Moral Spirit Motive Classic Reprint:

Spirits of Fire G. A. Rosso, Daniel P. Watkins, 1990 This work is a compilation of twelve essays on romantic literature by practitioners of a resurgent historical criticism sharing the common assumption that no aspect of the object of literary study escapes the conditioning power of historical change

Classics of Moral and Political Theory Michael L. Morgan, 2011-09-15 The fifth edition of Michael L. Morgan's *Classics of Moral and Political Theory* broadens the scope and increases the versatility of this landmark anthology by offering new selections from Aristotle's *Politics*, Aquinas' *Disputed Questions on Virtue* and *Treatise on Law* as well as the entirety of Locke's *Letter Concerning Toleration*, Kant's *To Perpetual Peace* and Nietzsche's *On the Advantage and Disadvantage of History for Life*

Ethics (Serapis Classics) John Dewey, James Tufts, 2017-10-07 The significance of this text in *Ethics* lies in its effort to awaken a vital conviction of the genuine reality of moral problems and the value of reflective thought in dealing with them To this purpose are subordinated the presentation in Part I of historic material, the discussion in Part II of the different types of theoretical interpretation and the consideration in Part III of some typical social and economic problems which characterize the present Experience shows that the student of morals has difficulty in getting the field objectively and definitely before him so that its problems strike him as real problems Conduct is so intimate that it is not easy to analyze It is so important that to a large extent the perspective for regarding it has been unconsciously fixed by early training The historical method of approach has proved in the classroom experience of the authors an effective method of meeting these difficulties To follow the moral life through typical epochs of its development enables students to realize what is involved in their own habitual standpoints it also presents a concrete body of subject matter which serves as material of analysis and discussion

A Conceptual-analytic Study of Classical Indian Philosophy of Morals Rajendra Prasad, 2008 Using reconstructive ideas available in classical Indian original works this book makes a departure in the style of modern writings on Indian moral philosophy It presents Indian ethics in an objective secular and wherever necessary critical manner as a systematic down to earth philosophical account of moral values virtues rights and obligations It thereby refutes the claim that Indian philosophy has no ethics as well as the counter claim that it transcends ethics It demonstrates that moral living proves that the individual his society and the world are really real and not only taken to be real for behavioral purposes as the Advaitins hold the self is amoral being a non agent moksa is not a moral value and the Karmic theory because of involving belief in rebirth does not fuarantee that the doer of an action is also the experiencer of its results contrary to what is commonly held and Indian ethics can sustain itself even if such notions are dropped Rajendra Prasad calls Indian ethics organismic because along with ethical concerns it also covers issues related to professions politics administration sex environment etc Therefore in one format it is theoretical and applied normative and metaethical humanistic and non humanistic etc of course within the limits of the then cognitive enquiry

Classical Readings in Culture and Civilization

Stephen Mennell, John F. Rundell, 1998 In recent times especially under the influence of postmodernism culture has often been construed as a critique of modernity This wide ranging and comprehensive collection of readings shows that such issues have always been at the centre of thought about the relationship between culture and civilization The readings are divided into three sections linking the civilization debate to political theory to the cultural debate and to the sociology and anthropology The substantial extracts included give students a rare chance to engage at length with classic texts to appreciate the nature of the battle between the Enlightenment and its critics which has shaped current thought Classical Readings on Culture and Civilisation presents essays from Immanuel Kant Adam Ferguson Thomas Jefferson Alexis de
