Entrepreneur to Millionaire: How to Build a Highly Profitable, Fast-Growth Company and Become Embarrassingly Rich Doing It Kent Billingsley, 2021-02-02 Are you ready to create serious wealth from your business for you and your employees If you're like most driven entrepreneurs and business leaders you are either starting or running a company that is barely scratching the surface of its growth and profit potential How do you find the hidden cash in the walls and make the leap from ordinary business outcomes to retire tomorrow profit

rich results America's Revenue Growth Architect Kent Billingsley has developed a proven methodology that has helped thousands of entrepreneurs and employees become millionaires or multimillionaires by radically changing the way they approach business growth. This methodology is repeatable, predictable, and scalable and has been rigorously tested in startups and billion-dollar firms alike. In the paradigm-shifting guide *Entrepreneur to Millionaire*, Billingsley shows you how to double or triple sales revenue and profits through a four-phase process: Revenue Ready, Market Ready, Go to Market, and Own the Market. That has delivered explosive growth for his clients for nearly three decades. The best part? You don't have to spend another dollar on marketing or hiring another salesperson, and you don't have to slash costs to the bone. Creating wealth from your business is about generating more sales revenues and profits from every company asset you already have from your contracts, clients, products, services, and even your store locations. With *Entrepreneur to Millionaire*, you and your team have what you need to turn a good business into a fast-growth, highly profitable company that delivers greater value to your customers and becomes embarrassingly rich in the process.

3S Rules Progress Ibrahim, 2019-07-15 Anyone who comes across this book will build a high-growth startup into a successful company. The 3S RULES is a comprehensive guide about the business models of the leading companies in the world. It is a book with striking case studies of global brands from Africa, Asia, and America. Consider the following: How did global companies often listed by Forbes like Amazon, Microsoft, Apple, Google, Alibaba, Twitter, LinkedIn, Airbnb, Lyft, SpaceX, Tesla, Facebook, Dangote Group, Econet Wireless, etc., were built to global heights? Do you know that data is the gold of the 21st century and beyond? This is the revenue model of the leading tech companies. There is a financing tool that can be employed by anyone regardless of your location to build your dream enterprise. It is in 3S RULES. Then the men who will build the future of their nation, city, continent, and community must learn the business strategies and problems encountered by the great entrepreneurs behind these brands. The 1 Trillion capitalization of Apple, Amazon, and Microsoft is not a miracle, and you can build a company like them, but you have to know what they know and improve it. 3S RULES is the book for those who would like to grow their seeds of greatness.
