Hathaway,2003 Judging by the more than 2 million web pages dealing with past lives and past life regression PLR people aren't only seeing dead people they're interested in finding out whether or not they were some of those dead people in a previous life Going way beyond a belief in reincarnation and karma regressionists want to know who they were and what their lives were like and reputable psychiatrists are using hypnosis to reveal the past life issues that are keeping their patients from living better lives today In CIG to Past Life Regression a board certified past life regression therapist reveals the ins and outs of PLR Is past life regression for real Are children really closer to their past lives than adults Can I be hypnotized and can I trust the hypnotist and what he/she tells me What will a session be like Is one session enough And what about self hypnosis How can knowledge of past lives make my life better today Healing Lost Souls William J.

Baldwin,2025-09-12 For two decades William Baldwin has been a pioneer in the ever expanding therapeutic fields of Spirit Releasement Past Life Regression and Soul Mind Fragmentation In his Florida practice he uses these therapies routinely to help patients who suffer from Dissociative Trance and Dissociative Identity formerly called Multiple Personality Disorders Healing Lost Souls explains the attributes of each therapy in everyday language and provides dozens of case studies to illustrate its clinical use Likening his work to the ancient practice of shamanism Baldwin has found that psychological disorders are often rooted in past life traumas the interference of attached entities of various origins and the fragmentation of one's soul Baldwin stresses the importance of active patient participation throughout the stages of regression as well as the need to treat encountered entities with respect since they are often mere lost souls as bewildered and frightened as the patients themselves *Regression: a Journey to the Beginning of Your (Current/Past) Life!* Helen Casteleyn,2016-03-17 This book is written for therapists as well as for the layperson It explains step by step how to proceed This handbook teaches you how to travel through time You get to see past lives and help send the deceased into the Light Shamans and healers all over the world see illnesses as energetic blockages A regression can assist you in removing entities dark clouds and other aspects

from the body and the aura It can be achieved with this extremely safe and easy method Many people choose to revisit their childhood in order to install new programs for the future using the ideal scenario method as well as to heal the inner child There is also the spacecraft technique and the physical scan of the body which allow the client to understand and treat physical problems At the end of a session there is a future integration and the exploration of positive affirmations to support the entire process In the end you are more aware of the leitmotif that runs through your present and past lives which allows you to understand your life lessons You generally become a happier person and you can engage with life on a deeper level Regression therapy is a definite recommendation for anyone looking to understand life and for those who are seeking psychological and spiritual growth
