Mental Graffiti Scott Pond, 2016-01-17 A twisted coffee table book or bathroom reader from the dark and wacky mental recesses of a creative dude Hundreds sometimes thousands of random and quirky thoughts flit through our little brains everyday Sparked by the intricate firing synapses making up our grey matter these fleeting impressions appear and are instantly absorbed into the mental ther often without being noticed But sometimes we allow those thoughts to surface long enough to be recognized as the hidden gems to be considered fully cherished and or adored in guilty terror such as these I wonder if feline is best served with a white wine or a red Maybe beer I bet every single one of you jack munches are just sick figments of my overactive sadomasochistic imagination It s the only possible explanation Scott E Pond has been collecting his random thoughts and observations and posting them for the enjoyment of the masses on social media for the last six years Mental Graffiti contains the best of the best hand selected for you for this volume Enjoy Scott Pond is my spiritual guru and this book is his bible thing Scott Sigler New York Times best selling author of ALIVE Dear Hallmark If you are looking for someone to launch your deranged line of cards look no further than Scott Pond Mur Lafferty winner of the John W Campbell Award

world's best known design companies from the late 1970s to the early 1990s. For the first time a wide range of the Pentagram partners' internationally acclaimed work from corporate identity to architecture and book design is surveyed and used to illustrate the many different forms of thinking that design may take from narrative to parody and pun. All the Pentagram partners have contributed essays on their particular preoccupations while special sections examine the implications of the client-designer relationship and the Pentagram company's own structure, personnel and methodology. A fascinating peak behind the scenes, this book permits a penetrative insight into how one of the world's most energetic and prominent design companies functions in everyday reality to produce the astounding works for which it is famous. *Microphone Fiends* Tricia Rose, Andrew Ross, 2014-06-11. *Microphone Fiends* a collection of original essays and interviews brings together some of the best known scholars, critics, journalists and performers to focus on the contemporary scene. Random Thoughts of a Creative Mind Sue Hassel, 2020-03-10. RANDOM THOUGHTS OF A CREATIVE MIND is a collection of all of Hassel's writings that have been submitted literally since grade school to present time, including one short story delivered in a big writing class that scandalized some, left others howling with laughter and the remainder thinking quietly as they left for home. Her take on life is unique, having grown up on a farm doing heavy labor with her father on and around heavy equipment. She is quite a horsewoman and, above all, she would say, "What you see is what you get." Hassel is also a fine painter (see cover art) and a gifted amateur dancer en pointe and modern. Sue Hassel grew up on a farm in Wisconsin, attended the UW Madison and then went to Europe. Her mother, Elenora, was a homemaker who designed and sewed clothes for friends and family. Her father, Carl, was an oil trucker for 41 years, a natural horseman and very gifted and humane in
