Liker,W. Mark Fruin,Paul S. Adler,1999-07-01 Over the last two decades Japanese firms have challenged U S dominance in many manufacturing industries This challenge has increasingly come in the form of transplant operations and recognition has spread that their success owes a great deal to superior manufacturing management Despite the ups and downs of the business cycle in Japan there remains a core of world class Japanese companies that have developed manufacturing management systems that companies throughout the world strive to emulate In this edited volume a team of eminent scholars uses case studies and large scale surveys to explain in depth the process of transferring and transforming the best Japanese Management Systems JMS by both Japanese and U S owned firms While the most successful of the Japanese manufacturing transplants rely to varying degrees on home country management techniques they have had to adapt them to fit U S conditions Similarly the

growing number of U S firms that are adopting these techniques to strengthen their own positions face a considerable challenge in transforming them to fit local conditions A new environment necessarily compels the transformation of JMS But despite the hurdles firms face the evidence presented here and elsewhere strongly indicates that key aspects of JMS are remarkably transferable and successful in the United States Combining scientific data with clear and engaging prose Remade in America is a rich analytical resource for manufacturing professionals as well as scholars and students of management and business *Monthly Catalogue, United States Public Documents* ,1990 Occupational Outlook Handbook ,2010 Describes 250 occupations which cover approximately 107 million jobs *Popular Mechanics* ,1980-08 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **Monthly Catalog of United States Government Publications** ,1990 **National Union Catalog** ,1978 Includes entries for maps and atlases
