Paul George: the Inspiring Story of One of Basketball's Most Dynamic Small Forwards Clayton

Geoffreys,2015-12-13 Learn the Inspiring Story of the Indiana Pacers Star Paul George Read on your PC Mac smartphone tablet or Kindle device In Paul George The Inspiring Story of One of Basketball's Most Dynamic Small Forwards you will learn the inspirational story of one of basketball's premier small forwards Paul George Since joining the NBA Paul George has quickly emerged as one of the league's best small forwards leading the Indiana Pacers to reemerge as contenders in the growingly competitive Eastern Conference It is hard to believe that so many teams passed on Paul George back in the 2010 NBA Draft when he easily became one of the best draft picks out of that year's draft While Paul George suffered from a devastating injury as a member of Team USA he has demonstrated an incredible amount of resilience as he nursed his injury and returned to full force starting in the 2015 2016 NBA season It will be exciting to see where George can take the Pacers in the years to come

Early Life and Childhood High School Years of Paul George Paul George's College Years at California State University Fresno Paul George's NBA Career Getting Drafted Rookie Season Second Year Third Year and Breakout Year George's Fourth Year 2013 14 Season Team USA Training Camp Broken Leg and Eight Months Out Road to Recovery and the Return The Real Return of Paul George 2015 16 Season Chapter 5 Paul George's Personal Life Chapter 6 Paul George's Impact on Basketball and Legacy

An excerpt from the book George's return on April 5 2015 was just a mere trailer and preview to the PG 13 show that people were in store for in the 2015 16 season Back in August of the previous season Paul George had his number changed from 24 his idol Kobe Bryant's number to 13 He has always worn the number 24 since high school because he wanted to be like Kobe The reason for the change was that he already had an identity of his own and that it was time for him to pave his own path from being that kid who idolized Kobe to the man known as PG 13 His PG 13 nickname gimmick gives him his own identity to build on and he also said it was pretty catchy because PG 13 in normal television terms implies that the show will be enjoyable yet safe The offseason prior to the 2015 16 NBA season was a period of transition for the Pacers Larry Bird had communicated to the coaching staff that he wanted the Pacers to play faster as opposed to their usual slow paced offense in the past This transition to a fast paced offense made the slow giant Roy Hibbert dispensable The Pacers traded Hibbert to the Los Angeles Lakers in exchange for a future second round draft pick Moreover they lost veteran leadership in David West when he opted to forego his 12 million player option to stay with the Pacers and instead signed with the Spurs for a much lower amount They also lost CJ Watson and backup big man Luis Scola The silver lining about the loss of their frontline starters was that it provided an avenue for their younger and more athletic players to play at a higher pace

translated the same game he had in college to the NBA floor and arguably nobody else in the NBA plays perimeter defense better than he does With a wingspan so long that his arms could envelop six men and with hands so huge that he could cover the ball with one hand Leonard has used his natural physical gifts to good use on the defensive end of the floor Tags kawhi leonard bio kawhi leonard basketball tim duncan lamarcus aldrige tony parker manu ginobili danny green gregg popovich paul george stephen curry jimmy butler *Educational Film & Video Locator of the Consortium of College and University Media Centers and R.R. There are also players that just need to belong to a team that wants them or to a system that fits their playing style And when all of those factors converge an instant NBA star player is born Tags Victor Oladipo Bio Indiana Hoosiers basketball domantas sabonis paul george lance stephenson myles turner steven adams russell westbrook billy donovan elfrid payton aaron gordon **Ohio State University Monthly** Ohio State University.
