Gleaning in Ancient Fields Maxine Carlill,2020-03-18 If you ve ever thought that the first five Books of the Bible aren t entirely relevant for Christians think again This book uncovers the extraordinary hidden treasures of the Torah that are the foundation to all that follows in the Word of God and that still apply for Christians living today Therefore this book is for Christians who read the Old Testament and get stuck in the do s and don ts We know that they are part of the Divinely inspired Bible so what should we do with them It is true that much of what we think of as Old Testament law was meant for the Jewish people alone

who are called to obey the details spelled out through Moses However embedded within these Books are patterns principles and pictures that the Torah Giver intended for all to follow This book will help you discover them **The Nine**

Commandments David Noel Freedman,2002-05-14 In a book certain to be as controversial as Harold Bloom s The Book of J and Elaine Pagels s The Gnostic Gospels David Noel Freedman delves into the Old Testament and reveals a pattern of defiance of the Covenant with God that inexorably led to the downfall of the nation of Israel the destruction of the Temple and the banishment of survivors from the Promised Land Book by book from Exodus to Kings Freedman charts the violation of the first nine Commandments one by one from the sin of apostasy the worship of the golden calf Exodus 32 to murder the death of a concubine Judges 19 25 26 to false testimony Jezebel s charges against her neighbor Naboth I Kings 21 Because covetousness Freedman shows lies behind all the crimes committed each act implicitly breaks the Tenth Commandment as well In a powerful and persuasive argument Freedman asserts that this hidden trail of sins betrays the hand of a master editor who skillfully wove into Israel s history a message to a community in their Babylonian exile that their fate is not the result of God s abandoning them but a consequence of their abandonment of God With wit and insight The Nine Commandments boldly challenges previous scholarship and conventional beliefs David Noel Freedman has been General Editor and a contributing coauthor of the Anchor Bible series since its inception in 1956 He is a professor in Hebrew Bible at the University of California San Diego and lives in La Jolla California **The Seven Deadly Sins** Solomon Schimmel,2023
