*God and the Processes of Reality* David A. Pailin, 2024-12-06 Can belief in God be rational David A Pailin identifies the reasons behind this questioning of theistic faith in his book *God and the Processes of Reality* originally published in 1989 and demonstrates how the supposed incoherences in the concept of God are due to the generalization of partial insights He establishes the basic character of the concept of God and examines the nature of the major attributes of the divine and of the relationship of God to the processes of reality looking at God as creator the relation of God to historical events and the role of God as the basis for individual fulfillment The book takes up many of the insights developed by Whitehead and Hartshorne in what is commonly known as process thought Pailin explains these insights and counters common misapprehensions about them critically sometimes radically so to present a credible understanding of the God of theistic belief and a coherent understanding of the relationship of that God to the processes of reality This book will be of interest to students and researchers of religion and philosophy

*God Speaks His Love* Daniel Lloyd, 2023-01-24 *God Speaks His Love* is an innovative Bible study based on the theme of God's love This book invites readers into a deeper encounter with God's actions which create and redeem human beings for loving relationships Each chapter follows a simple structure designed to maximize the reader's encounter with the Scriptures Chapters begin with an informational preview about select biblical texts Next reading questions help readers focus on a few ideas while reading the Scriptures Then each chapter presents and explains three major topics covered in the selections Chapters conclude with a set of reflection questions helpful for group discussion or further personal engagement *God Speaks His Love* is in part a response to modern claims that God stays separate from the world or remains silent in our lives In the previews and topical sections of each chapter readers are introduced to biblical historical and theological information which challenge

such ideas This book explores the ways the Bible presents God's loving and healing actions as bringing human life to fulfillment     Holistic Living Euckay U. Onyeizugbo, 2011-06-01 Wholeness is a process that encompasses all that we are as humans in interaction The contemporary human is in a great deal of psychological distress As a result people do all sorts of extreme things to ease the tension For instance some become hedonistic with inordinate desires for drugs alcohol tranquilizers etc food and sex whereas some become fanatical in their belief system including religious beliefs with tendency toward externality The extent that the human person succeeds in integrating the physical psychosocial and spiritual domain is the extent that humanity evolves to a higher level of consciousness whereby the individual being at peace with oneself reaches out creatively and assertively to neighbours and to the larger world that encompasses humans and the natural order in harmony     *The Zondervan 2007 Pastor's Annual* T.
