Memoirs Of A Dutiful Daughter Perennial Classics:

Memoirs of a Dutiful Daughter Simone de Beauvoir, 2016-05-10 A book that will leave no one indifferent and no one affected in quite the same way New York Times A superb autobiography by one of the great literary figures of the twentieth century Simone de Beauvoir's *Memoirs of a Dutiful Daughter* offers an intimate picture of growing up in a bourgeois French family rebelling as an adolescent against the conventional expectations of her class and striking out on her own with an intellectual and existential ambition exceedingly rare in a young woman in the 1920s Beauvoir vividly evokes her friendships love interests mentors and the early days of the most important relationship of her life with fellow student Jean Paul Sartre against the backdrop of a turbulent political time

Feminist Reflections on Childhood Penny A. Weiss, 2021-05-14 Recovers a history of feminist thought and activism that demands greater voice and respect for young people *Literature and the Senses* Annette Kern-Stähler, Elizabeth Robertson, 2023-07-06 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations *Literature and the Senses* critically probes the role of literature in capturing and scrutinizing sensory perception Organized around the five traditional senses followed by a section on multisensoriality the collection facilitates a dialogue between scholars working on literature written from the Middle Ages to the present day The contributors engage with a variety of theorists from Maurice Merleau-Ponty to Michel Serres to Jean-Luc Nancy to foreground the distinctive means by which literary texts engage with open up or make uncertain dominant views of the nature of perception Considering the ways in which literary texts intersect with and diverge from scientific epistemological and philosophical perspectives these essays explore a wide variety of literary moments of sensation including the interspecies exchange of a look between a swan and a young Indigenous Australian girl the sound of bees as captured in an early modern poem the noxious smell of the Great Stink that recurs in the Victorian novel the taste of an eggplant registered in a poetic performance tactile gestures in medieval romance and the representation of a world in which the interdependence of human beings with the purple hibiscus plant is experienced through all five senses The collection builds upon and breaks new ground in the field of sensory studies focusing on what makes literature especially suitable to engaging with contributing to and challenging our perennial understandings of the senses

Louisa May Alcott and the Textual Child Kristina West, 2020-04-28 This book examines constructions of childhood in the works of Louisa May Alcott While *Little Women* continues to gain popular and critical attention Alcott's wider works for children have largely been consigned to history This book therefore investigates Alcott's lesser-known children's texts to reconsider critical assumptions about childhood in her works and in literature more widely Kristina West investigates the trend towards reading Alcott's life into her works readings of gender and sexuality race disability and class the sentimental domestic portrayals of Transcendentalism and American education and adaptations of these works Analyzing Alcott as a writer for twenty-first century children West considers Alcott

s place in the children's canon and how new media and fan fiction impact readings of her works today **The Battle of the Sexes in French Cinema, 1930-1956** Noël Burch, Geneviève Sellier, 2013-11-25 This comprehensive historical study of French films made between 1930 and 1956 before during and after the Second World War homes in on cinematic representations of gender relations *Lévi-Strauss* Emmanuelle Loyer, 2019-01-18 Academic writer figure of melancholy aesthete Claude Lévi Strauss 1908-2009 not only transformed his academic discipline he also profoundly changed the way that we view ourselves and the world around us In this award winning biography historian Emmanuelle Loyer recounts Lévi Strauss's childhood in an assimilated Jewish household his promising student years as well as his first forays into political and intellectual movements As a young professor Lévi Strauss left Paris in 1935 for São Paulo to teach sociology His rugged expeditions into the Brazilian hinterland where he discovered the Amerindian Other made him into an anthropologist The racial laws of the Vichy regime would force him to leave France yet again this time for the USA in 1941 where he became Professor Claude Lévi Strauss to avoid confusion with the jeans manufacturer Lévi Strauss's return to France after the war ushered in the period during which he produced his greatest works several decades of intense labour in which he reinvented anthropology establishing it as a discipline that offered a new view on the world In 1955 *Tristes Tropiques* offered indisputable proof of this the world over During those years Lévi Strauss became something of a French national monument as well as a celebrity intellectual of global renown But he always claimed his perspective was a view from afar enabling him to deliver incisive and subversive diagnoses of our waning modernity Loyer's outstanding biography tells the story of a true intellectual adventurer whose unforgettable voice invites us to rethink questions of the human and the meaning of progress She portrays Lévi Strauss less as a modern than as our own great and disquieted contemporary Love and Sexuality in Social Theory Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 *Love and Sexuality in Social Theory* considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions **Being a Teacher** Alison M. Brady, 2022-11-08 This book re-conceptualizes teaching through an

engagement with Jean Paul Sartre's early existentialist thought. Against the grain of teacher accountability it turns to the demanding account of being human in Sartre's thought on the basis of which an alternative account of teaching can be developed. It builds upon Sartre's key concepts related to the self, freedom, bad faith and the Other such that they might open up original ways of thinking about the practices of teaching. Indeed, given the everyday complexities that characterize teaching as well as the vulnerabilities and uncertainty that it so often involves, this book ultimately aims to create a space in which to reimagine forms of accounting that move from technicist ways of thinking to existential sensitivity in relation to one's practice as a teacher.

