Temple of the Living God Philip N. Richardson,2018-12-21

When writing to the Corinthians the Apostle Paul used figurative temple language repeatedly to shape the identity of his audience Temple of God Temple of the Holy Spirit and Temple of the Living God While other scholars have identified the place of the Jerusalem temple in Paul s thinking or the impact of temples in the life of Corinth there has been no comprehensive study of the way that figurative temple language in philosophy could have influenced the Corinthians worldview Hellenistic philosophy was pervasive in the first century and provided theological guidance for faith and practice to Paul s Gentile audience before their conversion Philip N Richardson provides a comprehensive survey of figurative temple language in Hellenistic philosophy shedding light on the way that the kinds of philosophical thought known in cities like Corinth may have influenced the Corinthians to think about figurative temple language This study throws into sharp relief the similarities and differences between Paul s use of temple language and that of philosophy and illuminates Paul s setting of this language in the wider framework of 1 2 Corinthians and his purpose for its use in the argument of the letters Birds in

Roman Life and Myth Ashleigh Green,2023-03-03 This book explores the place of birds in Roman myth and everyday life focusing primarily on the transitional period of 100 BCE to 100 CE within the Italian peninsula A diverse range of topics is considered in order to build a broad overview of the subject Beginning with an appraisal of omens augury and auspices including the sacred chickens consulted by generals before battle it goes on to examine how Romans farmed birds hunted them and kept them as pets It demonstrates how the ownership and consumption of birds were used to communicate status and prestige and how bird consumption mirrored wider economic and social trends Each topic adopts an interdisciplinary approach considering literary evidence alongside art material culture zooarchaeology and modern ornithological knowledge The inclusion of zooarchaeology adds another dimension to the work and highlights the value of using animals and faunal remains to interpret the past Studying the Roman view of birds offers great insight into how they conceived of their relationship with the gods and how they stratified and organised their society This book is a valuable resource for bird lovers and researchers alike particularly those studying animals in the ancient world **Water Displays in Domestic Spaces**

across the Late Roman West Ginny Wheeler,2025-02-28 Analyzes the use of water features in late antique homes across the Western Roman Empire highlighting their aesthetic social and practical significance For ambitious late antique homeowners seeking to demonstrate their status and taste water and its display offered almost infinite possibilities *Water Displays in Domestic Spaces across the Late Roman West Cultivating Living Buildings* presents the first synthesis of the archaeological evidence for late antique water features in both urban houses and extra urban villas across the western Empire Ginny Wheeler examines a wide and varied range of examples from decorative basins and pools to fountains of all forms and water equipped dining couches Through careful analysis and evocative reconstruction of the water displays in

their diverse contexts this book explores how they were incorporated into late antique residences the different ways that they enhanced domestic spaces and the potential motives behind their insertion To assess the great efforts to which homeowners particularly in urban settings went to ensure their installation and continued operation one case study focuses on the best preserved cityscape of Ostia While the roles of water features ranged from practical to aesthetic social and symbolic this book highlights their previously under considered contributions to thermal comfort and sensory experience through in depth analyses of two Iberian villas Wheeler identifies broad patterns and regional distinctions in form and decor before reflecting on the multifaceted significance of water in the domestic sphere informed by literary epigraphic and iconographic sources Beyond contributing to the ongoing debate over fountains utility versus aesthetics this research offers new insights into the organization of life at household and neighborhood levels the social relations between homeowners occasioned by water installations and the understanding and application of environmental design in antiquity

Paul and Seneca Among the Condemned James R. Unwin, 2024-10-08 Paul and Seneca Among the Condemned The Use of Spectacle in the Early Empire relocates the comparison of these two figures from the philosopher s lecture hall to the amphitheaters of Rome and Corinth The book explores the sites and images of spectacle that littered the landscapes of the ancient world By examining archaeological remains alongside the letters of Paul and Seneca James R Unwin recreates their exhibitions of spectacle imagery What we discover in viewing these provocative scenes from the grim world of the arena are suggestive responses to sovereign power and state terror Their responses open up space for us to think through the reproduction of new arenas in our present world

