

"Paul and Silas in Prison"

Acts 16:16-34 NIV

Bible Lesson & Activities for Children

THE SUNDAY SCHOOL STORE

Paul and Silas in Prison

Songs in jail rejoicing after being wrongfully arrested! The story

of Paul and Silas in prison is an interesting look at a miraculous

rescue and unique opportunity to share the Gospel in this

message, consider musical methods and situations that we might sing or make music. Describe how God wants to hear from us, even if we don't feel joyful. Any word or song we give Him is precious because He loves us. And we can rejoice to know that He is always with us, wherever we go!

This story does not tell us that we always need to "put on a happy face" and ignore sorrow. Paul and Silas prayed and sang because they knew that God was with them, even in a dire and unfair situation. They clung to the hope they had in Jesus, and others noticed that. Not only did they eventually get released from prison, but the jailer (and likely other prisoners) recognized that something was different about these men and listened to them share the good news of Christ. We can take comfort knowing that God is with us always, and He wants us to spread His love to others.

Passage: Acts 16:16-34

Target Audience: Kindergarten-4th grade

Materials Needed: Paper, beads or dry pasta noodles, markers/colored pens, decorative supplies, paper towel tubes, tape, pipe cleaners, pop-it sticks, ropes or chains, Middle East maps, notecard(s). Object lesson props could include musical instruments or songs, notecard(s) (optional: shawls/shawl).

The Pastoral Epistles George William Knight, 1992-07-22 Knight's study on the Pastoral Epistles is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament which seeks to provide thorough exegesis of the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context

The Apostolic Leaders Erastus Blakeslee, 1907 **Michigan Christian Advocate**, 1909 **T&T Clark Handbook to the Historical Paul** Ryan S. Schellenberg, Heidi Wendt, 2022-05-05 The T T Clark Handbook to the Historical Paul gathers leading voices on various aspects of Paul's biography into a thorough reconsideration of him as a historical figure The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics including his social location his mode of subsistence his cultural formation his place within Judaism his religious experience and practice and his affinities with other religious actors of the Roman world Through careful attention to biographical detail social context and historical method it seeks to describe him as a contextually plausible social actor The volume is structured in three parts Part One introduces sources methods and historiographical approaches surveying the foundational texts for Paul and the early Pauline tradition Part Two examines key biographical questions pertaining to Paul's bodily comportment the material aspects of his career and his religious activities Part Three reconstructs the biographical portraits of Paul that

emerge from the letters associated with him presenting a series of micro biographies pieced together by leading Pauline scholars *Facts and dates; or, The leading events in sacred and profane history and the principal facts in the various physical sciences, the memory being aided throughout by a simple and natural method* Alexander Mackay, 1869

Operation Messiah Thijs Voskuilen, Rose Mary Sheldon, 2008 Saul of Tarsus is one of the best known and most beloved figures of Christianity This man later known as St Paul set the tone for Christianity including an emphasis on celibacy the theory of divine grace and salvation and the elimination of circumcision It was Paul who wrote a large part of the New Testament and who called it euangelion the gospel There is another side of Paul however that has been little studied and that is his connection to the Roman military establishment and its intelligence arm While other scholars and writers have suggested the idea that Paul was cooperating with the Romans this is the first book length study to document it in detail By looking at the traditional story through a new lens some of the thorniest questions and contradictions in Paul s life can be unravelled How did he come to work for the Temple authorities who collaborated with the Romans How was he able to escape from legal situations in which others would have been killed Why were so many Jews trying to have Paul killed and to which sect did they belong These and other mysteries will be solved as the authors follow Paul s career and his connections to Roman intelligence

Leading Financial Sustainability in Theological Institutions Emmanuel Okantah Bellon, 2017-04-24 The role of theological institutions in Christian mission is likened to the crucible that shapes the hearts and minds of those leading the charge to reconcile the world to God Nevertheless it is also the weakest link in the chain of Christian ministry and efforts to sustain the unique contribution of institutions have been enigmatic So why should we be concerned about theological institutions What if there were no theologians missiologists trained pastors or missionaries in Christian ministry What if there were no theological institutions What if the existing theological institutions collapsed shut down for lack of resources How effective would the witness of the Christian church be without theological institutions in a world in need of God Over the centuries various models for supporting theological training have been tried in institutions but very few of these have been successful Time cost and quality of education among others have been the driving forces behind the changing models and yet financial sustainability has been elusive Only informed leadership that draws insights from historical biblical and practical wisdom is necessary in achieving this goal This book is your faithful companion in the quest to achieve financial sustainability in theological institutions

The Rhythm of the Christian Life Brian J. Wright, 2019-08-13 Discover Life as God Intended Hurried and exhausted we are looking for a better way to manage all the demands in our lives We think that if we could simply learn to balance everything we would be happier But our problem isn t balance What we actually need is to rediscover the rhythm God has created a pulse for our lives and for centuries Christians lived into that intentional rhythm one that has been all but lost today In this book Wright invites us to find true joy and wholeness as we embrace the two core realities that every person experiences in life moments alone times of solitude when

we are with God alone moments together times of intentional fellowship with others In our efforts to maximize our time we often set unrealistic expectations for our quiet time and our social relationships The result is a failure to hear the ancient rhythm that shows how these dimensions of our lives should complement each other Embracing the rhythm of the Christian life and living it wholeheartedly is the task of all believers not just some of us As Christians our whole life consists of loving God and loving others just like Jesus did Explore The Rhythm of Christian Life and recapture the joy of life as God always intended