Singular Pasts Enzo Traverso, 2022-11-01 Today history is increasingly written in the first person. A growing number of historical works include an autobiographical dimension as if writing about the past required exploring the inner life of the author. Neither traditional history nor autobiography, this hybrid genre calls the norms of the historical profession into question. In search of new and creative paths, it transgresses a cardinal rule of the discipline: third person narration long considered necessary to the objective analysis of the past. *Singular Pasts* offers a critical account of the emergence of authorial subjectivity in historical writing, scrutinizing both its achievements and its shortcomings. Enzo Traverso considers a group of contemporary historians including Ivan Jablonka, Sergio Luzzatto and Mark Mazower who reveal their emotional ties to their subjects and give their writing a literary flavor. He identifies a parallel trend in literature in which authors such as W. G. Sebald, Patrick Modiano, Javier Cercas and Daniel Mendelsohn write their works as investigations based on archival sources. Traverso argues that first person history mirrors contemporary ways of thinking: such writing is presentist and apolitical, perceiving and representing the past through an individual lens. Probing the limits of subjective historiography, he emphasizes that it is collective action that produces social change, we instead of I. In an epilogue Traverso considers the first person writing of Saidiya Hartman as a counterexample. A wide-ranging and illuminating critique of a key trend in humanistic inquiry, *Singular Pasts* reconsiders the notion of historical truth in a neoliberal age.

Simone Weil A. Rebecca Rozelle-Stone, 2024-01-23 This Very Short Introduction provides an overview of the intriguing and provocative life and ideas of twentieth-century French philosopher, mystic and social activist Simone Weil. Weil was not a typical systematic philosopher. Despite her short life, Weil's philosophy has much to offer us in our times of personal, communal, political and environmental crises, both in the breadth and poignancy of her philosophy and the topics it covers. In keeping with Weil's spirit to consider and address laypeople, Rozelle Stone takes readers, including those who have had little or no previous exposure to Weil or philosophy, on an accessible journey of Weil's major philosophical impacts. This exploration consists of seven chapters highlighting her life and manner of death, both characterized by attention to the influence of ancient Greek ideas on her philosophy, her thoughts on labour and politics, her unique and ecumenical religious inspirations stemming from Christianity, Hinduism, Buddhism and Taoism, her ethical philosophy centred on a specific notion of attentiveness, her understanding of beauty as connected to fragility but also eternity, and finally her legacy and influence on contemporary

writers and issues particularly as she may help us navigate and critically assess the growing convergence between religious fervour late capitalist and corporate values and authoritarian politics

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Ransacking Paris Patti Miller, 2015-07-01 When Patti Miller arrives in Paris to write for a year the world glows as if the light that comes after the sun has gone down has spilled gold on everything But wasn't that just romantic illusion Miller grew up on Wiradjuri land in country Australia where her heart and soul belonged Mother of grown up boys with lives of their own what did she think she would find in Paris that she couldn't find at home She turns to French writers Montaigne Rousseau de Beauvoir and other memoirists each one intent on knowing the self through gazing into the looking glass of the great world They accompany her as she wanders the streets of Paris they even have coffee together and they talk about love suffering desire motherhood truth telling memory the writing journey and how to know who we are in the family and in the cultures that shape us This story of a year spent writing and reading in Paris explores truth and illusion self knowledge and identity and evokes the beauty the contradictions and the daily life of contemporary Paris

Phenomenology of Broken Habits Line Ryberg Ingerslev, Karl Mertens, 2024-07-12

This volume explores the phenomenology of broken habits and their affective social and involuntary dimensions It shows how disruptive experiences impact self understanding and social embeddedness The chapters in this volume investigate the epistemic and existential relevance of breakdown of habits and the corresponding kinds of self understanding available to the agent The first part focuses on the double sidedness of habitual life On the one hand habits allow us to arrange and navigate in a familiar home world on the other hand habits can take hold of us in such a way that we lose our sense of autonomy The contributors argue that habitual agency is structurally carried by a dynamic that entails both freedom and necessity As habits enable us to inhabit and thus acquire a world they also affectively provide a texture and a background for our feeling at home in the world The chapters in Part 2 focus on the breakdowns of our habitual social and technological life forms and the phenomenology of their affective texture History and habitual learning are sedimented in our body memory and in our language and these sedimented layers are partly out of our direct control Part 3 focuses on the structural openness of habits in relating to one's past and one's traumatic experiences Part 4 reflects on the ways in which we might become aware of and thus transform or appropriate our culturally given habits Phenomenology of Broken Habits will appeal to researchers and advanced students working in phenomenology philosophy of mind and philosophy of psychology

