Mosses from an Old Manse and Other Stories Nathaniel Hawthorne, 2013-10-15 Mosses from an Old Manse and Mosses From an Old Manse Annotated Nathaniel Hawthorne, 2021-04-17 Mosses Other StoriesBy Nathaniel Hawthorne From an Old Manse is a short story by Nathaniel Hawthorne The collection includes several previously published short stories and was named in honor of The Old Manse where Hawthorne and his wife lived for the first three years of their marriage The first edition was published in 1846 Mosses from an Old Manse Nathaniel Hawthorne, 2020-12-03 In the latter part of the last century there lived a man of science an eminent proficient in every branch of natural philosophy who not long before our story opens had made experience of a spiritual affinity more attractive than any chemical one He had left his laboratory to the care of an assistant cleared his fine countenance from the furnace smoke washed the stain of acids from his fingers and persuaded a beautiful woman to become his wife In those days when the comparatively recent discovery of electricity and other kindred mysteries of Nature seemed to open paths into the region of miracle it was not unusual for the love of science to rival the love of woman in its depth and absorbing energy. The higher intellect the imagination the spirit and even the heart might all find their congenial aliment in pursuits which as some of their ardent votaries believed would ascend from one step of powerful intelligence to another until the philosopher should lay his hand on the secret of creative force and perhaps make new worlds for himself We know not whether Aylmer possessed this degree of faith in man s ultimate control over Nature He had devoted himself however too unreservedly to scientific studies ever to be weaned from them by any second passion His love for his young wife might prove the stronger of the two but it could only be by intertwining itself with his love of science and uniting the strength of the latter to his own Such a union accordingly took place and was attended with truly remarkable consequences and a deeply impressive moral One day very soon after their marriage Aylmer sat gazing at his wife with a trouble in his countenance that grew stronger until he spoke Georgiana said he has it never occurred to you that the mark upon your cheek might be removed No indeed said she smiling but perceiving the seriousness of his manner she blushed deeply To tell you the truth it has been so often called a charm that I was simple enough to imagine it might be so Ah upon another face perhaps it might replied her husband but never on yours No dearest Georgiana you came so nearly perfect from the hand of Nature that this slightest possible defect which we hesitate whether to term a defect or a beauty shocks me as being the visible mark of earthly imperfection Shocks you my husband cried Georgiana deeply hurt at first reddening with momentary anger but then bursting into tears Then why did you take me from my mother's side You cannot love what shocks you To explain this conversation it must be mentioned that in the centre of Georgiana's left cheek there was a singular mark deeply interwoven as it were with the texture and substance of her face In the usual state of her complexion a healthy though delicate bloom the mark wore a tint of deeper crimson which imperfectly

defined its shape amid the surrounding rosiness **Mosses from an Old Manse, and Other Stories** Nathaniel Hawthorne Hawthorne, 2019-08-14 Mosses from an Old Manse is a short story collection by Nathaniel Hawthorne first published in 1846