Topical Analysis of the Bible Walter A. Elwell, 2012 This imperative resource addresses the need for understanding basic Christian teachings It makes the theological content of the Bible accessible to a wide audience in an easy to follow format Fifteen key Christian doctrines are explored chapter by chapter including The Personal God Sanctification Christian Living Responsibilities to Others and Nature Jesus Christ and more Each of these chapters includes a detailed outline and complete citations This is an unparalleled affordable resource for ministers and laymen alike who want a more in depth resource at their fingertips and who long to be more thoroughly grounded in their faith Special Features Includes approximately 35 000 Scripture references from the popular New International Version

Peloubet's Bible Dictionary Francis Nathan Peloubet, 1925 Based upon the foundation laid by William Smith Self pronouncing contains chronological tables and tables of weights money and measures

[The Essential Archaeological Guide to Bible Lands](#) Titus Kennedy, 2024-01-02 Insightful Archaeological Context Illuminated Historicity While the historical accuracy of the Bible has long been a topic of debate and has fallen under increased scrutiny in recent decades new archaeological discoveries from an expanding host of ancient sites found in Bible lands continue to provide evidence pertinent to questions of reliability The Essential Archaeological Guide to Bible Lands offers the most geographically extensive overview of archaeological sites from all of the regions relevant to the biblical narratives With information from excavations and research both old and new this thorough guide from archaeologist and professor Dr Titus Kennedy features more than 200 full color photos that show ancient ruins and bring the Bible to life extensive exploration of archaeological discoveries from more than 70 key locations and historical sites stretching across Mesopotamia Egypt Anatolia Greece the Holy Land and beyond expert research and analysis of archaeological evidence that illuminates and corroborates historical narratives of the Bible The Essential Archaeological Guide to Bible Lands will aid in your search for answers serving as a travel guide and a resource for investigating the context and historicity of the Bible while vicariously visiting many ancient biblical locations

The Oxford Handbook of Pauline Studies Matthew V. Novenson, R. Barry Matlock, 2022-04-08 The Oxford Handbook of Pauline Studies brings together a diverse international group of experts on the apostle Paul It examines the authentic texts from his own hand other ancient texts falsely attributed to him the numerous early Christian legends about him and the many meanings that have been and still are made of these texts to give a twenty first century snapshot of Pauline Studies Divided into five key sections the Handbook begins by examining Paul the person a largely biographical sketching of the life of Paul himself to

the limited extent that it is possible to do so It moves on to explore Paul in context and Pauline Literature looking in detail at the letters manuscripts and canons that constitute most of our extant evidence for the apostle Part Four uses a number of classic motifs to describe what modern experts describe as Pauline Theology and Part Five considers the many productive reading strategies with which recent interpreters have made meaning of the letters of Paul It is demonstrated that reading Paul is not and never has been just one thing It has always been a matter of the particular questions and interests that the reader brings to these very generative texts The Oxford Handbook of Pauline Studies thoroughly surveys the state of Pauline studies today paying particular attention to theory and method in interpretation It considers traditional approaches alongside recent approaches to Paul including gender race and ethnicity and material culture Brought together the chapters are an ideal resource for teachers and students of Paul and his letters

The Christian Advocate ,1902 **The Trial**

Narratives Matthew L. Skinner,2010-01-01 In this careful analysis Matthew Skinner explores the trial narratives of Jesus Paul Stephen and others in the Gospels and Acts who found themselves brought before powerful individuals and groups often with deadly consequences His close study of these texts is essential for those interested in the early church s relationship to the sociopolitical structures in which Christian belief emerged He shows how the narratives helped shape early Christian identity as these communities sought to understand both the political implications of the emerging Christian gospel as well as the dangers and opportunities their sociopolitical context presented He also reflects on the theological resources and paradigms these texts offer to Christians today *Understanding the Social World of the New Testament* Dietmar

Neufeld,Richard DeMaris,2009-10-29 The New Testament is a book of great significance in Western culture yet is often inaccessible to students because the modern world differs so significantly from the ancient Mediterranean one in which it was written It is imperative to develop a cross cultural understanding of the values of the ancient Mediterranean society from which the New Testament arose in order to fully appreciate the documents and the communities that they represent Dietmar Neufeld and Richard E DeMaris bring together biblical scholars with expertise in the social sciences to develop interpretative models for understanding such values as collectivism kinship memory ethnicity and honour and to demonstrate how to apply these models to the New Testament texts Kinship is illuminated by analysis of the Holy Family as well as to early Christian organisations gender through a study of Paul s view of women and landscape and spatiality through a discussion of Jesus of Nazareth This book is the ideal companion to study of the New Testament ... **Select Notes on the International**