Time in the Eternal City, 2020-10-12 Time in the Eternal City Perceiving and Controlling Time in Late Medieval and Renaissance Rome is a major contribution to the study of time and its numerous aspects in late medieval and Renaissance Rome The authors offer a versatile view on the variety of ways time could be perceived Individual chapters concentrate on the grass root levels of everyday life on various uses of the past in the present as well as on the control of time by the ecclesiastical authorities These studies reveal a wealth of new information that demonstrates the almost endlessly fluid manner in which time could be perceived as well as the innovative ways in which time could be used by individuals and authorities alike Contributors are members of Tuomas Heikkil s research group at the Finnish Institute in Rome Holger Kaasik Urpo Kantola Marko Halonen Jasmin Lukkari and Saku Pihko

Breastfeeding and Mothering in Antiquity and Early Byzantium Stavroula Constantinou, Aspasia Skouroumouni-Stavrinou, 2023-09-29 This volume offers the first comparative interdisciplinary and intercultural examination of the lactating woman biological mother and othermother in antiquity and early Byzantium Adopting methodologies and knowledge deriving from a variety of disciplines the volume s contributors investigate the close interrelationship between a woman and her lactating breasts as well as the social ideological theological and medical meanings and uses of motherhood childbirth and breastfeeding along with their visual and literary representations Breastfeeding and the work of mothering are explored through the study of a great variety

of sources mainly works of Greek speaking cultures written and visual anonymous and eponymous which were mostly produced between the first and the seventh century AD Due to their multiple interdisciplinary dimensions ancient and early Byzantine lactating women are approached through three interconnected thematic strands having a twofold focus society and ideology medicine and practice and art and literature By developing the model of the lactating woman the volume offers a new analytical framework for understanding a significant part of the still unwritten cultural history of the period At the same time the volume significantly contributes to the emerging fields of breast and motherhood studies The new and significant knowledge generated in the fields of ancient and Byzantine studies may also prove useful for cultural historians in general and other disciplines such as literary studies art history history of medicine philosophy theology sociology anthropology and gender studies

Change and Transition on Crete: Interpreting the Evidence from the Hellenistic through to the Early Byzantine Period Jane Francis, Michael J Curtis, 2023-02-09 The theme of this volume presented in honour of G W M Harrison whose academic contributions have enriched our perspective of Roman Crete is change and transition a topic that challenges some of the earlier approaches to Hellenistic and Roman Crete and which presents a different perspective on historical events and archaeological evidence

Christine de Pizan Angus J. Kennedy, 2004 *The Dialogue on Miracles, Volume 1* Caesarius of Heisterbach, 2023-08-15 Caesarius was a monk at the Cistercian monastery of Heisterbach in Germany where he served as Master of novices For their instruction and edification he composed his lengthy Dialogue on Miracles in twelve sections between 1219 and 1223 The many surviving manuscripts of this and other works by Caesarius attest to his stature in the history of Cistercian letters This volume contains sections one through six of Caesarius of Heisterbach's Dialogue on Miracles the first complete translation into English of an influential representation of exempla literature from the Middle Ages Caesarius's stories provide a splendid index to monastic life religious practices and daily life in a tumultuous time

Paul and the Philosophers' Faith Suzan Sierksma-Agter, 2024-07-22 The notion of faith experienced a remarkable surge in popularity among early Christians with Paul as its pioneer Yet what was the wider cultural significance of the pistis word group This comprehensive work contextualizes Paul's faith language within Graeco Roman cultural discourses highlighting its semantic multifariousness and philosophical potential Based on an innovative combination of cognitive linguistics and discourse analysis it explores faith within social political religious ethical and cognitive contexts While challenging modern individualist and irrational conceptualizations this book shows how Paul uses pistis to creatively configure philosophical narratives of his age and propose Christ as its ultimate embodiment

About Sieves and Sieving Barbara Baert, 2019-04-15 The sieve exhibits a wide ranging symbolism that extends across art history philosophy anthropology psychoanalysis and gender studies Barbara Baert looks at the sieve from an interdisciplinary perspective and from four different innovative methodological angles as motif and symbol as technique and as paradigm The sieve as motif goes back to Roman stories the Vestal Virgins In later times their impermeable sieve which according to

legend they used to fetch water from the River Tiber was iconographically transferred to Elisabeth I as a sign of her integrity Furthermore the long durable life of sieves as symbolic technical utilitarian object is investigated in examples from the Jewish folklore the Berber culture and ancient Egypt **Comparing Roman Hellenisms in Italy** Basil Dufallo, Riemer A.

