Monologuesjournal Entries Original And Fresh:

Writing and Growing Timothy Horan, 2022-07-11 In this book Dr Timothy Horan presents an original and highly effective writing program whose major goal is to transform high school students into accomplished writers and mature young adults This writing program is innovative rigorous and engaging and was designed with high school students in mind This volume contains a total of twenty original writing projects that represent creative and innovative interpretations of Common Core Writing Standards These projects focus on the worlds of contemporary secondary students exploring such topics as technology literature goals for the future and potential careers Each assignment in this book is full and complete and includes a reproducible outline that presents the assignment to students in a simplified graphical format As students progress through this program they will encounter engaging writing projects that foster growth and anticipate the changes occurring in students lives during this time of development and transition It will also prepare students for the rigors of writing in college career and the unwritten future that awaits all of them Finally Dr Horan issues a call for every secondary school in the United States to create and implement courses singularly devoted to the craft of writing and this book contains the curriculum for that course *Speech and Drama*, 1988 **Great Books for Every Book Lover** Thomas J.

Croughwell, 1998 Can't decide what to read Imagine a list of the greatest books described in concise insightful and witty profiles to browse in search of the next perfect read 2002 Great Books for Every Book Lover offers all this and more reviewing each book with the wit and wisdom of a seasoned book critic in this unique and useful reference that belongs in every bibliophile's library Readers will love the broad selection of titles learning about famous authors and finding or recommending the next perfect read for themselves friends and family every type of book is covered Each of the 2002 book profiles roughly one paragraph long gives a short summary historical context information about the author why the book was important and other recommended reads by the same author Indexes make it easy to find books by subject title or author A tear off list gives readers a handy in store reference and a check off list helps track all the books they've read Acting is Your Business Wendy S. Kurtzman, 2024-01-25 After training and studying for years you've earned a degree now what How to get a job and have a career as an actor is the number one question facing emerging artists and one which this book answers for you While performing arts schools do a great job of teaching how to act most don't teach you how to launch and sustain a career This book addresses this fundamental aspect of your creative journey delivering a precise formula to help you organize the next chapter of your life It helps you to find work and proactively build a career by providing the tools you'll need to connect with working professionals within the industry If acting is your business you must run it as a business Positioning you as CEO of your own company this book uses a boardroom table as a visual model At that table are 7 key positions each representing an area of action and expertise that you must understand to build a successful career With worksheets and tools supplemented throughout with interviews with industry professionals from North America the UK and

Europe and Australia and further supported by a companion website this action plan will empower and equip you to achieve your career goals
