Mormons Are Bible Christians:

Is Mormonism Christian? Jacob O. Gurley, Ernest E. Dean, 2013 A familiar sight in America today is seeing two young men wearing ties white shirts with name tags and black pants pedaling their bicycles through towns and neighborhoods Most recognize the uniform of young Mormon missionaries on their two year mission seeking to promote and convert anyone willing to listen to their story What is becoming increasingly familiar is the rise of entertainment and political figures also identifying themselves as practicing Mormons What is difficult for many Americans is deciding whether the gospel the LDS Church has promoted over the past two centuries is the same gospel proclaimed by traditional Christian churches over the past two millennia Are they sincere Christians a non Christian cult or something else altogether This book seeks to provide an understanding of the history and basic beliefs of traditional Christianity and compare them to the history and beliefs of Mormonism *What Do Mormons Really Believe?* John Ankerberg, John Weldon, 2002-01-01 Mormons say they are

Christians but are their claims true Are the differences minimal Authors Ankerberg and Weldon go beyond the seeming similarities to look candidly at the Mormon teachings that are clearly incompatible with orthodox Christianity asking questions such as Was God ever a man Were Jesus and Lucifer brothers Is Scripture still being written Are we saved by what we do Are there levels of heavenly glory In clarifying the meanings of terms Mormons use and their views on the Bible Ankerberg and Weldon reveal the chasm between Mormonism and traditional Christianity This clear well written guide equips readers to use the truths of God s Word to defend the faith **Mormons and the Bible** Philip L. Barlow, 2013-05-09

Philip L Barlow offers an in depth analysis of the approaches taken to the Bible by major Mormon leaders from its beginnings to the present He shows that Mormon attitudes toward the Bible comprise an extraordinary mix of conservative liberal and radical ingredients an almost fundamentalist adherence to the King James Version co exists with belief in the possibility of new revelation and surprising ideas about the limits of human language Barlow s exploration takes important steps toward unraveling the mystery of this quintessential American religious phenomenon This updated edition of *Mormons and the Bible* includes an extended bibliography and a new preface casting Joseph Smith s mission into a new frame and treating evolutions in Mormonism s biblical usage in recent decades **Are Christians Mormon?** David L. Paulsen, Hal R.

Boyd, 2017-05-08 In the past scholars and others have asked whether Mormons are Christian This work reverses the question by asking are Christians Mormon By identifying Mormon doctrines formerly considered heretical and documenting how these doctrines have gained increasing acceptance within mainstream Christian theologies the work presents some surprising insights In chapters focusing on subjects such as deification the divine feminine and the reopening of the scriptural canon among others the book sets out Joseph Smith s teachings on these ideas summarizes the criticisms of those positions and examines trends in contemporary Christian theology that significantly converge in Joseph s direction Exploring the convergence of contemporary Christian theology with Mormon doctrines this book will appeal to a broad range of students

and readers exploring Christian theology and the Latter day Saint tradition *Understanding the Book of Mormon* Ross J. Anderson, 2009 Former Mormon Anderson explores the Book of Mormon and offers a Christian response to its teaching