Faber, 2023-04-17 The story of Roman Hellenism defined as the imitation or adoption of something Greek by those subject to or operating under Roman power begins not with Roman incursions into the Greek mainland but in Italy where our most plentiful and spectacular surviving evidence is concentrated Think of the architecture of the Roman capital the Campanian towns of Pompeii and Herculaneum buried by Vesuvius and the Hellenic culture of the Etruscans Perhaps everybody knows that Rome adapted Greek culture in a steadily more sophisticated way as its prosperity and might increased This volume however argues that the assumption of smooth continuity let alone steady improvement in any aspect of Roman Hellenism can blind us to important aspects of what Roman Hellenism really is and how it functions in a given context As the first book to focus on the comparison of Roman Hellenisms per se **Comparing Roman Hellenisms in Italy** shows that such comparison is especially valuable in revealing how any singular instance of the phenomenon is situated and specific and has its own life trajectory circumstances and afterlife Roman Hellenism is always a work in progress is often strategic often falls prey to being forgotten decontextualized or reread in later periods and thus is in important senses contingent Further what we may broadly identify as a Roman Hellenism need not imply Rome as the only center of influence Roman Hellenism is often decentralized and depends strongly on local agents aesthetics and materials With this in mind the essays concentrate geographically on Italy to lend both focus and breadth to our topic as well as to emphasize the complex interrelation of Hellenism at Rome with Rome's surroundings Because Hellenism whether as practiced by Romans or Rome's subjects is in fact widely diffused across far flung geographical regions the final part of the collection gestures to this broader context

The Roman Gladius and the Ancient Fighting Techniques Fabrizio Casprini, Marco Saliola, 2023-01-06 The backbone of the Roman army was the infantry armed with a javelin or pilum and sword or gladius This study investigates not just the weapon itself and its design and manufacture but how the sword was originally conceived and how it was employed on the battlefield as an expression of the Roman state The authors start examining the early swords employed across the Italian Peninsula during the Bronze Age and how these evolved into the gladius which itself changed in the period of Monarchy with the introduction of the cross hilt During Rome's Consular period the gladius changed again and over time both the length of the blade and its width were altered Relying exclusively on historical and archaeological evidence **The Roman Gladius and the Ancient Fighting Techniques** shows how the Roman army developed into a highly disciplined body and how fundamental the gladius was to its method of fighting It also shows how the combat techniques of the Romans evolved as did those of their enemies The training methods and tactics of the Roman infantry are fully explored and its performance at some of the great battles of the monarchical and consular periods are examined as the area under Roman rule fluctuated with victory or defeat

For the Roman people the gladius was the object that better than any other showed their identity since it was a weapon that accompanied the history of the Roman people from its earliest days changing in shape and design as it was adapted to the varying social political and military needs The Roman Gladius and the Ancient Fighting Techniques is the most comprehensive study of this hugely important weapon which also provides the reader with a complete overview of Roman society which in this first volume is treated until the end of the Consular period The book is richly illustrated throughout with drawings and photographs of original weapons and equipment

Second Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

Thornton Wilder, Classical Reception, and American Literature Stephen J. Rojcewicz, Jr., 2021-11-25 This book delineates how Thornton Wilder 1897-1975 a learned playwright and novelist embeds himself within the classical tradition integrating Greek and Roman motifs with a wide range of sources to produce heart breaking masterpieces such as Our Town and comedy sensations such as Dolly Levi Through this study of archival sources and close reading readers will understand Wilder's avant garde staging and innovative time sequences not as a break with the past but as a response to the classics The author traces the genesis of unforgettable characters like Dolly Levi in The Matchmaker Emily Webb in Our Town and George Antrobus in The Skin of Our Teeth Vergil's expression Here are the tears of the world and human matters touch the heart haunts Wilder's oeuvre Understanding Vergil's phrase as tears for the beauty of the world Wilder utilizes scenes depicting the beauty of the world and the sorrow when individuals recognize this too late Wilder exhorts us to observe lovingly alert to the wonder of the everyday This work will appeal to actors and directors professors and students in classics and in American literature those fascinated by modern drama and performance studies and non specialists theatre goers and readers in the general public

