A Selection in Modern Spelling. Edited with an Introduction, Notes, and Glossary by Norman Davis** Norman DAVIS (M.B.E., M.A.), PASTON LETTERS., 1963 **The Paston Letters** Paston, 1978 Paston Letters and Papers Norman Davis, 1963 *Medieval Women's Writing* Diane Watt, 2007-10-22 *Medieval Women's Writing* is a major new contribution to our understanding of women's writing in England 1100-1500 The most comprehensive account to date it includes writings in Latin and French as well as English and works for as well as by women Marie de France Clemence of Barking Julian of Norwich Margery Kempe and the Paston women are discussed alongside the Old English lives of women saints The Life of Christina of Markyate the St Albans Psalter and the legends of women saints by Osborn Bokenham *Medieval Women's Writing* addresses these key questions Who were the first women authors in the English canon What do we mean by women's writing in the Middle Ages What do we mean by authorship How can studying medieval writing contribute to our understanding of women's literary history Diane Watt argues that female patrons audiences readers and even subjects contributed to the production of texts and their meanings whether written by men or women Only an understanding of textual production as collaborative enables us to grasp fully women's engagement with literary culture This radical rethinking of early women's literary history has major implications for all scholars working

on medieval literature on ideas of authorship and on women's writing in later periods The book will become standard reading for all students of these debates      *The Paston Women* Diane Watt, 2004 The Paston letters viewed in the context of medieval women's writing and medieval letter writing The Paston letters form one of only two surviving collections of fifteenth century correspondence in their case especially rich in letters from the women of the family Clandestine love affairs secret marriages violent family rows bickering with neighbours battles and sieges threats of murder and kidnapping fears of plague these are just some of the topics discussed in the letters of the Paston women Diane Watt's introduction seeks to place these letters in the context of medieval women's writing and medieval letter writing Her interpretive essay reconstructs the lives of these women by examining what the letters reveal about women's literacy and education life in the medieval household religion and piety health and medicine and love marriage family relationships and female friendships in the middle ages Professor Diane Watt is Head of the School of English and Languages University of Surrey

**Contemporary Irish Poetry and the Canon** Kenneth Keating, 2017-03-27 This book makes an important intervention into debates about influence and contemporary Irish poetry Supported throughout by incisive reflections upon allusion word choice and formal structure Keating brings to the discussion a range of new and lesser known voices which decisively complicate and illuminate its pronounced concerns with inheritance history and the Irish poetic canon Steven Matthews Professor of English Literature University of Reading UK and author of *Irish Poetry Politics History Negotiation* and *Yeats As Precursor* This book is about the way that contemporary Irish poetry is dominated and shaped by criticism It argues that critical practices tend to construct reductive singular and static understandings of poetic texts identities careers and maps of the development of modern Irish poetry This study challenges the attempt present within such criticism to arrest stabilize and diffuse the threat multiple alternative histories and understandings of texts would pose to the formation of any singular pyramidal canon Offered here are detailed close readings of the recent work of some of the most established and high profile Irish poets such as Paul Muldoon and Medbh McGuckian along with emerging poets to foreground an alternative critical methodology which undermines the traditional canonical pursuit of singular meaning and definition through embracing the troubling indeterminacy and multiplicity to be found within contemporary Irish poetry      **Marriage, Family, and Law in Medieval Europe** Michael M. Sheehan, 1997-01-01 A collection of essays by Michael Sheehan whose work and interpretation on medieval property marriage family sexuality and law has inspired scholars for 40 years      *English Nuns and the Law in the Middle Ages* Elizabeth M. Makowski, 2011 In late medieval England cloistered nuns like all substantial property owners engaged in nearly constant litigation to defend their holdings They did so using attorneys proctors advocates and other men of law who actually conducted that litigation in the courts of Church and Crown following the increased professionalism of legal practitioners during the twelfth and thirteenth centuries However although lawyers were as crucial to the economic vitality of the nunneries as the patrons who endowed them their role in protecting augmenting or depleting monastic assets

