emerges is poetry In carefully crafted missives on trauma and loss on being American and Chinese Victoria Chang shows how grief can ignite a longing to know yourself In letters to family past teachers and fellow poets as the imagination Dear Memory offers a model for what it looks like to find ourselves in our histories Chang s work is excavation a digging through the muck of society for an existential clarity a cultural clarity and a general clarity of self New York Times Book Review Groundbreaking Chang s lyrical experiment memorably evokes an individual family s time capsule and an artist s timeless yearning to shape carbon dust into incandescent gem NPR Both a chronicling of Chang s family s history and a powerful stirring rumination on ancestry inherited trauma and home TIME