The Paris Game Ray Argyle, 2014-08-02 At a crucial moment in the Second World War an obscure French general reaches a fateful personal decision to fight on alone after his government's flight from Paris and its capitulation to Nazi Germany Amid the ravages of a world war three men a general a president and a prime minister are locked in a rivalry that threatens their partnership and

puts the world's most celebrated city at risk of destruction before it can be liberated. This is the setting of *The Paris Game*, a dramatic recounting of how an obscure French general under sentence of death by his government launches on the most enormous gamble of his life to fight on alone after his country's capitulation to Nazi Germany. In a game of intrigue and double dealing, Charles de Gaulle must struggle to retain the loyalty of Winston Churchill against the unforgiving opposition of Franklin Roosevelt and the traitorous manoeuvring of a collaborationist Vichy France. How he succeeds in restoring the honour of France and securing its place as a world power is the stuff of raw history, both stirring and engrossing. **Life Stories** Maureen O'Connor, 2011-08-23. Memoirs, autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative organizing the literature according to popular genres, subgenres and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads. **Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies and Diaries** presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books. **Comics, the Holocaust and Hiroshima** Jane L. Chapman, Adam Sherif, 2016-01-12. Comics, the Holocaust and Hiroshima breaks new ground for history by exploring the relationship between comics as a cultural record, historiography, memory and trauma studies. Comics have a dual role as sources for gauging awareness of the Holocaust and through close analysis as testimonies and narratives of childhood emotions and experiences. **Life Writing** Sally Cline, Carole Angier, 2013-10-10. *Life Writing: A Writers' Artists' Companion* is an essential guide to writing biography, autobiography and memoir. PART 1 explores the history and forms of life writing and the challenges and potential pitfalls of the genre. PART 2 includes tips by bestselling writers: Diana Athill, Alan Bennett, Alain de Botton, Jill Dawson, Millicent Dillon, Margaret Drabble, Geoff Dyer, Victoria Glendinning, Lyndall Gordon, Peter Hayter, Richard Holmes, Michael Holroyd, Kathryn Hughes, Diane Johnson, Hermione Lee, Andrew Lownie, Janet Malcolm, Alexander Masters, Nancy Milford, Blake Morrison, Andrew Morton, Clare Mulley, Jenni Murray, Nicholas Murray, Kristina Olsson, Marion Elizabeth Rodgers, Meryle Secrest, Miranda Seymour, Frances Spalding, Hilary Spurling, Boyd Tonkin, Edmund White. PART 3 includes practical advice from planning, researching and interviewing to writing, pacing and navigating ethical issues. *The Arvon Book of Literary Non-Fiction* Sally Cline, Midge Gillies, 2012-10-02. A professional guide to the rapidly evolving genre of literary non-fiction written by tutors from the prestigious Arvon Foundation course and with contributions from leading writers. **New Books on Women and Feminism**, 2006. **The Contemporary Writer and Their Suicide**

Josefa Ros Velasco,2023-07-05 This volume is the continuation of the book Suicide in Modern Literature edited by Josefa Ros Velasco Considering the positive reception of this book Ros Velasco launches the second part entitled The Contemporary Writer and their Suicide This time leading representatives of various disciplines analyze the literary philosophical and biographical works of contemporary writers worldwide who attempted to commit suicide or achieved their goal looking for covert and overt clues about their intentions in their writings This book aims to continue shedding light on the social and structural causes that lead to suicide and on the suicidal mind but also to show that people assiduous to writing usually reflect their intentions to commit suicide in their writings to explain how these frequently veiled intentions can be revealed and interpreted and to highlight the potential of artistic philosophical and autobiographical writing as a tool to detect suicidal ideation and prevent its consummation in vulnerable people This book analyzes several case studies and their allusions to their contexts and the socio structural and environmental violence and pressures they suffered expressions of their will and agency feelings of dislocation between the individual reality and existential alienation and literary styles writing techniques and metaphorical language *Literary Non-Fiction: A Writers' & Artists' Companion* Sally Cline,Midge Gillies,2015-11-19
