Passionate Parenting Enjoying The Journey Of Parenting Teens:

Passionate Parenting Cary Schmidt, 2012-11-21 Passionate Parenting is about pursuing the heart of your teenager and helping that heart fall in love with the heart of God. It all begins with examining your own heart as a parent. It begins with being passionate about your own relationship with Jesus Christ and His will for your life. If you're up for the challenge of becoming a passionate parent if you long to enjoy the teen years and you're ready for some tough but rewarding work then this book will equip you for the journey.

Every Story on Parenting Teens with NLP Preeti Vohra, 2024-12-25 Parenting during the teenage years is both rewarding and complex. Every story on Parenting Teens with NLP is a transformative guide designed to empower parents with the tools to build trust, communication, and emotional resilience within their teens using Neuro Linguistic Programming (NLP). This book delves into strategies for fostering a healthy, balanced relationship with teens by focusing on Effective Communication. Learn techniques to engage in open, understanding dialogue that bridges generational gaps. Positive Reinforcement and Goal Setting. Encourage growth by celebrating achievements, setting realistic goals, and fostering an environment of continuous learning. Managing Boundaries and Freedom. Navigate the delicate balance of guiding teens while respecting their independence. Stress and Emotional Well-being. Practical NLP exercises help teens manage anxiety, social pressures, and self-esteem issues. Building Emotional Resilience. Equip your teen with lifelong skills for overcoming setbacks and maintaining a positive mindset. Through real-life examples, relatable stories, and practical NLP exercises, this book serves as both a guide and a companion for parents. It empowers them to create a nurturing home environment where teens feel supported, understood, and ready to flourish. Whether you're looking to strengthen your relationship, help your teen manage life's pressures, or support their personal growth, Every story on Parenting Teens with NLP is your essential guide to parenting with compassion, confidence, and connection.

Understanding Your Young Teen Mark Oestreicher, 2011-12-20 Understanding Your Young Teen is a book on early adolescent development for parents of young teens and pre-teens. Parents of young teens will:

1. Gain an understanding of the unique and not always obvious realities of early adolescent development. This new understanding can greatly enhance parents' patience, parenting approaches, and relationship with their child.
2. Review the developmental uniquenesses of the young teen years. Most parents don't fully appreciate the changes that are taking place in their teens' bodies, minds, and relationships. This resource will give them a solid understanding of those areas.
3. Explore new research and cultural changes. Parents will get a better understanding of the changing landscape of teen culture and see how much has changed since they were young teens.

The bulk of the book will be based on the first half of Middle School Ministry. The developmental chapters will be re-written for parents and will not only include the developmental issues themselves but the practical implications for parenting and living with young teens. A strong pro-young teen bias will permeate the book as my affection for young teens and conviction that this age is a great opportunity for faith formation will be woven through all chapters. While the book will be based on research and experience.

the tone will be conversational from one parent of young teens to others First person tense will be used throughout along with examples from my family and extensive involvement with young teens