The Cult of Pythagoras Alberto A. Martinez, 2012-10-30 In this follow up to his popular Science Secrets Alberto A Martinez discusses various popular myths from the history of mathematics that Pythagoras proved the hypotenuse theorem that Archimedes figured out how to test the purity of a gold crown while he was in a bathtub that the Golden Ratio is in nature and ancient architecture that the young Galois created group theory the night before the pistol duel that killed him and more Some stories are partly true others are entirely false but all show the power of invention in history Pythagoras emerges as a symbol of the urge to conjecture and fill in the gaps of history He has been credited with fundamental discoveries in mathematics and the sciences yet there is nearly no evidence that he really contributed anything to such fields at all This book asks how does history change when we subtract the many small exaggerations and interpolations that writers have added for over two thousand years The Cult of Pythagoras is also about invention in a positive sense Most people view mathematical breakthroughs as discoveries rather than invention or creativity believing that mathematics describes a realm of eternal ideas But mathematicians have disagreed about what is

possible and impossible about what counts as a proof and even about the results of certain operations Was there ever invention in the history of concepts such as zero negative numbers imaginary numbers quaternions infinity and infinitesimals Martinez inspects a wealth of primary sources in several languages over a span of many centuries By exploring disagreements and ambiguities in the history of the elements of mathematics The Cult of Pythagoras dispels myths that obscure the actual origins of mathematical concepts Martinez argues that an accurate history that analyzes myths reveals neglected aspects of mathematics that can encourage creativity in students and mathematicians *Medieval Narratives of Alexander the Great* Venetia Bridges, 2018 An investigation into the depiction and reception of the figure of Alexander in the literatures of medieval Europe *Roman Standards & Standard-Bearers (1)* Raffaele D'Amato, 2018-01-25 Roman unit standards played a important role both ceremonially and on the battlefield With the armies of the late Roman Republic and early Empire continually engaged on the frontiers the soldiers selected for the dangerous honour of carrying them were figures of particular renown and splendour Standard bearers wore special armour with the heads and pelts of animals such as bears wolves or even lions draped over their helmets and shoulders The standards themselves varied greatly from the legion's Eagle and imperial portrait image to various cohort signa flags vexilla and even dragon windsocks dracones copied from barbarian enemies and allies This first volume of a two part series by Roman army expert Raffaele D Amato uses detailed colour plates and the latest research to examine these vital cogs in the Roman army machine that drove its soldiers to conquer the known world **Katherine Parr** Queen Catharine Parr (consort of Henry VIII, King of England), 2011-06-30 To the extent that she is popularly known Katherine Parr 1512-48 is the woman who survived King Henry VIII as his sixth and last wife She merits far greater recognition however on several other fronts Fluent in French Italian and Latin Parr also began out of necessity to learn Spanish when she ascended to the throne in 1543 As Henry's wife and queen of England she was a noted patron of the arts and music and took a personal interest in the education of her stepchildren Princesses Mary and Elizabeth and Prince Edward Above all Parr commands interest for her literary labors she was the first woman to publish under her own name in English in England For this new edition Janel Mueller has assembled the four publications attributed to Parr Psalms or Prayers Prayers or Meditations The Lamentation of a Sinner and a compilation of prayers and Biblical excerpts written in her hand as well as her extensive correspondence which is collected here for the first time Mueller brings to this volume a wealth of knowledge of sixteenth century English culture She marshals the impeccable skills of a textual scholar in rendering Parr's sixteenth century English for modern readers and provides useful background on the circumstances of and references in Parr's letters and compositions Given its scope and ambition Katherine Parr Complete Works and Correspondence will be an event for the English publishing world and will make an immediate contribution to the fields of sixteenth century literature reformation studies women's writing and Tudor politics
