Paul Simon Transcribed Paul Simon Or Simon And Garfunkel:

The Words and Music of Paul Simon James Bennighof, 2007-10-30 Paul Simon is commonly acknowledged to be one of the most successful singer songwriters of the pop rock era His work has flourished in the context of Simon and Garfunkel as well as in his own solo career Starting with the folk rock style that marked his earliest significant success he has drawn on a wide variety of influences including many American traditions and later many international ones as well He has won multiple Grammy awards in both the duo and the solo phases of his career His songwriting has also provided the impetus for brief forays into film and musical theatre After providing a brief biographical overview this work examines Simon s songwriting work in depth providing a critical discussion of each song as a fusion of text and music so as to help the reader to identify elements that enhance appreciation A particularly valuable contribution in this context is the discussion of the wide variety of musical elements that contribute significantly to the value of Simon s work These include such easily understandable issues as verse chorus structure melodic variation selection of particular instruments and even performers variation of musical style within a song general harmonic characteristics relationships among keys rhythm and pacing of text etc While the book proceeds chronologically through Simon s recorded output specific threads are developed throughout and the discussion of individual songs takes place in the context of these threads both drawing on them and developing them further The diversity of Paul Simon s work reflects his very American background and no discussion of American music is complete without accounting for his influence *Folklife Center News* ,2005

Necessary Losses Judith Viorst, 2010-05-11 From grief and mourning to aging and relationships poet and Redbook contributor Judith Viorst presents a thoughtful and researched study in this examination of love loss and letting go Drawing on psychoanalysis literature and personal experience *Necessary Losses* is a philosophy for understanding and accepting life s inevitabilities In *Necessary Losses* Judith Viorst turns her considerable talents to a serious and far reaching subject how we grow and change through the losses that are a certain and necessary part of life She argues persuasively that through the loss of our mothers protection the loss of the impossible expectations we bring to relationships the loss of our younger selves and the loss of our loved ones through separation and death we gain deeper perspective true maturity and fuller wisdom about life She has written a book that is both life affirming and life changing
