The Oxford Illustrated History of English Literature Pat Rogers, 2001 Britain possesses a literary heritage virtually unrivaled in the Western world This lavishly illustrated volume explores the richness diversity and continuity of that tradition Under the general editorship of Pat Rogers some of Britain's foremost literary scholars trace the history of English literature from its first stirrings in Anglo Saxon poetry to the present day The contributors aim to convey to the reader the pleasure and exhilaration of literature rather than to provide a bare outline of schools and periods of writing At the heart of the volume towers the figure of Shakespeare who has a special chapter devoted entirely to himself The volume also offer detailed treatments of other major writers such as Chaucer Milton Donne Wordsworth Dickens Eliot and Auden and up to date discussions of living authors such as Muriel Spark and Seamus Heaney

More than a mere chronology this versatile work provides a basic core of information and invaluable supplementary material including suggestions for further reading maps a chronological table of dates and a detailed index with birth and death dates of individuals listed It also moves beyond these facts and events to characterize the broad sweep of ideas and the main concerns of British writers over the past thirteen centuries The illustrations chosen thirty five in color and over two hundred in black and white bring to life the content and concerns of the text They range in subject from manuscripts and book illustrations to works of art and architecture portraits social scenes landscapes and caricatures illuminating not only the literature but also the ideas preoccupations and outlooks that fostered it Rather than simply decorating the text the illustrations complement and enlarge it All experts in their chosen areas the contributors bring to this volume a deep understanding and great enthusiasm and zest for their subject Collectively they have woven together the complex strands of English literature into a highly readable narrative

The New Statesman ,1920 *New York Magazine* ,1990-04-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