has never been     *Romantic Women Writers Reviewed, Part III* Ann R Hawkins, 2022-08-08 This multi volume reset collection will address a significant shortfall in scholarly work offering contemporary reviews of the work of Romantic women writers to a wider audience     **Family and Kinship in England, 1450-1800** Will Coster, 2015-10-23 While historians have made the history of family life a key area of scholarly study the diversity of methods sources areas of interest and conclusions this has produced have made it one of the most difficult for readers to approach Family Kinship in England 1450 1800 guides the reader through the changing relationships that made up the nature of family life It gives a clear introduction to many of the intriguing areas of interest that this field of history has opened up including childhood youth marriage sexuality and death The book provides An understanding of how the family has developed from the late medieval period to the beginnings of industrialisation A synthesis of the varied work of other historians which helps to understand the often disjointed or contradictory research into this area A glossary of technical terms used by historians to describe the family in the past Contemporary documents and illustrations allowing readers to familiarise themselves with the business of understanding people in the past Written in an engaging and accessible manner Family Kinship in England 1450 1800 stimulates interest in a fascinating topic and allows readers to pursue their own interests in the history of family life in the past     'A Great Effusion of Blood'? Mark D. Meyerson, Daniel Thiery, Oren Falk, 2015-03-27 A great effusion of blood was a phrase used frequently throughout medieval Europe as shorthand to describe the effects of immoderate interpersonal violence Yet the ambiguity of this phrase poses numerous problems for modern readers and scholars in interpreting violence in medieval society and culture and its effect on medieval people Understanding medieval violence is made even more complex by the multiplicity of views that need to be reconciled those of modern scholars regarding the psychology and comportment of medieval people those of the medieval persons themselves as perpetrators or victims of violence those of medieval writers describing the acts and those of medieval readers the audience for these accounts Using historical records artistic representation and theoretical articulation the contributors to this volume attempt to bring together these views and fashion a comprehensive understanding of medieval conceptions of violence Exploring the issue from both historical and literary perspectives the contributors examine violence in a broad variety of genres places and times such as the Late Antique lives of the martyrs Islamic historiography Anglo Saxon poetry and Norse sagas canon law and chronicles English and Scottish ballads the criminal records of fifteenth century Spain and more Taken together the essays offer fresh ways of analysing medieval violence and its representations and bring us closer to an understanding of how it was experienced by the people who lived it     *A History of the Church through its Buildings* Allan Doig, 2020-12-10 The History of the Church through its Buildings takes the reader to meet people who lived through momentous religious changes in the very spaces where the story of the Church took shape Buildings are about people the people who conceived designed financed and used them Their stories become embedded in the very fabric itself and as the fabric is changed through time in response to changing use

relationships and beliefs the architecture becomes the standing history of passing waves of humanity This process takes on special significance in churches where the arrangement of the space places members of the community in relationship with one another for the performance of the church's rites and ceremonies Moreover architectural forms and building materials can be used to establish relationships with other buildings in other places and other times Coordinated systems of signs symbols and images proclaim beliefs and doctrine and in a wider sense carry extended narratives of the people and their faith Looking at the history of the church through its buildings allows us to establish a tangible connection to the lives of the people involved in some of the key moments and movements that shaped that history and perhaps even a degree of intimacy with them Standing in the same place where the worshippers of the past preached and taught or in a space they built as a memorial touching the stone they placed or marking their final resting place holding a keepsake they treasured or seeing a relic they venerated probably comes as close to a shared experience with these people as it is possible to come Perhaps for a fleeting moment at such times their faces may come more clearly into focus *Generations of Feeling* Barbara H.

Tiner, 2006-01-01

Since the appearance of the first volume in 1979 the Records of Early English Drama REED series has made available an accurate and useable transcription of all surviving documentary evidence of dramatic ceremonial and minstrel activity in Great Britain up to the closing of the theatres in 1642 Although they are immensely valuable to scholars the REED volumes sometimes prove difficult for students to use without considerable assistance With this book Elza Tiner aims to make the records accessible for classroom use The contributors to the volume describe the various ways in which students can learn from working with these documents Divided into five sections the volume illustrates how specific disciplines can use the

Records to provide resources for students including ways to teach the historical documents of early English drama training students in acting and producing historical contexts for the interpretation of literature as well as the study of local history women s studies and historical linguistics As a practical and much needed companion to the REED volumes Teaching with the Records of Early English Drama will prove invaluable to both students and teachers of Medieval English Drama     The Cambridge Companion to Medieval Women's Writing Carolyn Dinshaw,David Wallace,2003-05-22 The Cambridge Companion to Medieval Women s Writing seeks to recover the lives and particular experiences of medieval women by concentrating on various kinds of texts the texts they wrote themselves as well as texts that attempted to shape limit or expand their lives The first section investigates the roles traditionally assigned to medieval women as virgins widows and wives it also considers female childhood and relations between women The second section explores social spaces including textuality itself for every surviving medieval manuscript bespeaks collaborative effort It considers women as authors as anchoresses dead to the world and as preachers and teachers in the world staking claims to authority without entering a pulpit The final section considers the lives and writings of remarkable women including Marie de France Heloise Joan of Arc Julian of Norwich Margery Kempe and female lyricists and romancers whose names are lost but whose texts survive     **Fashion and Fetishism** David Kunzle,2006-08-24 Presenting the history of corsetry and body sculpture this edition shows how the relationship between fashion and sex is closely bound up with sexual self expression It demonstrates how the use of the corset rejected the role of the passive maternal woman so that in Victorian times it was seen as a scandalous threat to the social order
